VALE John Arday

It is with deep regret that we have to record the passing of John Arday Life Member - Aged 63.

John joined the Club in 1964 and on his death was our only third generation member. He was awarded Life Membership in 1981.

A Life Saver (served as Chief Instructor and Club Captain); Competitor (won seven Club Surf and Belt Championships, including one Senior Title whilst still a Junior; Administrator (Secretary and Treasurer); Coach and Examiner. He did it all.

In 1981 he was awarded Branch "British Airways" Life Saver of the year for his successful resuscitation of an elderly lady whilst on holidays in the Southern Highlands.

A reprint (in part) of a letter written to us at the time by a Doctor present:

"Dear Sir;

I am writing to you to record the actions of one of your members, he is certainly an asset and an honour to your Club.

He was on holidays here in Sutton Forest when a seventy odd year old lady collapsed in the kitchen. Not one of the many people around knew what to do except send for the doctor, or ambulance. He was summoned from the garden and with no assistance from any of the bystanders started CPR and kept going for some time. His training and experience was so excellent that she was in fair colour and each chest compression produced a radial pulse. After it was over, he quietly went back to resume his holiday.

I write this letter for a few reasons:

- (1) His training was such that he was able to utilize it away from the Surf Club.*
- (2) Surf Clubs get a lot of knockers and have difficulty in attracting members.*
- (3) He is an example to the rest of the community.*

I am writing to the "Manly Daily" to try and get some publicity for your Club and to praise the efforts of a local citizen. This young man, gets full credit for saving a life. Congratulations to your Club on having such a fine member. He is a young man who knew what to do and did it. He is an example to us all.

(signed) John Roche

Our sincere condolences to wife Judy and children Elizabeth, Daniel and Emily.

Senator the Hon. Michael Ronaldson, Minister for Veteran's Affairs placing a Dee Why cap on our founding member Francis Bauer at Gallipoli on Anzac Day

President's Report

by Allen Lakeman

The defining event of the 2014/2015 season was not actually a Surf Life Saving activity but the commemoration of the 100 years since the landing at Gallipoli in 1915. The club was fortunate to participate in three events, one of them half a world away.

At 5:30 a.m. on ANZAC Day twenty of our junior members participated in a ceremony at Dee Why Beach each carrying a candle and a plaque with an inscription.

Dee Why Nippers at the Anzac Ceremony at Dee Why beach

At noon at Collaroy Beach two of our surf boats were among the 100 boats that landed on the beach. The club also provided water safety including two IRBs.

On the other side of the world at ANZAC Cove the Dee Why Surf Life Saving Club cap was placed on the headstone of the late Francis Charles Bauer, the foundation Secretary of the Club by Senator Michael Ronaldson, the Minister for Veterans Affairs and the Minister Assisting the Prime Minister for the Centenary of ANZAC. This was brought about by the persistence of Graham McVay with the support of Simon Moriarty. Graham published an article in The Manly Daily and he later approached our local Commonwealth representatives, the Hon Bronwyn Bishop and the Hon Tony Abbott, to arrange the laying of the cap on the headstone. Bronwyn's media advisor Alex Briggs kindly used his contacts in Canberra to get copies of the photographs.

A second event was the participation of our Under 14s and 15s in the Australian Championships. On Saturday, 18 April 2015 the President of Surf Life Saving Australia, Graham Ford, spoke enthusiastically at the Officials' Dinner about the Youth Championships for the Under 14 and Under 15 age groups that was held at North Kirra Beach the previous weekend. This has been the first occasion on which the Youth Championships have been held and they were, according to Mr Ford, a great success. Four competitors from Dee Why who entered the Youth Championships were Harley Hannam, Emma Katen, Anthony Molinia and Reuben Sharma. Reuben was particularly successful getting a fourth placing in his age group. Retaining club members in this age group should be given a high priority.

Twenty-two competitors from Dee Why entered the

Harley Hannam, Emma Katen, Anthony Molinia and Reuben Sharma at the Australian Titles

Masters and Open Championships which were held later in the week. Our most successful competitor was Geoff Horner gaining Silver and Bronze medals in the Surf Board Riding Competition. Our Reserve rowing crew performed extremely well. They won their races at Tugun Beach in the heats, only to be knocked out in the semi-finals. Our Open boat crew also performed well. Adrienne Lowe and I picked up a Bronze medal in the Open First Aid.

In the Coolangatta Gold in November 2014 the Open Women's Team Madi Quinn (ski and board) and Emma Jeffcoat (swim and run) finished second and the Open Mixed Team Bruce Taylor (ski) Emma

Adrienne Lowe and Allen Lakeman - Bronze in Open First Aid at the Australian Titles

Jeffcoat (run) Craig Woollett (swim) and Scott Mortimer (board) led from start to finish.

Our club members, Trish Newton and Steve Haggett attended the 13th World Congress on Stress, Trauma and Coping in Baltimore USA. Trish and Steve presented a paper in Baltimore, An Analysis of Why the Sydney Northern Beaches Branch of Surf Life Saving Traumatic Incident Peer Support (TIPS) has Survived. Trish was also presented with the ICISF International Crisis Response Leadership Award.

In October 2014 the Club provided the facilities for the Rally for Robbo in the Swan Lounge and was able to raise funds for his medical support. Rob Scott was severely injured in an assault in the USA. Steve has recently advised that on the scale of doctor's expectations Rob is doing well. He has a lot of his cognitive brain function, understanding what is said

President's Report

to him and can talk fairly well but often has to be prompted to breath and speak clearly. His body is getting stronger and he has good movement of his arms and legs and hopefully he may walk by the end of the year. Unfortunately he is blind, deaf in his left ear and has no short term memory and that probably won't change, but they live in the moment and Rob works really hard. His progress is a miracle so far, but there is still a long way to go. Our best wishes and prayers go to Rob and his family.

In December the new addition to our surf boats was christened "The Nelson Chad". The Reilly family have been great participants and supporters of the boat section of the club.

Christening of the 'Nelson Chad' - Chad family members with Allen Lakeman and Aaron Reilly

The Nippers appear to have had a particularly successful season and it was great to see the members of the associated Orange Club on Dee Why Beach again. I would particularly like to thank those members from Orange who travel the great distance to Dee Why to patrol for our local community at Dee Why Beach.

Rowena Clarke continued our close association with the Mid-north Coast Branch and young members from Port Macquarie and Tacking Point stayed at the club during their visit to Sydney.

Club Administration

This year under my stewardship I had intended to follow three principles in the administration of the Club. There was an emphasis on transparency on the decisions made by the Management Committee and the Club Office Bearers, the making of decisions by consensus rather than having a President's call and an inclusive approach to all members of the Club so that the Committee might represent Dee Why as a unified and united Club.

Last season the Nippers Committee and parents involved the senior members of the Club in most of their activities. I was invited as President along with other Life members Steve Haggett and Marty Quinn to take significant roles in the Nippers' Annual General Meeting and Presentation Night. Newsletter editor, Noelle Sadinsky, included items in the letter published through the Nippers Committee for the Senior Club. Janine Portelli and Dannealle Hannam

were instrumental in including our senior members in the clothing distribution and participating in the barbeques and other social events that were organised by Nippers on Sunday morning. The nippers are the future of our club and they should be encouraged to develop their skills for future patrols and sporting success.

One of the more difficult areas of Surf Life Saving has been the transition from nippers to the cadets and senior patrols. This year there was a real emphasis on encouraging senior nippers to be involved in the senior club competitive events as well as obtaining their SRC's and Bronze Medallions.

We had four senior nippers travel with the touring team to the Australian Championships on the Gold Coast. Our team of 28 members represented the Club over a wide range of events including beach sprints, ski paddles, boats and in the life saving events.

Management Committee

Three members of the Club who did a fantastic job with the Club administration were Sue Cheney our Secretary, David Lang our Treasurer and Matt Molinia who took on the dual roles of Deputy President and Chief Instructor.

Matt deserves special mention as he was an ever present force on the beach and everywhere else. In addition to his roles for the Club, Matt also undertook onerous duties as a Senior Official at Nipper carnivals, as well as personally undertaking the training of several Bronze groups, competing in Masters events and training for his Assessor's awards. Under Matt's energetic stewardship the Club put through a very large number of SRC's and Bronze's this year.

Behind the scene Sue Cheney and Dave Lang have done a great job in the administrative side of the club, Sue in particular in handling the many enquiries that come through on the Internet and Dave in keeping the Club's accounts up to date. Dave's accurate financial record keeping and strict control of budgetary considerations has placed the Club in a strong financial position and Sue's tireless work has meant that every enquiry, problem and praise, not only from club members, but from members of the wider community have received the attention that they deserve.

Warringah Council

Our relationship with Warringah Council appears to be entering a new phase. There are continuing difficulties over the Community Support Subsidy which is in effect a rental or tax on the use of what the council regards as community assets for which all clubs should make a financial contribution. This can then be recognised by Council as an offset or contribution by Council to these clubs. The clubs have regarded this as undermining the spirit of volunteerism and in effect undermining the value of the voluntary work performed by so many in the community, not only the service by members of the surf clubs but other clubs whose efforts have appeared to go unrecognised by our council.

This year however Mayor Michael Regan and General Manager Rik Hart have addressed the Club's concerns in perhaps a new light and the Council appears to

President's Report

be willing to enter into a commercial arrangement with the Club for the redevelopment of the first storey of the clubhouse as a commercial venture such as a restaurant as has been done in Avalon, Elouera and South Curl Curl. Our negotiations with council are still at an early stage.

One land-mark event however has been the signing and lodging for registration of the 21 year lease which is to date from 1 January 2015 at an annual rental by the Club to Council of \$77.00. This low rental of course is in recognition that the monies for the construction of the northern training room and new storage area were raised by the Club on a levy of its members' activities over many years, in deed since the Presidency of Dennis Campbell in 1996. It was also as a result of a State Government's contribution directly to the Club rather than the contribution of council funds.

The signing of the lease in December last year was a culmination of 16 years of activity by the Building Committee since the destruction of the Dee Why Beach embankment and the access ramp to the old power boat shed in 1999. The Club has unfortunately lost its tenure of the power boat shed which to Council's credit has now been set up as a successful venture on the southern end of the beach as the Dee Why Beach Shed.

There are two Councillors who have shown their support for the Club and for the volunteers who participate in various club activities throughout our local government area. Thank you Councillor Vince De Luca and Councillor Bob Giltinan.

Sponsors

The Club has been very fortunate to have a large number of sponsors this year. Special mention has been made in the Sponsorship Report to acknowledge and thank our sponsors for their contributions to the Club. Graeme Liddell the President of Dee Why RSL Club and directors Russell Parks and Mark Pitt have encouraged our clubs to maintain our close relationship. Dee Why RSL has been traditionally one of our largest sponsors and this year has proved to be no exception.

I would also like to thank in particular the Reilly Family including Aaron and his father, Steve, for their contribution to the Club not only through the surf boat area but also for Aaron's participation on the Management Committee and supporting this aspect of the Club's sporting activities. I would like to thank Aaron in particular for undertaking the difficult task of negotiating our commercial relationship with the directors of Ocean Thunder. Ocean Thunder will continue to hold its events on Dee Why Beach as it has for the last 11 years, but without the direct assistance of the Club. The Club and the directors of Ocean Thunder were unable to negotiate a sponsorship agreement.

The caretaker's flat became available for lease in March this year and Raine & Horne Dee Why should be thanked for their assistance.

Our sponsors include BBM who have been particularly active in supporting our junior activity events, the Dee Why Grand and businesses on The Strand, Deck Bar and Dining, Sea Change and the Chill Bar. The Club is particularly grateful for the sponsorship of local

businesses standing behind us in our activities on the beach.

Patrols

Ben Davies and his six Vice Captains have had a successful patrolling season. It would also be remiss not to mention our close association with Warringah Council Life Guards. The transition of the Life Guards from the Clubhouse to their own prominent spot adjacent to the beach in the "Tardis" and the additional space under the northern training room has proceeded well.

On the beach Ben Davies, Greg Punch, Hugh Long, David Spink, Rowena Clarke, Peter Firminger and Zack Dibben have done a great job in keeping the patrols fully equipped, fully informed and on duty this season.

Ross Gammidge who has been the club's Radio Officer has retired from his position as he has moved out of the area. The Club would like to thank Ross for his service to the club over very many years.

One patrolling members reached a significant milestone this season. Peter Firminger has since the commencement of the Surfguard roster patrol records in 2003 performed 4,177.62 hours of patrolling services. A remarkable performance from one of our patrolling members.

Christmas Day on Dee Why Beach - Emily Hockley, Dannealle Hannam, Rowena Clarke, Ben Davies, Allen Lakeman and Ashleigh Portelli

The Warringah Lifeguards performed with great professionalism in conjunction with our patrolling members. The club would like to acknowledge Scott Mortimer, Luke Robinson, Josh Wall, Madison Quinn, Cameron Bealey and Steve Downman as well as Clinton Rose and Tim Donkin many of whom are or were members of the club.

Education and training

Matt Molinia, Rowena Clarke, Vivienne Cresswell, Bruce Richardson, Darren Armitage and David Spink took responsibility for the training of the new Bronze members, new IRB drivers and crew and arranging proficiencies. Matt Molinia in particular has done an outstanding job not only as a trainer but also in his capacity as Chief Instructor (now Chief Training Officer) to assist our members obtain their proficiencies with as little inconvenience as possible. Matt and Greg Punch as well as Adrienne Lowe

President's Report

and Steve Haggett carried out assessments and proficiencies at the Club as well as their other duties as Branch Assessors at the Central Assessment Venues.

Six members of the Club gained their Gold Medallions this year and two maintained their proficiency at this high level of training and fitness.

Events

The Club has had two significant social events last season being the Pub2Pub Run in August last year and the Dee Why to Manly Sun Run on the January long weekend. Greg Punch and Kerry Morris displayed their organisational skills and went to great efforts in making sure these events were successful not only for the Club's point of view but also for our sponsors, Brookvale Rotary and the Fairfax Event Group.

The Club would also like to acknowledge the

Bronze Training Group Christopher Brown, Conner Tyson, Hamish Taylor, Henry Anderson, Jessica Worsley, Kieran Short, Taylor Murray and Tom Serisier at their Central Assessment venue at Long Reef

participation of the Honourable Bronwyn Bishop, Speaker of the House of Representatives and our local member for Mackellar for her continued support of the Club. Bronwyn kindly offered to start the annual Pub2Pub run and has continued to show her interest in the Club's activities. Our local State members the Hon. Mike Baird started the Sun Run at Dee Why and the Hon. Brad Hazzard spoke eloquently at the 100 Boats ceremony at Collaroy.

Sporting Activities

Two tireless members of the coaching staff have been Marty Quinn and Cam Wyllie. Marty has not only undertaken the coaching of the senior members of the Club but has been involved on a regular basis during the week and on the weekends with the nippers. Marty's commitment as a coach is second to none and the Club should be thankful for his tireless energy as a coach, team leader and sports organiser. Cam Wiley who is a former nipper dad continues with his activities in water safety and training.

Marg Roberts has taken over the role of Competition Manager. This is a difficult task which involves a deep understanding of the intricacies of carnival entries and making sure that those who wish to compete are proficient and financial. A job well done this year Marg.

Sydney Northern Beaches Branch

The club acknowledges and thanks the members of branch including Doug Menzies, Steve McGuiness, Marcial Nunura, Belinda Dobson and Jen Huston for their support. We would also thank those members of our club including Adrienne Lowe and Steve Haggett who have done so much in the training and education and Surf Life Saving event competition areas.

In conclusion

As is traditional the Club is proud to report that there were no lives lost on the patrolled area of Dee Why Beach during our stewardship this year. This has been a proud record of the Club for over 100 years. The Club, particularly through our Deputy President and Chief Instructor, Matt Molinia, has placed great emphasis on education and training. Education and training is not only a feature of our Club but also an increasing feature of Branch and State administrations. Our report on the saving of lives on our local beach should also extend to those who have gained their Bronze Medallions at Dee Why and who are now equipped to save lives anywhere in the world.

Last but not least I would like to thank those members of the Club who performed our core activities in the patrolling of Dee Why Beach. Our members performed thousands of patrolled hours, carried out many preventative actions as well as arranging first aid and performing rescues at Dee Why Beach. I would like to thank all members of the Club for their participation in Club activities, their congeniality and their work in education, training, assessment and facilitating as well as officiating at local, Branch, State and Australian championships. They have contributed not only to Club life but to the welfare of the wider community.

The season has been a very successful one. Congratulations to all patrolling members on the fine manner in which the patrols were conducted, particularly on those days where the weather was inclement and the conditions were difficult.

Hon Bronwyn Bishop and Allen Lakeman at the Pub2Pub

Secretary's Report

by Sue Cheney

As Club Secretary and on behalf of the Management Committee of Dee Why Surf Life Saving Club it gives me great pleasure to present the 101st Annual report for the season 2014 – 2015, together with the financial statements and balance sheet for the year ending April 30th, 2014.

Once again it has been an eventful year, and one that has flown by. The usual juggling of family, work commitments and surf club continued but as usual everything eventually falls into place in the end!

Whilst we have had the largest number of members registered for quite a few years, we still struggled a little with patrols this season as many of our lifesavers have many other commitments. I would like to thank all of those patrolling members who kept our beaches safe each weekend. With some challenging weather, resulting in large seas, particularly in April, it wasn't an easy job keeping your eye over the whole beach, especially when the number of lifesavers was not as large as we would have liked on some occasions and some of the visitors to Dee Why Beach are not familiar with conditions.

On the subject of the large seas, thanks goes to Hugh Long and John Caves who, along with others, did a massive job of cleaning up of the debris the storms left around the clubhouse.

I would also like to thank all the Age Managers and helpers who willingly spent their Sunday mornings teaching and guiding our up and coming Lifesavers, the Nippers of the club. Whilst Nippers is about having fun, it is very important that education of the ocean and equipment commences in the early years.

We are also very lucky to have a great group of members who readily give of their time to financially benefit the club by assisting with our fundraising ventures, such as Pub2Pub, Sun Run and Ocean Thunder.

Dee Why was again represented at local, branch and state carnivals with success. The Australian Titles this year included the U14 and U15 Age Group and our touring team included four members from this Youth group, Harley Hannam, Emma Katen, Anthony Molinia and Reuben Sharma. We also had a group of 13 competitors and supporters who made the trip to the World Titles in Montpellier France, in September this year, where Marty Quinn, Peter Sharkey and Wayne Weisse gained a Bronze Medallion in the 150+ Ski Relay and Nanette Crawford gained a Bronze in the 60 - 64 Board and Gold in the Swim. Congratulations to all these competitors for their outstanding efforts.

When plans for the celebration of 100 Years since the landing at Gallipoli were commenced, a suggestion to DYRSL by our past President, Simon Moriarty, to hold the ANZAC Dawn Ceremony at Dee Why

beach rather than the RSL club resulted in the one of the more moving events I was very pleased to witness this season. Twenty of our junior members were part of a group of 14 year old students who lay commemorative crosses at the ceremony. These crosses were to be sent by the War Memorial to be put on the Australian war graves overseas.

Warren Hannam with Dee Why Nippers at the Anzac Ceremony

Later the same day, two of our boats were involved in the 100 Boat Gallipoli landing simulation at Collaroy beach. Both of these events attracted crowds of thousands.

100 Boats for 100 Years at Collaroy

I am very proud to be a member of the Management Committee of Dee Why Surf Life Saving Club. I sincerely thank all the Management Committee and Office Bearers for their wonderful dedication through the year. I am very grateful to President, Allen Lakeman Vice President Matt Molinia, Treasurer, David Lang just to mention a few, who have offered support and advice as well as pointing me in the right direction.

I would also like to thank the girls, Nan Crawford, Tracey Horner, Kathy Sharkey and Anne Yablsey who have generously given their time to help with various catering duties.

There are many others, who are busy with their own work and families but still give their time to so generously to administering, organising, coaching, training, assessing and all those other jobs be they large or small.

These days there is more and more reliance on technology - communicating, organising, informing. I thank Emily Buckle who has taken over the overseeing and updating of the Dee Why Website - with a new version coming in the new season. .

We at Dee Why must be doing something right. A group of 23 Dee Why members attended the Sydney Northern Beaches Awards of Excellence. We were excited to congratulate Matt Molinia who was awarded Trainer of the Year and Adam Hockley who was jointly awarded Young Lifesaver of the Year and then our Club was announced Most Outstanding Club - Education. But the best was yet to come..... we were ecstatic to be awarded 1st Place - Most Outstanding Club 2014/2015 - the second year in a row we were to win the Most Outstanding Club award. A fantastic effort for all.

Trust Funds

Since 1975 when the late Frank Conroy established an anonymous donor fund, the club has been the beneficiary of a number of bequests. Committees of the day have nominated these funds outside of general income either by virtue of conditions attached or a desire to provide for the long term future of the club.

Frank Conroy Scholarship

At the time of his initial donation, Frank expressed the wish that the funds be established to help junior members improve their competitive abilities. To date, grants have been made to junior members to assist in subsidising their costs on professional instruction. In his will Frank hoped, without binding the club, that the funds should continue in this vein. To ensure that Frank's scholarship continues to support junior members, the committee decided to put some restraints on the monies. It was decided:

- Only the annual interest accrued on the capital be allocated for assistance
- Candidates are chosen through selection criteria laid down by the junior and senior club committees.

James MacLachlan Fund

Jim MacLachlan was an associate member of the club from 1955 who on his death in 1981 provided for us as a beneficiary in his estate. No specific conditions were attached to the grant. The funds have been invested and the income has been applied at certain times to defray costs of the club patrol efficiency competition.

Betty Barry Memorial Scholarship Fund

The Betty Barry fund was established by the then Ladies Auxiliary to remember the contribution of their late President and Life Member. The club now administers the fund in similar terms and conditions to the Frank Conroy Scholarship.

Dee Why Surf Life Saving Club Incorporated A.B.N. 39 393 896 380 Notes to the Financial Statements for the Year Ended 30 April 2015

1 Statement of Significant Accounting Policies

The financial statements cover Dee Why Surf Lifesaving Club Incorporated as an individual entity. Dee Why Surf Lifesaving Club Incorporated is an association incorporated in NSW under the Associations Incorporation Act 2009 and the Charitable Fundraising Act 1991.

Basis of Preparation

The financial statements are special purpose financial statements that have been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Associations Incorporation Act 2009 and the Charitable Fundraising Act 1991. The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards as issued by the IASB. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The financial statements were authorised for issue by the members of the committee.

Accounting Policies

Inventories

Inventories are measured at the lower of cost and net realisable value.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses.

In the event the carrying value of plant and equipment is greater than the estimated recoverable amount, the carrying value is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

Depreciation

The depreciation method and useful life used for items of property, plant and equipment (excluding freehold land) reflects the pattern in which their future economic benefits are expected to be consumed by the association. Depreciation commences from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The depreciation method and useful life of assets is reviewed annually to ensure they are still appropriate.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the association commits itself to either purchase or sell the asset (i.e. trade date accounting adopted).

Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Accounts Receivable and Other Receivables

Accounts receivable are recognised initially at the transaction price (i.e. cost) and are subsequently measured at cost less provision for impairment. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

At the end of each reporting period, the carrying amount of accounts receivable and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in statement of comprehensive income.

Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Bank overdrafts are presented within current liabilities on the statement of financial position.

Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Interest revenue is recognised using the effective interest rate method.

All revenue is stated net of the amount of goods and services tax (GST).

Accounts Payable and Other Payables

Accounts payable and other payables represent the liabilities at the end of the reporting period for goods and services received by the association that remain unpaid.

Accounts payable are recognised at their transaction price. Accounts payable are obligations on the basis of normal credit terms.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Interest revenue is recognised using the effective interest rate method.

13 Financial Risk Management

The association's financial instruments consist mainly of deposits with banks, local money market instruments, The association's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable, loans to and from subsidiaries, bills and leases.

Financial Risk Management Policies

The Committee's overall risk management strategy seeks to assist the association in meeting its financial targets, whilst minimising potential adverse effects on financial performance.

Risk management policies are approved and reviewed by the committee on a regular basis. These included the credit risk policies and future cash flow requirements.

The association does not have any derivative instruments at 30 April 2015.

14 Association Details

The registered office of the association is:

Dee Why Surf Club, The Strand, Dee Why NSW 2099

The principal place of business is:

Dee Why Surf Life Saving Club Incorporated A.B.N. 39 393 896 380 Statement by Members of the Committee

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial statements as set out on the previous pages:

1. The accompanying income and expenditure statement is drawn up so as to give a true and fair view of the profit (or loss) of the association including fundraising appeals for the last financial year;
2. The statement of financial position is drawn up so as to give a true and fair view of the state of affairs of the association including fundraising appeals as at the end of the financial year;
3. The provisions of the act, the regulations under the act, and the conditions attached to the fundraising authority have been complied with by the association, and;
4. The internal controls exercised by the association are appropriate and effective in accounting for all income received and applied by the association from any of its fundraising appeals, and;
5. At the date of this statement there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.
6. The accounts and associated records have been properly kept during the year, and
7. Money received as a result of fundraising appeals conducted during the year has been properly accounted for.
8. The principal activities of the association during the financial year were the provision of lifesaving services and no significant change to these activities has occurred.

The accounts of the Association have been made out in accordance with applicable Accounting Standards, other mandatory professional reporting requirements, the provisions of the Associations Incorporation Act 2009 (NSW) and the Charitable Fundraising Act 1991 (NSW).

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Auditor's Independence Declaration To The Members of Dee Why Surf Lifesaving Club Incorporated A.B.N. 39 393 896 380

Report on the Financial Report

I have audited the accompanying financial report of Dee Why Surf Life Saving Club Inc. (the association) which comprises the statement of financial position as at 30 April 2015 and the statement of comprehensive income, statement of changes in equity for the year ended on that date, a summary of significant accounting policies, other explanatory information and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporation Act 2009 and for such internal control as the committee determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Auditor's Independence Declaration To The Members of Dee Why Surf Lifesaving Club Incorporated A.B.N. 39 393 896 380

Auditor's Opinion

Qualification: Donations and Fund Raising Activities

It is not practical for the Dee Why Surf Life Saving Club Inc. to maintain an effective system of internal control over donations and fund raising activities until their entry in the accounting records. Accordingly, my audit in relation to donations and fundraising activities was limited to amounts recorded.

Qualified Audit Opinion

In my opinion, subject to the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial report of the Dee Why Surf Life Saving Club Inc. as at 30 April 2015 presents fairly in all material aspects the financial position of the Dee Why Surf Life Saving Club Inc. and its financial performance for the year then ended in accordance with the basis of accounting described in Note 1 to the financial report and satisfies the requirements of the NSW Charitable Fundraising Act 1991, the NSW Associations Incorporation Act 2009 and the Club's constitution.

Basis of Accounting

Without modifying my opinion, I draw attention to Note 1, which describes the basis of accounting. The financial report has been prepared to meet the above requirements. As a result, the financial report is considered to be special purpose.

Sponsorship Report

by Peter Hatfield, David Lang, Matt Molinia and Allen Lakeman

On Thursday, 28 May 2015 Brookvale Rotary invited members of the Club to attend their awards of excellence night at Lizotte's. Sadly it was the last event that Brian Lizotte was to have in Dee Why. At the night the Club wished Mr Brian Lizotte all the best for his future move to Lambton in Newcastle.

Our two nominees were both successful candidates. Rowena Clarke and Ivor Reeves were both presented with plaques commemorating their work as volunteers for the Club. The Club wishes to particularly thank Mr John Lang OAM, Mr Paul Cope and Mr Ken Snell for their close association with the Club and the wonderful work they do in supporting other charitable and volunteer organisations. We look forward to working with Brookvale Rotary again next season in sponsoring the Pub2Pub. With the change of hands in the ownership of Newport Arms the event may become a Club to Club with a finish taking place at Newport Beach rather than the Arms. We look forward to further developments in this area. Congratulations to Ivor and Rowena in receiving their awards.

Rowena Clarke and Ivor Rees at Lizottes with Mayor Michael Regan

The Club participated in two major events with Brookvale Rotary being the Pub2Pub and Fairfax Events with the Sydney Morning Herald Sun Run.

The Pub2Pub was held on Sunday 24 August 2014 which our volunteers required from 6.00 am although many arrived earlier. Thanks to the team leaders who marshalled the runners Matt Molinia, Hugh Long, Marty Quinn, Sue Cheney, Jessica Cotterill and Ivor Rees as well as our other volunteers who assisted with the clothing drop off and traffic management.

On Sunday 26 October 2014 the Bennett Board Classic was held at Dee Why. The Club wishes to thank Mr Greg Bennett for his continuing support. The Fairfax Sun Run was held on Saturday 31 January 2015 and the Club provided 30 volunteers to assist

with more than 5,500 runners from 4.15 am until the roads were re-opened later in the morning. Out volunteers included Roger Jacobs and Kerry Morris (start marshals), Gary Yabsley (gear drop), Mat Molinia, Chris Inman, Aaron Reilly and the boaties at drink stations.

Club members helping at the Sun Run

A special thanks to Greg Punch and Kerry Morris who organised the Club's participation in the events as well as the many helpers who turned up to assist with marshalling, traffic control, clothing and water on the day.

For the last eleven years the club has worked with Ocean Thunder to put on the surf boat series at Dee Why each year. The four events in November, December, January and February are time consuming requiring a work party and the use of our clubhouse facilities. Unfortunately the organiser of Ocean Thunder and the Club's Committee were unable to agree on the terms of the sponsorships of the Club by Ocean Thunder for next season. It would seem that Ocean Thunder will run the event next season without the assistance of the Club.

Sponsorships

The Sponsorship sub-committee consisted of Dave Lang, Matt Molinia, Peter Hatfield and Allen Lakeman. Grant Marshall helped with Deck Bar and Dining and Ivor Rees with the Big Brother Movement.

The Club would like to acknowledge our sponsors principally Dee Why RSL and Reilly & Sons our major sponsors as well as Dee Why Grand Shopping Centre, Mad Mex Warringah Mall, Active Automotive, Big Brother Movement, Raine & Horne Dee Why and Collaroy, Mason & Brophy, Wavescape Orthodontics, DHL, Grove Building Group, Bennett Boards, Deck Bar and Dining (for the continued support of our touring teams) and Warringah Council.

Steve and Aaron Reilly through Reilly & Sons Food Services have provided a total sponsorship package of over \$86,000 including the new surf boat the "Chaddy" to the surf boat section of the Club. Thank you Steve and Aaron.

Sponsorship Report

Benefactors

Mrs Elaine Bell a local Dee Why resident gave the club \$1,000 in recognition of the Club's patrolling activities. Grace City Church also donated \$2,000.

Grants

Dee Why RSL through its Community Support Program and Club-Grant Funding provided a cash donation to the Club for \$20,000. The Club wishes to thank Mr Graeme Liddell the President and the directors of DYRSL for their continuing support the Club.

Warringah Council's grant to the club this year was \$6,250. This figure has not been substantially increased in recent years. In the Council Annual Report for the 2005 year ten years ago, the grant was \$5,000.

The New South Wales Government Community Building Partnership Program provided \$11,000 for speakers and a monitor for the Northern Training Room. The Club wishes to thank our Local Members the Hon. Mike Baird and the Hon. Brad Hazzard for their support.

Surf Life Saving New South Wales through its state-wide fundraising distribution provided the Club with a cheque for \$7,973.00. The club wishes to thank Mr Tony Haven the President of SLSNSW for his support.

Sydney Northern Beaches Branch

Surf Life Saving New South Wales has asked all clubs to acknowledge DHL and Telstra as National sponsors as well as the Federal Government Beach Safety Equipment Funding, ClubsNSW, the Surf Life Saving Foundation and the NSW Government's 2014 Community Building Partnership Program who have provided funding in which our club has participated.

The Club acknowledged and thanked the members of branch including Doug Menzies, Steve McGuinness, Marcial Nunura, Belinda Dobson and Jen Huston for their support in the Sydney Northern Beaches Annual Report and does so again here. We would also thank those members of our club including Adrienne Lowe and Steve Haggett who have done so much in the Training and Education and Surf Life Saving event competition areas.

Sun Run and Sponsor Banners on the Club Wall

In respect of the branch sponsors we would like to acknowledge Unilever trading as Streets Ice Cream and Lipton's Ice Tea, Ausgrid, The Manly Daily, Westfield Warringah Mall, Cancer Institute, Bill Buckle, URM, Thredbo and Dematic.

Officials' Report

by Various Officials

Every year club members officiate at local, Branch, State and National events and championships.

For the Juniors Jennifer Graves reported that:

Dee Why had 7 new officials attend the Level 1 Officials' Course. These were Darren Armitage, Rob Swadling, Mark MacKenzie, Jason Maher, Jeremy Ferguson and James Green and Jenny Graves; Some of these are yet to be accredited; All of the officials officiated at Junior carnivals throughout the year and most also officiated at Branch and State Nippers Carnivals; Jenny also officiated at most Open carnivals this year as she has a 15 year old and a nipper. She was happy to receive the benefit of working with some long standing officials who were happy to pass on their knowledge, tips etc; Warren and Matt also officiated at most carnivals with Matt holding senior positions at several junior carnivals including the Branch nippers' carnival; Dee Why also had 3 members do the Level 1 Coaching course, Craig Katen, Tracey Sharma and Jeremy Ferguson but none have been accredited yet.

Officials' Report

Matt Molinia reported that he:

Moved up to referee for Branch; Refereed three carnivals, Dee Why Bennett, Queenscliff Junior and Branch Junior; Was U8 Sectional at Newport Junior Carnival; Was U9 Water Sectional referee at Narrabeen Junior Carnival; Wrote all water programs and had the U9/10 Age Groups do both water and beach at all SNB carnivals; Wrote, implemented and managed the water safety guidelines and roster, board, tubes and IRBs, for all Junior SNB carnivals; Wrote and implemented guidelines for warm ups at the Branch Championships; Is working on and attempting to implement an official mentor program that works at carnivals in order to retain officials; Promoted worthy officials into positions and had mentors working with them at carnivals at which he was the Referee.

Mark MacKenzie did three carnivals last year: Palm Beach Branch Championships February 2015; Narrabeen Junior Carnival 11th January 2015; Queenscliff Junior Carnival 7th December 2014

Tracey Sharma although having officiated for several years, is not yet accredited. She officiated at most junior carnivals this year. She mostly helped out being a water judge, and she did the occasional carnival as a recorder. She also did the following carnivals last year: North Curl Open Carnival 28th March 2015, Palm Beach, Junior Branch Championships 22nd February 2015, Narrabeen Junior Carnival 11th January 2015; Queenscliff Junior Carnival 7th December 2014, Newport Junior Carnival 9th November, 2014.

At the senior carnivals:

Greg Punch officiated as an Announcer at carnivals throughout the 2014/15 season at Freshwater Masters; Queenscliff Open Carnival; Manly Open Carnival; Freshwater Open Carnival; Branch Masters Carnival; Branch Open Carnival; State Age Carnival; State Open Carnival; Aussie Open Carnival in the Men's U17 Area, Beach Flags, Presentation Area and the Main Arena Open Belt Races.

Ray Martin officiated at the Bilgola Boat Carnival, Warriewood Boat carnival, Manly Boat Carnival and the Palm Beach Branch Titles.

Grant Marshall officiated at the East Coast Masters as the Area Referee for the Surfboard riding.

Adrienne Lowe officiated as a Judge First Aid Competitions at Dee Why; First Aid Competition and Freshwater; as a judge in Champion Lifesaver at Queenscliff; as judge and wrote the Open and U17 theory papers, at the Champion Lifesaver at North Steyne she was the Carnival Referee and wrote the Open and U17 theory papers. At the Branch Titles at Palm Beach Adrienne was the Sectional Referee Patrol Comp and wrote the theory papers and scenarios as well as being a First Aid Judge, a Champion Life Saver judge, and writing the open U19 and U17 theory papers. At the SLSNSW Championships she was the Sectional Referee for Patrol Competition and wrote the Open Patrol Competition and U17 theory papers and scenarios as well as being the First Aid Chief Judge and wrote the U19 scenario. She was a Champion Life Saver judge and wrote the Open, U19 and U17 theory papers. At Aussies 2015 at Bilinga in Queensland Adrienne as the First Aid Chief Judge for U19 and wrote the U19 First Aid scenario, she was a CLS judge and Patrol Competition judge and wrote the U17, U 19 theory papers and the Open scenario

Allen Lakeman officiated in Champion Life Saver, Patrol Competition and First Aid events at local carnivals at Manly and Freshwater as well as Branch (Palm Beach), State (Ocean Beach Umina) and at Aussies at Bilinga and North Kirra.

Steve Haggett officiated at the First Aid Competition at Nth Narrabeen, he was the Carnival Referee for the First Aid Competition Dee Why, the Carnival Referee for the Junior Carnival Narrabeen, and the Chief Judge for the Interstate Carnival Newport, First Aid Officer for First Aid Competition, Freshwater, and Carnival Referee for the Champion Lifesaver Queenscliff, Carnival Referee for the Branch Titles Palm Beach, and an Opens Check Starter. At the Branch Titles Palm Beach in the Lifesaving Events he was the Carnival Referee and at the Branch Titles Palm Beach – Juniors, he a Chief Judge. At the SLSNSW Championships he as the Sectional Referee for Champion Life Saver, Chief Judge for Patrol Competition and the Chief Judge for First Aid completion for U15, U17 and Opens and a judge for U19. At Aussies 2015 at Bilinga in Queensland Steve was a judge for U15, U17, U19 and Open First Aid and the Chief Judge for Champion Life Saver and for the Patrol Competition he was the Sectional Referee and wrote the U17 scenario.

Officials from various Clubs including Dee Why's Allen Lakeman, Steve Haggett and Adrienne Lowe (third, fourth and fifth from left)

Competition Report

by Margaret Roberts

Taking over as Competition Manager from Phil Thomas was a daunting task. The pressure was on to support the competitors to represent DYSLSC. I was very aware of the effort and commitment shown by Phil for 13 seasons and did not want to let anyone down. I needn't have lost sleep! I have had so much support and encouragement since taking on this role.

I would like to say thank you to all those members who have guided me and worked together to achieve another successful season of competition at Dee Why.

Thank you to the competitors who represented our club at Branch, State and Australian level this season. Competition and training improves the skill level of each lifesaver and it also creates an environment of friendship and commitment. There are many hours spent by each competitor contributing to patrolling, club events, education, coaching, fundraising and administration and the reward is to represent their club in competition.

The competition season kicked off with teams travelling to the Coolangatta Gold to compete in the gruelling event. Throughout the season Dee Why was represented at many of the Branch Carnivals with East Coast Masters being one of the most keenly entered events. The boaties had a busy season as did the U15's. Teams participated in Branch, State (Umina) and Australian (Gold Coast) Titles with varying success. One notable change in the 2014-15 season is the move by Branch and State to hold surfboard riding championships as stand alone events at a later date to main titles.

There is a wealth of knowledge and experience within the DYSLSC community but it is the sharing of that which brings us together. That is the way with Dee Why's competition team, everybody takes a role. Thank You to Carlene Rashleigh who organised team accommodation at Aussie titles, Simon Moriarty who coordinated the IRB crew for Aussies, Warren Hannam, Marty Quinn and Simon Moriarty who took on Team Manager roles at Titles events. Matt Molina

ensured that all the surfguard details were up to date and Grant Marshall organised team uniforms for Australian Titles.

Each of the Section Heads and Coaches dedicate their time and enthusiasm to competition and training. It involves motivating and organising individuals as well as coordinating surf sport equipment and the planning involved in getting to a competition. This includes Aaron Reilly, Peter Hatfield, Warren Hannam, Matt Molina and Marty Quinn; each of their contributions is invaluable.

Anthony Molina and Reuben Sharma

Every competitor that competes at carnivals is supported by club members who take time to represent DYSLSC as officials, judges and IRB drivers and crew, often these roles are mandatory. The decision was made this season to send a professional IRB crew to the Australian titles but all other roles were filled by volunteers. Thanks to every official at each of the carnivals and Branch, State and Aussie titles including but not limited to Simon Moriarty, Greg Punch and Steve Haggett. Behind the scenes there are many Dee Why members who help coordinate the events, officials and competitors throughout the season including Steve Haggett in lifesaving events.

The 2015 Australian Titles were held on the Gold Coast. A total of 14 Opens and 8 Masters competitors joined the team at Aussies including 2 boat crews and the lifesaving team of Lowe and Lakeman. Achievements include Daniel Rashleigh 4th U17 Male Surfboard Riding, Matt Molina 14th place in 2K (40-44) Beach Run, Geoff Horner 3rd 50+ Mixed Mal and 2nd 50+ Surfboard Riding. This year saw 4 competitors in the Youth division with Rueben Sharma a creditable 10th in U14 Male Beach Flags. Well done to the Youth contingent.

Special mention for the Lifesaving Team of Adrienne Lowe and Allen Lakeman who achieved 3rd place in Open First Aid competition at the Australian Titles. This followed on from 2nd at State Titles which allowed them to qualify to compete at Aussies. Congratulations to Adrienne and Allen who are a dedicated and well honed team who continue to dominate.

Training and Education Report

by **Matt Molina**

The focus for the 2015 season was quality over quantity. The aim of the Education Department was not to put a large volume of members and new candidates through awards but rather to encourage new and existing members to pursue a pathway in surf lifesaving that they were passionate about and well suited to.

After enduring the task of updating and maintaining the skill levels of the existing patrolling members last season, the Education Department moved into the next phase of developing and strengthening our patrol groups. This was implemented by assessing the weaknesses and potential in individual patrols and with the help of the patrol captains encouraging members to upgrade their skill set and achieve higher awards suited to their interests and abilities in order to create redundancy in the patrols.

Proficiencies and Assessments:

The running of proficiencies is always a challenge. With the enforcement that all proficiencies were to be done by 31st December and that special permission was required in order to do a proficiency after this date, it was imperative that all patrolling members and competitors were catered for. Many of the proficiencies, both wet and dry were scheduled to be run between patrol changeovers giving the opportunity for both the morning and afternoon patrols to complete their proficiency. IRB proficiencies were run regularly by our assessor team of Darren Armitage and David Spink who were flexible in catering for members needs. It was decided that in order to cater for many of the competitors, especially those who were long serving, that proficiencies were run in conjunction with Sunday morning events. This was well received by the membership and not only got members proficient but exposed many members to competition. The booking system for proficiencies was much more effective this season after a trial by fire last season. Once again our Assessors, Adrienne Lowe, Steve Haggett, Greg Punch, Allen Lakeman, Vivienne Creswell stepped up to the task and assisted in the smooth running of this task. Not only did our team of assessors get through the proficiencies at Dee Why but were instrumental in the new course assessments run in the central venue format. Hundreds of candidates were assessed in Bronze and the higher awards throughout the season. Leading up to Christmas, I don't believe there was a weekend that Steve Haggett or Adrienne Lowe were not involved in an assessment on the beach somewhere on the northern beaches.

Courses:

Following the same successful format as last season, early in the season 16 Under 14 members became new SRCs in an intensive course over the long weekend. As a group full of enthusiasm and camaraderie, not only did they do their rostered number of hours but

many stepped up to do additional patrols and water safety whenever asked and managed to exceed 100 hours of patrolling.

SRC Training Group

In order to better prepare our SRCs for patrolling and for doing their Bronze Medallion, all the new and existing SRCs completed a Radio Operators Course, an additional skill that they all enjoyed learning about and attaining.

A new format course was run for our existing SRC's over the same weekend upgrading them to their Bronze qualification. As these members were accustomed to the intensive short format and had still retained their skills from their SRC course the format worked well and all were successfully assessed a week after starting the course.

We are always looking for new members to do their Bronze that have a vested interest in the club. This season a special course was tailored to cater for our Nipper parents that wanted to become role models to their children and help out more. Several of the candidates were somewhat inexperienced in relation to the surf environment. All the candidates worked very hard to achieve their goal and overcome obstacles during the course whether it was achieving the pool swim time, board skills and negotiation the break or getting their resuscitation aid first aid up to standard. The group all proudly achieved their Bronze Medallion and will strengthen the patrolling and volunteering base of the club

Nipper Parent Bronze Group

Training and Education Report

There were 2 other successful Bronze courses run during the season in squad format, one at the start of the season and this season we managed to run one after the Christmas break, once again boosting our patrolling numbers and strength with new committed members.

In order to strengthen patrols and keep the members in those patrols moving forward and advancing, higher awards such as Senior first Aid, ARTC, Spinal, IRB Driver and Crew and Basic Beach Management were put forward. With the assistance of the Patrol Captains and by mapping new awards with individual's skills and passions, several members were asked to update their awards. In excess of 50 new higher level awards were achieved taking pressure off individuals in patrols who were the only ones who held the awards. It also created pathways for new patrol captains to be mentored.

Our IRB group lead by our IRB captain Ron Tyson saw a need to upskill many of our crew members to drivers. Seven new drivers went through a very intensive course in order to prepare themselves for the assessment. Several of the assessments were cancelled due to the conditions not being challenging enough but eventually when the time came, the conditions were well and truly challenging and our new drives proved themselves well and truly capable and prepared.

completed the Gold Medallion assessment consisting of several tasks. An 800m timed swim in under 14 minutes. To complete "the Mission" in under 25 minutes which entailed a 400m ocean swim, 800m run on the beach, 400m board paddle through the surf and finishing with another 800m run. A complex board and tube rescue in the surf followed by a scenario testing all their skills and their ability to remain calm and act in a difficult situation. All the members proved well and truly prepared up to the task and proudly represented Dee Why.

Gold Medallion members at the Assessment

The Future:

The Education Department will continue to promote collusion and communication between themselves and the patrolling members in order to build a stronger patrolling base with members' interests being constantly identified and expanded. The ultimate goal would be to have all patrols with a minimum of one redundant member for each of the higher awards and a qualified patrol vice captain who is ready to step in at any time as required.

New and existing members will continue to be selected by identifying those who have an interest in advancing their skill set. Members identified with a natural aptitude will also be encouraged in order to maintain enthusiasm in the club. This process will be complimented by assisting these members in achieving their goals via a mentoring process both on patrol and outside the patrol using interests in competition and even in training and assessing.

New IRB drivers in Assessment Conditions

For the first time since 2002 a group was put through their Gold Medallion assessment. A group of youth and senior members were handpicked and asked to start the journey towards attaining the highest award in surf lifesaving. After the arduous task of ensuring that all pre requisite awards were up to date, current and proficient the members were put through several training runs to ensure that they were aware of the physical challenges ahead of them. A total of 8 members (a proficiency for 2 of them) successfully

Club Captain's Report

by Ben Davies

I begin my report on the 2014/15 season by thanking my Vice Club Captains for their support throughout the season. They were Dave Spink, Rowena Clarke, Zac Dibben, Greg Punch, Peter Firminger who as always gives us his strong support on the beach and in particular Hugh Long who took over patrol clothing along with joining our training team.

Along with this I was spoiled this year by having Ben Miller and Jacqui McLeod help me by entering the Patrol Log entries into Surf Guard. This is a very time consuming role especially to an old computer hack like me.

I must also make mention that our long serving Radio guru Ross Gammidge stood down during the season to move up to Ourimba to enjoy his retirement. I would like to take this time to thank him for all his efforts throughout his tenure and add he was always helpful, friendly and professional in everything he did and we wish him well. Stephen Polley willingly stepped up to take over the radios and devotes a lot of his own free time to work in the radio room at Surfcom amongst other voluntary pursuits.

Our first hurdle of the season was our gear inspection. This went fairly smoothly thanks to our hard working team with a minor problem of a missing first aid kit and oxygen unit, which was replaced.

On to our first patrol of the season which was a major mistake given I got the start weekend wrong. An extra weekend was added to the previous lifesaving calendar and with the patrol roster already out and uploaded to both our web site and Surfguard I had to scramble the first weekends patrol team. It was great to see that many helped out and I would like to thank all those who were involved to get the season up and running.

Like most seasons the proficiencies are always the first hurdle. Matt Molina, our Chief Instructor, got things moving with most patrol members taking up the challenge early. However, as always we had stragglers right up to the 31st of December, the cut off date. This season SLSNSW along with Northern beaches Branch have taken over the late proficiencies. Those not proficient by December 31 have to present to a venue selected and supervised by SLSNSW, and not on our beach, so I would recommend to get in early, get it done and not put it off.

Matt and his experienced training and assessing team made up of Bruce Richardson, Vivienne Cresswell, Allen Lakeman, Adrienne Lowe, Steve Haggett, Greg Punch, Dave Spink, Darren Armitage, Ron Tyson and Rowena Clarke along with probationary recruits of Hugh Long, Adam Hockley, Jack-Henry Bryant, Iain Ayres, Herve Vichemont and Karen Thompson worked with new candidates in training groups that were put together during the course of the season. To their credit most candidates achieved first up success and are now part of our Patrol Team at Dee Why.

A number of our members this season took Long Service and stepped down from patrols. I would like to thank them all for their substantial effort and dedication they put in and wish them well in other pursuits. These included Steve Haggett, Adrienne Lowe, Kate Fletcher, Pieter Boer, Matt Weisse and Rowena Clarke.

I would like to take time to thank the Patrol Captain teams who stepped up this year to lead our Patrols in the varying activities on our beach they were as follows.

Patrol No.	Captain	Vice Captain	Patrol No.	Captain	Vice Captain
1	Tim Wainwright	Gloria Nassif	2	Joshau Hatfield	Benjamin Dean
3	Jason McBride	Iain Ayres	4	Zachary Dibben	Adam Hockley
5	Steve Richards	John Benson	6	Ben Davies	Tim Parker
7	Ron Tyson	Nick Webster	8	Justin Sharkey	Robert Cheney
9	Jack-Henry Bryant	Matt Weisse	10	Mark Williams	Jason Everett
Active Reserve A	Warren hannam	David Lang	Active Reserve B	Darren Armitage	Dave Spink
Active Reserve C	Ivor Rees	Jon Thompson	Active Reserve D	Ian Nicol	Allen Lakeman
Active Reserve E	Peter Hatfield	Wayne Weisse			

Christmas and New Years day came and went with our many Patrolling members giving their time to keep the beaches safe.

Club Captain's Report

The back half of the season, right down to our final patrol day, was a difficult time as we had an unusual amount of "no shows" in our patrol roster making it hard to have the required numbers on the beach. We had to scramble at times to provide enough members to keep the beach open, grabbing many members who were relaxing and enjoying the beach for themselves. I would like to thank the many who

slotted in when asked or who provided help when needed as many of these members go unthanked for all their efforts. The alarming amounts of "No Shows" on the patrol log are of some concern as it increases the pressure on our Captains and patrol teams. Some are using Facebook to try and find substitutes but not following up to ensure they get a replacement. Also some who have found a substitute for their patrol missed out on 100% patrols on the presentation night due to the need for them to sub back. As I mentioned on the night at times the patrol logs were poorly filled out by either members not indicating that they were doing a sub for someone or that they were in fact paying it back.

Our 2014/2015 Presentation night was well attended with most enjoying the evening judging by some of the comments given to me. We again used the DYRSL club as an

appropriate venue not only providing a comfortable room to hold the event but provide refreshments at a reasonable price. Special thanks must go to Matt Molina who put in a huge effort to make the night as it was. Also a thank you to Sue Cheney and Justine Head who assisted. The awards as follows:

100% Patrol Attendance			
Timothy Wainwright	Ben Davies	Zoltan Klinger	Allen Lakeman
Gloria Nassif	David Wakeling	Marian Matus	Chloe Lynch
Graham Whitehead	Connor Tyson	Jacqueline McLeod	Ian Nicol
Mark Williams	Ron Tyson	Matthew Molina	Gregory Punch

As it was last season it's the membership that makes our Club strong and moving forward. Such strength again sees us winning the Branch "Club of the Year" also our members being honoured like Matt Molina "Training Officer of the Year" and Adam Hockley "Young Lifesaver of the Year". In closing I would like to thank the Management Committee for supporting the patrolling members in their endeavours and finally the Patrolling membership who make the effort to give their time to make Dee Why Beach safe. Hope to see you all next season cheers

Lost Children: 11

Boat Report

by Willis Casey

The 2014/2015 season in the Dee Why boat section was another building year with a competing A crew and Reserve crew, named the "Reilly and Sons Daisies" and the "Jungle Touches", as well as a developing Junior crew.

The A crew, swept by Shaun Stacey, competed throughout the year in local events and the Ocean Thunder series.

This season unfortunately was another slow start and results in the Ocean Thunder Series were limited with a different second stroke in every series event, causing the crew to struggle to gain momentum and make an impact in the arena.

For much of the season the A crew were without a second stroke as early on in the piece the crew struggled to gel as a unit because of clashing commitments. This unfortunately resulted in second stroke Brett Babicci leaving the crew. Babicci shared his experience with the young A crew, comprising of Scott Cable (stroke), Jay Yeomans (second bow) and Willis Casey (Bow), teaching them the meaning of mongrel and the hard work needed to be competitive when rowing A's.

At the tail end of the season Grant Conran joined the A crew and brought another element of experience rubbing off onto the younger members of the crew. Leading into State and Aussies the crew started gaining some momentum, but it wasn't meant to be for the 2014/15 season with no results at either State or Aussies. The crew plan on developing on what they learnt from this season and come back prepared, as better, stronger, and in sync rowers, ready to give the 2015/16 season a good nudge.

In contrast, the Jungle Touches, comprising of Shaun Stacey (sweep), Aaron Reilly (stroke), Dan McMillan (second stroke), Justin Lowry (second bow) and Simon Fraumeni (bow) saw some impressive results having only competed in 4 carnivals. With the majority of the boys coming out of retirement, they were quick to prove that they hadn't lost their touch with a win at their first carnival back, the Queenscliff carnival. They were a hot topic on the beach throughout the tail end of the season and rightly so

with wins in the majority of their heats at both State and Aussies. Unfortunately for the boys, bad alleys in both elimination rounds at State and Aussies saw the Jungle Touches get knocked out before qualifying for the Quarter Finals at State and the Final at Aussies. For the Jungle Touches it must be noted that their Aussies campaign was not an easy one, rowing in ten races over the weekend just to fall short of the Final. This has only fired the crew up and they're ready to prove themselves again during the 2015/16 season.

The developing Junior crew, swept by Tom Wilson, showed extreme enthusiasm training twice a week throughout the season and achieving their bronze medallion in preparation to compete in the 2015/16 season. The Dee Why Boat section is looking forward to the boys joining the club as the Dee Why boat section develops further.

MVP in the boat section is awarded to Grant Conran, who jumped in the A crew out of position with short notice, following an ankle surgery only a few months prior. His commitment to training coupled with his experience proved he was a true asset to the crew and the boys are very thankful, as without Grant the A crew would not have completed the season.

Our sponsors, Reilly and Sons Food Services and Riverina Milk, have been a fundamental part of the Dee Why Boat Section for the last two seasons. These sponsors have funded the upgrade in the boat section's equipment, including new trailers, oars, and rowlocks, the refurbishment of the Dave 'Langy' Lang boat, and the purchase of a new boat, named the Nelson 'Chaddy' Chad. Additionally, Reilly and Sons and Riverina Fresh help the Club fund the representation of Dee Why in the Ocean Thunder series. Steve, June and Aaron Reilly have performed above and beyond expectations to rebuild the club and all rowers are extremely thankful for the generosity and support they have received. We look forward to an ongoing relationship with Reilly and Sons to develop the boat section further.

A special thank you additionally goes out to the Dee Why Ocean Thunder Series work party, who every morning and evening of the four events set up and packed up the beach. The Dee Why work party do an excellent job and without you the Ocean Thunder Series would not be the national event that it is today.

Board and Ski Report

by **Peter Hatfield**

The 2014/2015 season has been one of development and consolidation for our club.

As many of our Open competitors find the demands of career and family cutting into valuable training time, we have had a lean year for Open carnival attendance and have handed the responsibility for representing the club to our Cadets who have taken up the challenge.

Emma Katen, Meg Partridge, Charlotte Durban, Harley Hannam, Trent Burtneil-Rayner, Anthony Molinia, Reuben Sharma, Connor Tyson, Harley Hannam, Otto Prowse, Lachie Short and Billy Flick have been training hard this season to improve their skills on both the board and ski. Mondays, Wednesdays and Saturdays with Marty Quinn passing on the board skills and Sundays for club events have been well attended by those wishing to get some race practice in.

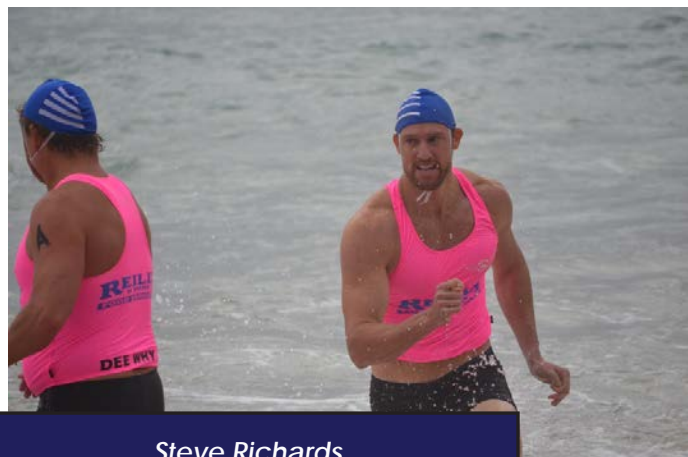

This Autumn we initiated our learn to paddle ski classes, with up to 10 cadets attending our weekly training sessions at either Narrabeen Lake or Manly Dam.

This is by far the hardest craft to master on the ocean so starting early is the key. Sessions have progressed from no one being able to sit on a ski to regular 5 and 6 km paddles. Some have even mastered the jump start - another skill best learned whilst young and fearless.

Our Club's Masters team has been at full strength and has attended the Freshwater Masters, East Coast Masters, Branch, State and Australian Titles. Competition is well contested and Masters carnivals are alive and well with tough competition in all disciplines. Past Iron men Grant Kenny, Trevor Hendy and Scott Thompson are still extremely competitive and an Aussie medal seems even more elusive, however, this only adds to the excitement of the carnival as competitors attempt to beat the sports legends.

home with a Bronze medal. Great work considering that they have only been paddling 3 years, and proof that its never to late to start.

This season our youngest Master Steve Richards also preformed above his expectations for his maiden year and proved himself more than capable in the swim and board. Steve also picked up a Gold medal in the 2km beach run at State, proving his ability on the sand. He has also attended our learn to paddle ski sessions this year and has his eyes set on conquering the Coolangatta Gold one day.

Steve Richards

I would like to thank our Coaches Marty Quinn for his continuing support and Warren Hannam for doing the hard yards in getting our cadets up to speed for the tough transition to Open carnivals.

I feel that our Board and Ski section is giving the club's Cadets and Juniors a pathway to improving themselves as competitors and members of the club.

My goal is to reverse the trend of talented competitors leaving Dee Why to become part of larger clubs and to retain competitors who will encourage and mentor our juniors along the path they have already followed.

Big thanks again to the Deck Bar for the great Touring Team gear and to Reilly and Sons Food Services for the pink rashies.

Marty Quinn

While I am on the subject of legends the team of Marty Quinn, Wayne Weisse and Peter Sharkey competed in the World Surf Life Saving Championships and came

Geoff Crittle

Nipper Report

by Warren Hannam

The Nipper 2014-15 season with the sun shining and great surf conditions allowed all the children to regain last season's confidence and skills. Our carnival season started within a few weeks of Nippers commencing and we saw some great results. Our first carnival was the Queenscliff Beach only event in October followed by Dee Why Bennett Carnival, Newport JAC, Bennett Junior Ironman Challenge Freshwater, Queenscliff JAC, Narrabeen JAC, Nipper Nationals Manly, Branch Palm Beach, State Titles Umina, and Australian Titles North Kirra and we finished in May with Branch Surfing at Palm Beach.

This being my second season I personally found the job much easier. I had lots of support from Jenny Graves our fantastic secretary, and with the help of a very supportive committee it made the role of Nipper Coordinator much easier than last season. I would like to take this opportunity to thank each member of the committee and Age Managers for their time and effort they put into the season.

I would also like to thank the water safety team led by Cam Wyllie for the many hours they spent in the water making it possible for the children to get wet each week. Some weeks Cam and his team had to be very creative with new ways to educate our Nippers due to the surf conditions.

We saw another group of Under 14 Nippers take the next step within our club and successfully complete their Surf Rescue Certificate (SRC). This was an extremely proud moment for me as this year it was my age group. It was also the largest group of SRC candidates that Dee Why Surf Club has ever had. I have had the pleasure of teaching some of these children since the Under 6's including my own son Harley. The Under 14's are a great bunch and I look forward to seeing them involved in the club for many years to come.

2015 SRC Crew

As in previous years the Under 14's were interviewed by a panel of senior club members for the opportunity to represent Dee Why Surf Club as our Junior Lifesaver of the Year. The presentations by all candidates were excellent with Charlotte Durban and Reuben Sharma being chosen to represent Dee Why. Both Charlotte and Reuben put a lot of effort into their presentations and did us proud on the day.

Junior Lifesavers of the Year Candidates
Reuben Sharma top left and Charlotte Durban top right

that attended thoroughly enjoyed themselves. We had the opportunity to attend the Country Diving Championships at the Orange Aquatic Centre and were even lucky enough to be given diving lessons from some of the coaches.

Dee Why Nippers were also invited to be part of the town's Australia Day march and undertook interviews on radio and television. We hosted Orange at the end of our season and unfortunately it was only over a weekend so the Orange numbers were low but those that attended certainly enjoyed themselves.

BBM Junior Development Camp 2015

This year due a communication breakdown within the club we did not hold the JDC over the Australia Day long weekend as we have done in previous years. So instead a very small group went to Orange to celebrate Australia Day in the country. The benefits of the Junior Development Camp cannot be underestimated as it provides both Dee Why Nippers and Orange Bush Nippers with great experiences. This year Dee Why Nippers had the opportunity to experience Royal Life Saving skills from the dedicated team at Orange. The children were provided with training in survival strokes, handling life jackets and how to escape from under an overturned sail boat. We stayed in town at the Scout Hall which is something we had never done before and those

BBM Junior Development Camp

Nipper Report

Nipper Parent of the Year was awarded to Jenny Graves and she was certainly deserving of the award. I believe Nippers would not function as smooth as it does without her help. Jenny also accumulated four years worth of carnival points within her first season of being an official.

Jenny Graves - Nipper Parent of the Year

Age Managers 2014/2015 Season

Under 6	Anthony Peake and Noelle Sadinsky
Under 7	Herve Vichemont and Paul Bruce
Under 8	Matt Molinia, Justine Head and Ron Tyson

Australian Championships North Kirra April 2015

The last competition some of the older kids participated in was the Australian Surf Life Championships better known as 'Aussies'. This was the centenary of the championships so for the first time they allowed under 14's and named it the Youth Championships. Four of our kids went to Queensland to experience this iconic competition and had a great time. Reuben Sharma was fantastic in his best event, the beach sprint coming in 5th in the semi final by the narrowest of margins and that left an eight man final so gave him a top ten finish which is a great result. The next day was the hotly contested flags. Reuben made the final of the flags - another top ten finish and overall great performance. Harley Hannam also from the under 14s paddled hard but the competition was incredible. Emma Katen and Anthony Molinia competed in the under 15s but also found the competition hard as it was not only the best from our beaches but from all around Australia. Two days of competition done and it was over to the board riding events. Unfortunately the kids didn't get to surf Snapper but moved further north to Miami beach where Emma made the semi final and Harley making the quarter finals which were both very good results as the kids have done very little competition surfing and will be much better for it in there next surfing events! Good job all around, you made your club very proud! Another great display of surfing also saw Daniel Rashleigh make the final of the Under 17 board riding, just missing out on a medal.

Nipper Report

2015 Dee Why Competitors

Under 8:- Annabelle Arango, Braiden Backhouse, Jamie Backhouse, William Beatty, Kate Bolstad, Dane Champman, Samantha Cormack, Brook Derz, Elle Dunkley, Tristan Ishac, Cairo Janssen, Oliver Miles, Michael Molinia, Nicholas Muller, Geroge Pearce, Lynn Pearson, Cooper Read, Keaten Ronge-Smith, Jack Singer, Ruby Templeton.

Under 9:- Aiden Armitage, Isabelle Bailey, Matthew Beavis, Bradon Crichton-Browne, Jack Farrell, Brook Frew, William Humel, Sampson Illic, Creel Janssen, Peter Jeregui, Sofia Keane, Sam Maher, Dylan MacKenzie, Riley McLaren, Miroslav Yeach, Zaria Moujali, Jenna Murphy, Nicole Peake, Madison Sporer, Jasper Swadling, Swann Willich,

Under 10:- Bronte Backhouse, Max Cooper, Abigail Green, Leon Pearson, Fred Serisier, Oliver Whitehead, Finn York.

IRB Report

The 2014 – 15 season has been my first year in the role of IRB Captain and has been successful, only because of the efforts of a great team, so firstly a big thankyou to everyone involved in every aspect of patrolling, training and maintaining the IRB's this season. Since the beginning of last season the IRB's have been in the water almost every weekend either patrolling or training and the intention is to continue this practice throughout the off-season.

We also saw the compulsory wearing of life-jackets for drivers and crew in Surf Lifesaving, while this move was not welcomed by everyone, it has been accepted and implemented by all. We are continually working on ways to improve the safety of all our members and this will involve the continued testing of new equipment and strategies to make our roles safer and more efficient.

At the beginning of last season it was obvious that the club needed to train more drivers to cover patrols so this was our priority. We ran two drivers courses and 7 drivers completed their training (sometimes in testing conditions) and are now ready to be utilised by the club this coming season. Included in this latest group of drivers are 3 of our female members who showed that they were just as capable as their male counterparts in the role of IRB driver, I plan to continue the trend in what has been often a male dominated area of Surf Lifesaving, well done everyone.

We also had six new IRB crew achieve competency, with the average time to train a crew person 6-8 weeks and the average time to train a driver 10-14 weeks. These results can only be achieved with the dedication to a team of special individuals who were willing to get up early every Sunday morning to help train. A special thankyou to our trainers David Spink, Matt Molinia and Darren Armitage as well as our probationary trainers Iain Ayres, Marian Matus and Herve Vichemont.

During the season the IRB's were called upon to do numerous rescues and preventions as well as water safety for Nippers, proficiencies and a number of special events on our beach as well as others including the 100 boat event at Collaroy to commemorate the centenary of Gallipoli. This workload takes its toll on our equipment and as such we decommissioned and sold 1 of our hulls and a motor, to keep our equipment level up

we purchased 2 new motors with money generously donated by the Chill Bar, thank you for your continuing support. It also takes a lot of maintenance to ensure all our equipment performs in all conditions and once again we are grateful to have the services of our in-house IRB mechanic Matt Crossley.

Patient Handling practice

During the off-season we have continued with upskilling training or race training almost every Sunday morning 7.00 – 9.00. Anyone is welcome to come down and participate if you have your crew or driver proficiency, and if you haven't but want to find out more please come and chat to any of us. With a new influx of keen participants the Black Ducks (our racing team)

will be committing to compete in all rounds of the IRB racing calendar this time next year. We have had new drivers and crew training and are just bringing on-board new people training as patients to complete the team, again if this interests you please come see us.

A special mention also to Marian Matus who took over the role of IRB Nipper Co-ordinator from me. Without his effort in making sure there is a Driver and Crew rostered for nippers every week their water activities could not run, please support him this coming season by volunteering at least once during the season.

This year was we had the unenviable challenge of recognising two of our team for the award of IRB driver and crew of the year awards, to be honest there were so many worthy candidates that it was very difficult to select and we had a number of people who put in so much effort patrolling assisting and training, this year the IRB driver of the year award went to Iain Ayres who not only performed his duties

as IRB driver on patrol but also has committed to water safety and is at the club every Sunday morning to assist in training new candidates. The IRB crew of the year went to Adam Hockley who has consistently helped out on his patrol plus water safety and many voluntary patrols when they were short of a crew person, he has also gone onto gaining his IRB drivers and again putting in many hours of assistance towards the club in that role as well.

This coming season we will continue to grow the number

of Drivers and Crew and also implement training for the existing members. Our success is not due to any individual but to a number of members in the club who have combined to make a strong IRB team so once again a big thank you for all your help and continuing effort.

See you all on the beach
