Vale

Vale - Steve Reilly

Steve "The Beaver" Reilly as a young man had two great sporting passions. He played first grade Rugby League for both The Manly Sea Eagles and South Sydney Rabbitohs throughout the 1970's and also loved the sport of Surf Boat Rowing. Steve won two Australian Junior Surfboat titles with the Freshwater Club and continued to compete in Surfboats for many years winning many State and National medals along the way.

Steve has been a longterm supporter and sponsor of many Surf Lifesaving Clubs over many years, his generosity through Surfboat Sponsorships over these years has been estimated to be in excess of \$2.5 million. Steve took interest in Dee Why SLSC in 2014 and continued to provide financial support of all things Surfboats to this day. This included purchases of two brand new fully equipped Surfboats and trailers, countless sets of oars, tents and clothing. Without this support Dee Why would not be the Surfboat power that we have now become.

Steve is also remembered for his passionate opinions that he was happy to share with everyone and always loved a good debate.

Sadly on 23rd March 2019 Steve passed away just a couple of weeks short of seeing his favoured Dee Why boat crews soar to success at the Aussie titles at Kurrawa Beach in April.

Our thoughts are with his beloved wife June (Squirrel) two sons Shaun and Aaron (The Boof), daughter in laws Jasmine and Sarah Jane and 5 grandchildren Charlotte, Jack, Allie, Ava and Molly.

From all of us at DY SLSC, RIP We miss you Beaver YGFM.

Vale - David Sinclair

David Sinclair (Sinkers) joined Dee Why Surf Club in 1966 and gained his Bronze Medallion that year. He was a patrolling member, gaining his 25 Year Patrol Service Award. During the time of his membership he held committee positions including Gear Steward and Race Secretary. He was Assistant Gear Steward for the 1975 Australian Titles at Dee Why.

David also gained his Surf Official Award and officiated at all levels of the Association. He was awarded SLSNSW Competition Official of the Year in the 2006/2007 season. He also coached all levels in March Past for Dee Why.

In 2009 David was awarded his 40 Year Long Service Award and in 2010 he was awarded Distinguished Service of the Club.

To David's family we offer our sincere sympathy.

Vale - Noel Fox

Noel commenced his Surf Life Saving career in Manly, where he obtained his Bronze Medallion and Instructor's Certificate before moving to Dee Why.

He held committee positions during his time at Dee Why including Assistant Treasurer.

He was a dedicated Patrol member, receiving his 25 Year National Patrol Service Award and in 2009 he was awarded his 50 Year Long Service Award.

To his wife Teresa and his family we extend our sincere sympathy.

Vale - Brian Fletcher

Brian Fletcher gained his Bronze Medallion at Bilgola Surf Club in 1950 where he was a foundation member. He was a keen Surf Boat Rower and a dedicated early morning swimmer.

He joined Dee Why Surf Club in 1969 as an Associate Member. Brian donated equipment to the First Aid room at Dee Why Surf Club.

To his wife Beverley and family we extend our sincere sympathy.

Life Membership

2017/2018

Allen Lakeman joined Dee Why Surf Life Saving Club in 1996 and since that time his passion and dedication has been evident in all aspects of Club life.

He has gained over 64 awards including Silver Medallion IRB Driver, Silver Medallion Basic Beach Management, Bronze Medallion, Advanced Resuscitation Certificate and Senior First Aid Certificate to note a few.

Allen has been a patrolling member since gaining his Bronze in 1997, and stepped up to fulfil the position of either Patrol Captain or Vice Captain each season since 1999. Allen has patrolled in excess of 750 hours since 2003, when Surfguard commenced recording hours.

His dedication and involvement didn't stop there. Allen gained his Surf Official Level 1 in 2001, his Training Officer Bronze Medallion in 2009 and his Assessor Bronze Medallion in 2014. He has been training Bronze groups since 2008 and Assessing proficiencies at Club level and Assessing Bronze exams for Sydney Northern Beaches Branch since 2014.

His enthusiasm has been shown in his officiating at nipper events, local carnivals as well as State Championships and Australian Championships since 2001.

Allen has shown his commitment to the Club by holding a variety of Committee positions within the Club. He has been Honorary Legal Officer for every season except one since 1997, he was the Nipper Coordinator in 2002/2003, Child Protection Officer from 2002 to 2007, the Nipper Secretary in 2004 and 2005, Club Secretary in 2009 and 2010, Club President in 2005 to 2007 and 2014 to 2017 and Deputy President in 2017 and 2018.

As well as Committee positions Allen was also on the Nippers Committee, Building Committee, Sponsorship and Marketing Committee and was Chair of The Constitution and Rules Committee.

Allen, in his legal capacity, represented the club in court appearances and legal proceedings, assisted with council meetings regarding club renovations and drafted various manuals and handbooks.

On Branch and State levels, he was also appointed to the Selection Panel for NSW Life Saver of the Year and NSW Life Guard of the Year in 2012 and Chairman of the SLSNSW Appeals Tribunal in 2014. As Club President he was on the Sydney Northern Beaches Board of Management in 2005/2007 and 2014/2017. He was also a Member of the Board of Education and Board of Surf Sports in 2014/2017.

Allen's passion for competition is in the First Aid and Patrol Area, where he has gained State Bronze, Silver and Gold Medals as well as an Australian Bronze Award in First Aid Competitions, a Silver Medal at Branch in 2013 for Patrol Competition and Silver at State in 2018 for Open Champion Lifesaver.

Allen was awarded Outstanding Service in 2008, Distinguished Service in 2015 and is the worthy recipient of Life Membership in the 2017/2018 season.

Prominent Service 2017

Dannealle Hannam

Dannealle joined the club 9 years ago in 2009 when her children joined as nippers and was actively involved throughout her time as a member. She held awards including First Aid, Age Manager and Level 1 Official. Even though not a Bronze holder Dannealle actively patrolled as an award member ensuring she attended all of her patrols. She patrolled in excess of 170 hours over 5 seasons.

Dannealle was an Age Manager and active on the Nipper Committee where she continued even though she did not have a child in Nippers. Dannealle not only ran the BBQ as Coordinator for the Nipper Sunday events but also for all other events including Ocean Thunder and fund raising activities. She assisted at all club fundraising functions and events and assisted in their management including the Pub2Pub and Sun Run events. Dannealle could be seen (and heard) at nearly all club events and was a big promoter of the social side of the club. She held the paid position of Club Administrator until her passing in July 2018. The time and effort that she put into the club prior to holding this position and whilst holding the position were over and above and for this exceptional effort she is a worthy recipient of a Prominent Service Award.

Service Awards 2017

Prominent Service 2017

Emily Buckle

Emily has been a member for 5 years, joining in the 2013/14 season. She holds several awards including Bronze Medallion, IRB Crew, IRB Driver, ARTC, Spinal Management, Silver Medallion Beach Management and First Aid.

Since joining and doing her Bronze, Emily has gone over and above just being a patrol member. Emily stepped up after only 2 years in the club and took on an administrative position on the Management Committee as the Website Designer and Social Media Coordinator and in 2017 was part of the Chief Training Officer team on the Management Committee as the Training Coordinator.

Emily has put in hours of work redesigning and redeveloping our website and has done a fantastic job. So much so that other clubs have contacted her for advice on their websites. Any information forwarded to Emily for the calendar or the website seems to appear immediately, regardless of the time of day. With just a phone call things are updated and nothing seems too much trouble.

Emily was nominated by Dee Why for the Administrator of the Year at Branch 2015/16, was the Senior Clubperson of the year 2015/16, has been in the top ten female patrollers in the club for several seasons and was a member of the Patrol of the Year. She herself has patrolled 245 hours over 5 seasons.

Emily's overall attitude and welcoming personality make her great to deal with and an inspiration to all those on the beach that have any dealings with her. She is a very well deserving member for this award and shows that commitment and enthusiasm rubs off and encourages others.

John Collins

According to SurfGuard records John has only been a member at Dee Why for 6 years, however, John has actually been involved for more than 10 years when he and a small group of keen parents from Orange came to Dee Why for the BBM Junior Development Camp (JDC). The Orange group then took a weekend camp at Dee Why a step further and started the Orange Bush Nippers with John as President and Liaison to Dee Why Surf Club. Because of this we now have a large contingent from Orange who are active patrolling members with John leading by example. John not only did his Bronze Medallion and became a patrolling member but actively assists with the training of all the SRC and Bronze members from Orange.

John's awards include Bronze Medallion, IRB Crew, ARTC and Silver Medallion Beach Management.

John is a qualified Royal Lifesaving Trainer and the candidates that he presents to train at Dee Why are all very well prepared, confident and disciplined. John assists with the JDC every Australia Day long weekend as well as with the second part where we take a group of up to Dee Why 40 members to Orange.

John is a diligent patrolling member and responsible for organising the Orange patrolling members to ensure they all attend their patrols or have substitutes where necessary. When John is on patrol he will generally stay for at least 2 or even 3 patrols over that weekend and also assist when available for any club events. Given the distance travelled to attend patrols and courses, it is obvious that John is a committed, diligent and valuable member of Dee Why and deserves the recognition of this award.

Hugh Long

Hugh joined the club 7 years ago, in 2011. Since starting Hugh has become an actively involved member in all facets of the club.

Originally intending to join as just an Associate, he has now completed several awards including his Bronze, IRB Crew, ARTC, First Aid, Training Officer Bronze and Silver Medallion Beach Management.

He has been a diligent patroller, patrolling 543 hours over 6 1/2 years. He has now become a Trainer for the new Bronze Medallion holders and has been nominated as Training Officer of the Year at the Branch Awards. Even prior to becoming a Trainer Hugh often assisted on the Bronze courses just to help out, and was a delegate assessor for the Bronze proficiencies. He has held committee positions as Chief Training Officer - Training Coordinator and for the last 2 years sat on the Executive Committee, firstly as a Vice President and now as the Club President.

Hugh is actively involved in all club volunteer events such as Pub2Pub and Sun Run and assists on the BBQ when required.

His passion for the club and its values is reflected in the time and effort he puts in and hence why he agreed to take on the position as Club President. Hugh is a very worthy recipient of a Club Prominent Service Award.

President's Report

by Hugh Long

It is with great pleasure that I present the Annual Report for 2018 - 2019 to the 106th Annual General Meeting of the Dee Why Surf Lifesaving Club.

Another season has passed so quickly and Dee Why Surf Life Saving Club had a successful patrolling season.

As a Surf Lifesaving Club our primary objective is to keep the beach safe and I am pleased to report that there was no loss of life on Dee Why Beach this season.

Thank you to everyone for their contribution over the season, both on and off the beach. Without each one of you we would not be able to achieve this. A special thanks to the hard-working committee for their support and effort during the year.

Last season several areas for development were identified by the committee. They were recruitment and retention, adaptability, succession planning, skills development, community engagement, processes and procedures.

This year we focused on developing better communications, flexibility and processes in the key areas of patrolling, recruitment and training.

Our new Club Captain, Matt Molinia and new Chief Training Officer (CTO), Emily Buckle have been instrumental in implementing some new processes and communication tools.

Patrol Captains have welcomed Matt's hands on approach, passing on his experience and knowledge. Patrols have been well attended with numbers increasing from last season and fewer no-shows due to the new processes and communication protocols being well adopted by Patrol Captains and patrolling members.

Emily Buckle has made an impact in her first season as CTO with numbers for new Bronze Medallion candidates, SRC's and skill enhancements all on the increase. Emily has introduced a personal approach developing good team communication and comradery. Each new Bronze graduate now receives their own personally monogrammed welcome booklet with everything they need to know about the club, processes and people.

Emily has been very proactive and has established a rapport with CTOs from other clubs sharing experiences and knowledge to develop and adopt new training concepts.

Summer Bronze group 2019

Youth development and retention is high on our priority for the upcoming season and a Youth Development sub-committee has been established. The focus of the group is to develop a program for our youth to keep them motivated and involved in Surf Life Saving. This will be a consultative approach with a representative group from the club youth to work with the committee. Together they will look at existing programs such as the SLSA Youth Engagement Program (YEPs) and liaise with fellow clubs on programs they have in place.

The management committee will continue to work on all areas of development and the long-term strategy for the club.

Clubhouse and facilities

There have been several changes to facilities in the club this year. The Swan Lounge had an upgrade of the kitchen, the installation of acoustic panels on the ceiling and the "pièce de résistance" - the mural on the Swan Lounge main entrance which looks fantastic.

Thank you to Peter Hatfield for arranging all the work done in the Swan Lounge and to our sponsor Apex Signage for helping bring back to life this image from the 1930s.

Swan Lounge entrance mural

President's Report

The projector and media system for the Swan Lounge were also upgraded with the equipment and installation generously donated by Pro AV Solutions, Brookvale.

The gym received a new rowing machine and exercise bike.

Swan Lounge function hire

As part of the ongoing maintenance and future development of club facilities there are two projects scheduled for next season.

1. While still in the initial phase, plans have been drawn up and discussions commenced with the Northern Beaches Council for an extension to the northern section of the club to provide more storage for rescue equipment.
2. The Betty Barry room is scheduled for an upgrade and the services of a design consultant has been generously provided to get an initial concept design.

Competition

This has been a milestone year for the club in competition with some good results through the season. Nippers had a great season bringing home the highest medal count for several seasons.

Our success at Aussies 2019 was the highlight of the competitive season. This year we went to Aussies with representation in the Youth, Masters and Surf Boat events.

Our surf boat section was the toast of the club after their success at Aussies. Our boaties went to Aussies with two crews, one boat, one sweep and a dream and returned with the Gold in the Open Male Surf Boat, 5th in the Open Female Surf Boat and Gold in the Masters - 160 years min Female Surf Boat.

Male and Female Boat Crew at Aussies 2019 with sweep Shaun Stacey and sponsor Aaron Reilly from Reilly and Sons Food Services

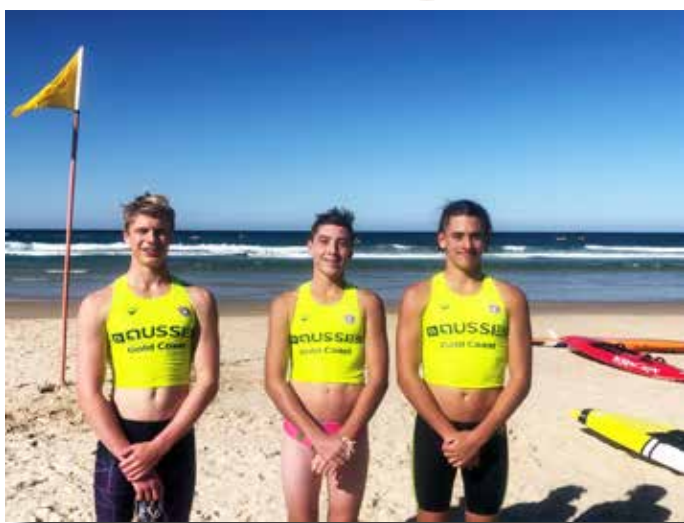

Wayne Weisse, Cam Wyllie, Geoffrey Crittle and Peter Hatfield at Aussies 2019

Despite some tough competition and even tougher conditions Cam Wyllie came a close 4th in both the 55-59 Male Ironman and the 55-59 Male Surf Race.

A great effort in very tough conditions.

We were represented in the U15 Male division by Lachlan Trewin, Kyan Bowker and Massimo Vezzola. All three performed well and gained valuable experience competing at the elite level in tough conditions. These three young men can be commended for the way they conducted themselves in competition and during the carnival. They were a credit to the club, themselves and their families.

President's Report

Lachlan Trewin, Kyan Bowker, Massimo Vezzola at Aussies 2019

Junior Lifesaver of the Year

Congratulations to both Leon Pearson and Suzumi Partridge who were DYSLSC's finalists in the Sydney Northern Beaches (SNB) Junior Lifesaver of the Year Awards. This is a fantastic achievement for both Suzumi, Leon and the club to have such great representatives and we're incredibly proud that Leon went on to win the branch award in the Male category.

Sponsorship

The Sponsors Lunch is on 26 July 2019 in the Betty Barry room to thank all our sponsors for their support. Thanks to Peter Hatfield for organising the catering and schedule for the lunch.

Thank you to all our sponsors for your support over the years and welcome to our new sponsors "Icon Homes" and "Blue Sky Building Design".

Events at Dee Why Beach

DYSLSC hosted several events during the season which included:

The SNB Active Foamie Fast Fives (U9s & U10s) and the SNB Active Fast Fives (U14s & U15s – Opens) which were sponsored by Active Automotive.

The club provided volunteers for the annual Pub2Pub and Sun Fun Run which were coordinated by Kerry Morris.

The Junior Development Camp hosting the Orange Bush Nippers was held over the Australia Day long weekend.

DYSLSC was again host to the Mid North Coast Branch for the annual visit and development camp.

The annual nipper Over the Hill Challenge between Dee Why and North Curl Curl was this year hosted by North Curl Curl.

Ocean Thunder was back at Dee Why Beach again this year. It is a great Surf Boat series which benefits the local area and businesses and raises the profile of Surf Life Saving.

Club Functions

On the social scene the club held the usual scheduled events which include the Friday evening BBQ in the Betty Barry room, the Nipper Halloween Party, Club Christmas Party and the Christmas pudding hunt.

Christmas Day Plum Pudding Hunt

In addition to these, several new events were added, including the pre-season kick off and BBQ and two fund raising events for the club.

The season was kicked off with a pre-season information session on September 8, 2018 in the Swan Lounge. The focus of the session was to discuss changes, answer questions, gather ideas and help members get ready for the season. The session was well attended, and the feedback was that members found it very helpful and it set a positive foundation for the upcoming season. The evening was hosted by CTO, Emily Buckle and Club Captain, Matt Molinia. The session was followed by a free BBQ for family and friends.

The two fund raising events were the "Beer Appreciation Night" organised by Lyndsay Dowsett and the Salsa evening organised by Jenny Rankin and hosted by Richard from "Dance Salsa Manly". Both events were well attended and raised much needed funds for the club. Thank you, Lyndsay and Jenny and the helpers that supported you for organising these events.

President's Report

Thanks also to the businesses that supported these events. Beer Appreciation was supported by 7th Day Brewing, Treachery Camp Seal Rocks and Mollys Cradle Wines. Salsa Evening was supported by Vicolo Market, Hit Cafe, Craig Cook's Prime Quality Meats, Coles Supermarket @ Dee Why Grand; Cafe 24, Beach Burittos, Jah Bar, Seafood at the Beach @ Dee Why Beach; Aces Charcoal Chickens, Hide Out Cafe, Mike Pawleys @ Dee Why; "I Can Read System" and Long Reef Surf Shop.

The patrol end of season extravaganza took on a new flavour this season with one of our Brazilian patrolling members, Junior, treating us to a Brazilian BBQ. There were two sessions, lunch and dinner, which kept Junior and his assistant busy. This event was a great success and both sessions were well attended by members and families. The BBQ was a fitting end to the season, the food was great, the atmosphere had a buzz about it, a reflection of the great job our key leaders have done this season.

The Club Presentation Evening was "Back to the Beach", held on Saturday June 1, 2019 at the DYSLSC. Congratulations to everyone who received an award and welcome to all our new Bronze members who received their awards on the night.

Rae-Maree Hutton, Cathy and Cam Wyllie at the Presentation Evening

It was great to see so many at the event as the evening had a special presentation this year with both our Open Men's Boat crew, Open Female Boat crew and sweep Shaun Stacey being presented with their Dee Why SLSC Blazers for their Gold Medal performances at Aussies 2019.

The food on the evening was exceptional and a special mention to Janine Portelli, Sue Cheney, Kerry Osmond, Rowena Clarke and Matt Molinia for the hours spent preparing the food, to Justine

Head for the hours put into the decorations and to Cam Read for helping set up the venue.

Thanks to Emily Buckle and Matt Molonia for the organisation that went into the event. It was a great evening and thank you to everyone who attended for making it such a success. The perfect finale to the patrol season.

The season was capped off with the Branch Awards of Excellence held at the DYRSL where Shaun Stacey was awarded Coach of the Year and John Collins awarded Patrol Captain of the Year. The club achieved third place in the Patrol assessment competition and fourth overall in the Club of the year award.

On behalf of the DYSLSC I would like to express my appreciation to everyone involved with and supporting DYSLSC, the Committee, the members and their families, the sponsors, Branch staff, the Life Guards and all those who have supported us throughout the year. Thanks to you this has been a successful year and I look forward to seeing you all again next season.

Above - Shaun Stacey, Coach of the Year and below John Collins, Patrol Captain of the Year

Secretary's Report

by Jacqui McLeod

I am pleased to present the Annual Report of Dee Why Surf Life Saving Club for 2018-19.

The Secretary's report focuses on operational aspects of the club. Management of the surf club is undertaken through the Management Committee for which appointments to positions are made each year at the Annual General Meeting. Surf club operations require a range of skills and each Committee member specialises in a unique area.

The club has a dedicated and talented team comprising the Management Committee which meets monthly during the year to discuss club business across a range of departments. Many Committee members are also active on the beach, patrolling and helping with a range of club activities.

The club's Executive provides sound leadership over the Management Committee. Our President, Hugh Long continues to embrace the role with commitment. Allen Lakeman is the Vice President and provides strong support to the Building and Development and Constitution and Rules Sub-committees. Hugh and Allen are also very active assisting training and assessment of Bronze Medallion candidates and are first aid specialists. Many thanks to our Treasurer Dave Lang for managing the club's finances and bringing his invaluable knowledge of club history and operations. Matt Molinia has taken on the role of Club Captain this year, providing strong leadership to patrols and all things on the beach. Mark MacKenzie has provided invaluable support to junior club members and Nippers as Junior Activities Coordinator. We also welcomed Justine Head to the role of Administrative Assistant which she has embraced well.

Sue Cheney has a key role as the club's Registrar, managing membership records. I extend many thanks to Sue for her great efforts once again, in preparing the Annual Report and taking Management Committee minutes in my absence. As Club Training Officer, Emily Buckle is to be highly commended for her dedication and commitment to this very important role. Many thanks to the people assisting Emily - Renee Long as Training Coordinator and Sam Serisier as Proficiency Coordinator. I also acknowledge the Club Vice-Captains, Sarah Rees, Craig Katen and Warren Hannam for all their help to

Matt, the Club Captain. Strong support has been provided to junior members from Warren Hannam, as Junior Development Coordinator, Andrew Vezzola in the role of Nipper Parent Representative and Cameron Read, as Youth Development Officer.

Peter Hatfield has worked tirelessly again as Board and Ski Captain and looking after club sponsorships, as well as critical maintenance needs. Lyndsay Dowsett was newly appointed to the position of Boat Captain this year, providing strong representation of boat crews. We were fortunate to have Steven Polley, new to the role

of IRB Captain and Jenny Graves as Competition Manager. Jenny has also assisted greatly with grant applications.

Many club members again volunteered their time to our regular charity events held around Dee Why beach, including the Pub2Pub and SunRun, helping to make these events a great success. Sincere thanks go to Justine Head and Kerry Morris for coordinating the club's efforts.

I've continued to enjoy being part of Patrol 3 and time on the beach. I look forward to another great season next year.

Building Committee Report

On 4 July 2019 Hugh Long, Susan Sky and Allen Lakeman participated in a meeting at the Clubhouse with Mr Ray Brownlee the new CEO of Northern Beaches Council, Mr Jorde Frangoples, Director Transport and Assets and Mr Campbell Pfeiffer, Executive Manager Property. As CEO at Randwick, Mr Brownlee has had experience in dealing with other surf life saving clubs in the Randwick area.

The meeting began with an inspection of the Club facilities. This inspection included the area proposed as the site for the extension of the safety equipment storage area which is shown in the concept plans prepared by Blue Sky Building Designs, copies of which have been provided to Council.

A resolution to engage Blue Sky Building Designs (Kinga Monaghan) for concept plans was passed by the Management Committee. Kinga agreed to offset part of her fees as a sponsor of the club. Her firm's banner is to be displayed on one of the balcony panels. The concept plans are for a 6.2 metre balcony addition to the northern side of the clubhouse for further safety equipment which may include jet-skis, larger rescue and towing vehicles and a work bench for Unmanned Aerial Surveillance Vehicles.

The plans were favourably received by Messrs Brownlee, Frangoples and Pfeiffer. The committee

said the plans for the northern balcony extension would benefit lifeguards as well as the club.

Other items discussed at the meeting with council were the replacement of damaged and rusty roller doors, the addition of external CCTV for improved security and the restoration of the sand barrier in front of the clubhouse for better storm management.

The committee wants to wait for Council's consideration of the extension before pursuing the commercial ventures. The Committee members advised that the Dee Why Lagoon Wildlife Plan of Management (dated August 2002) requires amendment as the maximum period for a lease or licence is five years. The club may need an external lift for disabled access.

Other matters considered by the Committee during the year were the extension of the roller doors area to edge of balcony, the kiosk which is provided for in the Wildlife Plan of Management, and a viewing platform at the south end of the clubhouse.

The 2018-2019 sub-committee consisted of Susan Sky (chair), Hugh Long, Allen Lakeman, Adrienne Lowe, Jenny Graves, Jeff Tucker and David Lang.

Notes of the Financial Statements Dee Why Surf Life Saving Club Inc For the year ended 30 April 2019

Summary of Significant Account Policies

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2009 (NSW), the Charitable Fundraising Act 1991 (NSW) and the Australian Charities and Not-for-Profits Commission Act 2012 (Cth) and the club's constitution. The committee has determined that the association is not a reporting entity.

The financial statements have been prepared in accordance with the requirements of the above acts and regulations, the Club's constitution and the following Australian Accounting Standards:

- AASB 101 Presentation of Financial Statements
- AASB 107 Statements of Cash Flows
- AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors
- AASB 1031 Materiality
- AASB 1048 Interpretation of Accounting Standards
- AASB 1054 Australian Additional Disclosures

No other Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets. The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Financial Report

Income Tax

No provision for income tax has been raised as the Association is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Cash and Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Bank overdrafts are presented within current liabilities on the statement of financial position.

Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

In the event the carrying value of plant and equipment is greater than the estimated recoverable amount, the carrying value is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

Depreciation

The depreciation method and useful life used for items of property, plant and equipment (excluding freehold land) reflects the pattern in which their future economic benefits are expected to be consumed by the association. Depreciation commences from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The depreciation method and useful life of assets is reviewed annually to ensure they are still appropriate.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

Financial Instruments

Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions

Financial Report

of the financial instrument, and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss, which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets

Except for those trade receivables that do not contain a significant financing component and are measured at the transaction price, all financial assets are initially measured at fair value adjusted for transaction costs (where applicable).

For the purpose of subsequent measurement, financial assets other than those designated and effective as hedging instruments are classified into the following categories upon initial recognition:

- amortised cost
- fair value through profit or loss (FVPL)
- equity instruments at fair value through other comprehensive income (FVOCI)

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs, finance income or other financial items, except for impairment of trade receivables which is presented within other expenses.

Classifications are determined by both:

- The entities business model for managing the financial asset
- The contractual cash flow characteristics of the financial assets

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs, finance income or other financial items, except for impairment of trade receivables, which is presented within other expenses.

Subsequent measurement financial assets

Financial assets at amortised cost

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVPL):

- they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows
- the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The Association's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments as well as long-term deposit that were previously classified as held-to-maturity under AASB 139.

Financial assets at fair value through profit or loss (FVPL)

Financial assets that are held within a different business model other than 'hold to collect' or 'hold to collect and sell' are categorised at fair value through profit and loss. Further, irrespective of business model financial assets whose contractual cash flows are not solely payments of principal and interest are accounted for at FVPL. All derivative financial instruments fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements apply (see below).

Equity instruments at fair value through other comprehensive income (Equity FVOCI)

Investments in equity instruments that are not held for trading are eligible for an irrevocable election at inception to be measured at FVOCI. Under Equity FVOCI, subsequent movements in fair value are recognised in other comprehensive income and are never reclassified to profit or loss. Dividend from these investments continue to be recorded as other income within the profit or loss unless the dividend clearly represents return of capital.

Impairment of Financial assets

AASB 9's impairment requirements use more forward looking information to recognize expected credit losses - the 'expected credit losses (ECL) model'. Instruments within the scope of the new requirements included loans and other debt-type financial assets measured at amortised cost and FVOCI, trade receivables and loan commitments and some financial guarantee contracts (for the issuer) that are not measured at fair value through profit or loss.

The Association considers a broader range of information when assessing credit risk and measuring expected credit

Financial Report

losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

In applying this forward-looking approach, a distinction is made between:

- financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ('Stage 1') and
- financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ('Stage 2').

'Stage 3' would cover financial assets that have objective evidence of impairment at the reporting date.

'12-month expected credit losses' are recognised for the first category while 'lifetime expected credit losses' are recognised for the second category.

Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

Trade and other receivables

The Association makes use of a simplified approach in accounting for trade and other receivables and records the loss allowance at the amount equal to the expected lifetime credit losses. In using this practical expedient, the Association uses its historical experience, external indicators and forward-looking information to calculate the expected credit losses using a provision matrix.

Classification and measurement of financial liabilities

As the accounting for financial liabilities remains largely unchanged from AASB 139, the Association's financial liabilities were not impacted by the adoption of AASB 9. However, for completeness, the accounting policy is disclosed below.

The Association's financial liabilities include borrowings and trade and other payables.

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Association designated a financial liability at fair value through profit or loss.

Subsequently, financial liabilities remeasured at amortised cost using the effective interest method except for derivatives and financial liabilities designated at FVPL, which are carried subsequently at fair value with gains or losses recognised in profit or loss (other than derivative financial instruments that are designated and effective as hedging instruments).

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs or finance income.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

Inventories

Inventories are valued at the lower of cost and net realisable value. No value is ascribed to goods for resale that have been donated to the Association where fair value cannot be reliably determined. Net realisable value is the estimated selling price in the ordinary course of business, less any applicable selling expenses.

Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Financial Report

DEE WHY SURF LIFE SAVING CLUB INCORPORATED

ABN 39 393 896 380

Declaration by Members of the Committee for the Year Ended 30 April 2019

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee:

1. The financial report which comprises of the statement of financial position as at 30 April 2019, and the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, a summary of significant accounting policies and other explanatory notes is in accordance with the Australian Charities and Not-for-profits Commission Act 2012 (Cth) and
 - a) complies with Australian Accounting Standards as set out in Note 1; and
 - b) gives a true and fair view of the financial position of Dee Why Surf Life Saving Club Inc as at 30 April 2019 and its performance for the year ended on that date
2. The accompanying statement of comprehensive income is drawn up so as to give a true and fair view of the profit (or loss) of the association including fundraising appeals for the last financial year;
3. The statement of financial position is drawn up so as to give a true and fair view of the state of affairs of the association including fundraising appeals as at the end of the financial year;
4. The provisions of the Charitable Fundraising Act 1991 (NSW), the regulations under the act, and the conditions attached to the fundraising authority have been complied with by the association;
5. The internal controls exercised by the association are appropriate and effective in accounting for all income received and applied by the association from any of its fundraising appeals;
6. At the date of this statement, there are reasonable grounds to believe that Dee Why Surf Life Saving Club Inc will be able to pay its debts as and when they fall due;
7. The accounts and associated records have been properly kept during the year;
8. Money received as a result of fundraising appeals conducted during the year has been properly accounted for, and;
9. The principal activities of the association during the financial year were the provision of lifesaving services and no significant change to these activities has occurred.

The accounts of the Association have been made out in accordance with applicable Accounting Standards, other mandatory professional reporting requirements, the provisions of the Associations Incorporation Act 2009 (NSW), Australian Charities and Not-For-Profits Commission Act 2012 (Cth) and the Charitable Fundraising Act 1991 (NSW).

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President: 
H. Long

Treasurer: 
D. Lang

Date: 04 July, 2019

Financial Report

Compilation Report

Dee Why Surf Life Saving Club Inc.
For the year ended 30 April 2019

Compilation report to Dee Why Surf Life Saving Club Inc

We have compiled the accompanying special purpose financial statements of Dee Why Surf Life Saving Club Inc., which comprise the statement of financial position as at 30 April 2019, statement of profit and loss and other comprehensive income, the statement of changes in equity, the statement of cash flows, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1.

The Responsibility of the Committee Members

The committee of Dee Why Surf Life Saving Club Inc. is solely responsible for the information contained in the special purpose financial statements, the reliability, accuracy and completeness of the information and for the determination that the basis of accounting used is appropriate to meet its needs and for the purpose that financial statements were prepared.

Our Responsibility

On the basis of information provided by the Committee we have compiled the accompanying special purpose financial statements in accordance with the basis of accounting as described in Note 1 to the financial statements and APES 315 Compilation of Financial Information.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of APES 110 Code of Ethics for Professional Accountants.

Financial Report

Independent Auditor's Report

Dee Why Surf Life Saving Club Inc.

For the year ended 30 April 2019

Qualified Opinion

I have audited the accompanying financial report, being a special purpose financial report, of Dee Why Surf Life Saving Club Inc. (the Association), which comprises the statement of financial position as at 30 April 2019, the statement of profit and loss and other comprehensive income, statement of changes in equity, statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the responsible entities' declaration.

In my opinion, except for the effects of the matter described in the Basis of Qualified Opinion section of my report, the financial report of the Dee Why Surf Life Saving Club Inc. as at 30 April 2019 presents fairly in all material aspects the financial position of the Dee Why Surf Life Saving Club Inc. and its financial performance for the year then ended in accordance with the basis of accounting described in Note 1 to the financial report and satisfies the requirements of the Charitable Fundraising Act 1991 (NSW), the Associations Incorporation Act 2009 (NSW), the Australian Charities and Not-for-Profits Act 2012 (Cth) and the Club's constitution including:

a) giving a fair and true view of the registered entity's financial position as at 30 April 2019 and of its financial performance for the year ended; and

b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013

Basis of Qualified Opinion

It is not practical for the Dee Why Surf Life Saving Club Inc. to maintain an effective system of internal control over donations and fundraising activities until their entry in the accounting records. Accordingly, my audit in relation to donations and fundraising activities was limited to amounts recorded.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of Accounting

I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Association's financial reporting responsibilities under the Charitable Fundraising Act 1991 (NSW), the Associations Incorporation Act 2009 (NSW), the Australian Charities and Not-for-Profits Act 2012 (Cth) and the Club's constitution. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

Responsibility of the Committee for the Financial Report

The Committee of the Association is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Associations Incorporation Act 2009 (NSW), Charitable Fundraising Act 1991 (NSW) and the Australian Charities and Not-for-Profits Act 2012 (Cth) and the needs of the members. The Committee's responsibility also includes such internal control as the Committee determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Financial Report

In preparing the financial report, the Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Sponsorship and Grants

Sponsors

The Club would like to acknowledge and thank our major and long term sponsors, principally Dee Why RSL (Directors), Reilly & Sons Food Services (Steve Reilly) and Upstate (Peter Mosedale) formerly Raine & Horne Dee Why & Collaroy for their longstanding support. We also thank Active Automotive (Matt Molinia), Apex Signs (Nick Greally), Beaches Sea-Doo & Can-Am (Simon Kendrick), Bennett Surfboards (Greg Bennett), Icon Homes (Amy Thomas), Kinetic Building Solutions (Cam Read), Molly's Cradle Wines (Steve Skidmore), United Resource Management (URM), Victory Finance Group (David Cluning) and Wavescape Orthodontics (Riaan Foot - more than just great smiles) for their support. We welcome our newest sponsor Blue Sky Building Design (Kinga Monaghan) for season 2019/20 onwards who has produced concept designs for our planned extension of the patrol storage area.

In respect of Association sponsors we would like to acknowledge the Australian Government, AIS, BRP, Coates Hire, DHL, Dulux, FINZ, Gold Coast City Council, Holden, Kellogg's, NCIS, Telstra, Tourism & Events Queensland and Westpac. The NSW Government, Clubs NSW, Dolphin Surf Craft, Energy Local, Envirobank, Midford and Sharkskin, Bill Buckle Auto, Beach Club Collaroy, Cancer Institute NSW, DYRSL, Entertainment Book, ICMS, Manly Daily,

Northern Beaches Council, Northern Beaches Hospital, Rfi Group, Speedo, St George, Streets, Thredbo, URM and Westfield Warringah Mall. The Club also thanks SLSA, SLSNSW and the members of Branch and staff for their support throughout the season.

Grants

The Club wishes to thank Mr Graeme Liddell the President and the directors of DYRSL for their continuing support through the ClubGrants program, the Northern Beaches Council annual lifesaving grant, SLSNSW annual gear grant. The NSW Government has continued its support via the Community Building Partnership program and the Federal Government has continued its support via the Beach Safety Equipment Fund administered by SLSA and the Volunteers Grant 2018.

The Club wishes to thank the Hon Brad Hazzard, the Hon Rob Stokes, Mr James Griffin MP and our Federal member Mr Jason Falinski for their support of Surf Life Saving on the Northern Beaches.

The Sponsorship sub-committee consisted of Peter Hatfield, Allen Lakeman, Dave Lang and Matt Molinia. A full list of funds received in respect of donations, grants and sponsorships is included in the financial section of the Annual Report.

Boat Captain's Report

by Lyndsay Dowsett

Our boaties definitely deserve a well-earned rest after one of the most successful Surfboat seasons at Dee Why SLSC. After a slowish start to the competition due to new recruits and personal commitments, both crews, Gorgonites (Open Men) and Double Bleck (Open Women) maintained a rigid training program and pushed through adversities to achieve the highest result in the Surf Lifesaving community, Aussie Gold!

Our Open Women's crew consisting of Lyndsay Dowsett (returning after a one year absence), Robyn Moore, Nicky Daley (recruited from Warriewood) and Alex Salier (recruited from Warriewood), proved progressive performance through sustained competitiveness, compromise and dedication to maintain equilibrium within the crew.

Even though these women were a new combination within the boat this season, they have a lot of experience and excelled in some of the most challenging surf conditions. They remained competitive throughout the season, peaking at the pointy end where it counts most. The skills and experience that these women have are a real tribute to women's surfboat rowing.

The 'Double Bleck' Open Women's crew achieved top 8 at the NSW State Championships, equal 1st (tying with the current world champions) in the 160yrs Masters at the Australian National Championships, and 5th in the Open Women's at the Australian National Championships.

Our Open Men's crew consisting of Harrison Selby, Jay Yeomans, Jason Rowe and Chris Mackinnon, continued to exceed expectations in their second year together this season and surprised many of the top performing crews with their surfboat skills, again in the most challenging surf conditions and in such a tough division. Their achievements are well deserved through their solidarity as a crew, commitment to the program and ongoing hard work. These men really stepped it up a notch this season with their training program and their enthusiasm for the sport paid off.

These men were just as busy with social commitments as they were with their rowing schedule. Two of the men, Jay Yeomans and Jason Rowe, married their beautiful wives which put the crew out of a couple of carnivals and training sessions. There were also other weddings, engagements and social commitments that all the men attended throughout the season. Regardless of these special occasions, they maintained their resilience and trained harder proving commitment to their goals and aiding in their achievements during competition season.

The 'Gorgonites' Open Men's crew achieved 1st in the ASRL Manly Carnival, top 6 at the NSW State Championships, and took the GOLD in the premier division at the Australian National Championships!

The Australian National Championships proved to be an absolute standout for our boaties. The conditions were the most challenging both mentally and physically, that the crews have experienced to date. Crews that were not as skilled in the surf were exposed and knocked out of the competition early, allowing more experienced surfboat rowers an opportunity to prove their worth, or as we shall put it, their weight in GOLD.

If it wasn't for the experience, strength, commitment, compromise, resilience and patience of the sweep for both the crews, Shaun Stacey, they would not have had the opportunity to train, compete and develop lifelong friendships within our Surfboat family. Shaun has dedicated an immense amount of time towards developing the Surfboat community within the club and he deserves no less than the Australian Championship Title of 2019.

Finally, on behalf of the Surfboat rowing teams, I would like to thank the Surf Club for the facilities, equipment and their support throughout the season. I would also like to thank Reilly and Sons Food Services for their ongoing sponsorship, and a special mention to the late Steve 'Beaver' Reilly who was without doubt, with us in spirit as we succeeded in taking out the 2019 Australian National Titles Premiership.

Competition and Officials Report

by Jenny Graves

Officials

As a club involved in all aspects of surf sports, having accredited officials is very important and enables us to do our share competing at carnivals.

Cicy Shankar, Karl Derz and Peter Woodfield set out this season as probationary officials and with a lot of work at carnivals and workshops have completed their officials course and have become accredited. Roz Elliot, Emily Buckle, Jarred Ronganui and Toby Hagon have also done a lot of work this season and are in the process of getting their accreditation signed off.

Steve Haggett, Adrienne Lowe and Allen Lakeman, with their passion directed towards lifesaving events, officiated at all levels of carnivals from local to Aussies, with Adrienne writing theory papers for State and Aussies. Due to Steve's promotion from referee at State to Referee of Lifesaving events, Adrienne moved up to Sectional Referee.

In craft and beach carnivals our officials more than pulled their weight with Jenny Graves taking on roles as Recorder and Chief Judge at local and state carnivals, Mark Mackenzie stepping up the ladder to referee and Matt Molinia was Referee at a very challenging Junior and Open Branch and Sectional Referee at State.

On top of Official duties, we are also required to provide water safety on tubes and boards at junior carnivals and in the IRB at all carnivals. We are grateful to Fiona Ronge, Neill Smith, Brendan Stevenson, Paul Stevenson, Ayman Haggag, Jeremy Ferguson, Ben Ferguson and Kerry Derz for their water safety shifts, enabling our competitors to be able to participate.

Our officials are extremely professional and do us proud.

The 2018-19 season has been one of the best for Dee Why in Surf Sports for many years. This is a testament to the dedicated coaches and the endless hours of training that all our competitors commit to across the board from Nippers to Masters. Having officiated at many nipper carnivals this year, the calibre of junior competitors who will be coming through to U15s and U17s in the next few years is impressive and detailed in the Junior Activities Coordinator's report. It is a very exciting time for Dee Why.

Board Riding

Although strictly part of the 2017/18 season, the State Board Riding Championships took place in August last year at North Narrabeen. Dee Why's competitors were Warren Hannam and Cam Wyllie in the Masters, Harley Hannam in the Opens and Gor Ozharovsky in the U14 category. Both Warren and Gor were successful in being awarded Bronze Medals in their categories - Warren on a long board and Gor on a shortboard. The 2018/19 State Championships will be held again this August at a Club to be appointed and I look forward to having even more participants from Dee Why.

Cam Wyllie and Warren Hannam also participated in the Board riding events at Aussies this year on the Gold Coast and each came 5th in their respective contests - Warren on a short board and Cam on long board.

Opens

Massimo Vezzola, Lachlan Trewin and Kyan Bowker (pictured below) competed in many carnivals this year as U15s with some excellent results. Sam Ferguson also competed as an U14 in some of these carnivals which included:

Competition and Officials Report

3rd November 2018	Newport Open Carnival - Massimo 5th in Surf Race.
9th December 2018	Active Fast Fives at Dee Why - Massimo 3rd, Lachlan 8th, Kyan 9th with Massimo winning the Dash for Cash at the end.
22nd December 2018	Palm Beach Fast Fives
26th January 2019	Manly Open Carnival - Kyan Iron Semi final
27th January 2019	Freshwater Open Carnival - Kyan qualified for Iron final
9th February 2019	Branch Open Carnival - Massimo, Lachlan and Kyan 3rd in the Board Relay.
March 2019	State Championships - Massimo and Kyan made the semis of the Board Rescue and the boys came 11th in the final of the Board Relay.
March/April 2019	Aussies - Massimo came 12th in the 2k beach run, Massimo and Kyan made it to the second round in the board rescue and the three boys made it the second round in the board relay.

The boys competed in many out of branch carnivals including the Gardner Iron Classic at Wamberal, the Ocean 6 Series at Queenscliff and Wanda and the Professionals Weekend of Surf at Forster on the October long weekend.

Lachlan and Massimo competed in the Newcastle Permanent Ironman Challenge over several weekends with the overall results putting Massimo in 1st place and Lachlan in 3rd. A very successful season for the boys who are also training in the skis under the guidance of Peter Hatfield. I look forward to seeing them compete in the ski races next season.

Ben Ferguson competed in the Manly and Freshwater Opens immediately after getting off a plane from a holiday in North America. He made it through to the semis and finals in his events although limited by not being able to compete in any team events. At the Branch Championships, Ben came 3rd in the Ironman which is an awesome achievement against very good competition. As Ben will still be U17s next year and the U15s will be going up to U17s he will get the opportunity to compete in the team events. Ben also competed at State, the Oceans 6 Series and the Professionals Weekend of Surf in Forster.

Masters

This season we had competitors in the Freshwater Masters in November, the East Coast Masters in February, the more social Palm Beach Twilight Masters in January, Branch, State and Aussie championships. It was good to see some new competitors at the Palm Beach Masters including Luiz Leal, Neill Smith, Brendan Stevenson and Ayman Haggag.

Our Masters competitors train regularly, still seem to have a lot of fun and are responsible for most of the entertaining content on the Board and Ski Facebook page. Congratulations to all our Masters competitors - Matt Molinia, Peter Hatfield, Peter Sharkey, Cam Wyllie, Marty Quinn, Wayne Weisse, Warren Hannam, Geoff Crittle, Ian Nicol and Steve Richards.

Some of the notable achievements from the Masters competitors this year have been:

Aussies:	Cam Wyllie - 4th in Ironman and 4th in Surf Race Peter Hatfield – Final of Single Ski Weisse/Crittle/Hatfield/Wyllie – Final of Single Ski Relay
State:	Steve Richards – Silver Medal in 2k Beach Run Cam Wyllie - Bronze Medal in Rescue Tube Race Peter Hatfield – 5th Single Ski Peter Sharkey/Wayne Weisse - 5th Double Ski Geoff Crittle/Peter Hatfield - 6th Double Ski Taplin Team 7th and Board Relay Team 8th
Branch	Ian Nicol – Gold Medal Surf Swim Steve Richards - Gold in 2k Beach Run Wyllie/Quinn - Gold in Double Ski Marty Quinn - Third in Board Quinn/Sharkey/Wyllie - Third in Board Relay Cam Wyllie – Fourth in Single Ski Geoff Crittle – Fifth in Single Ski Quinn/Sharkey/Weisse - Bronze in Ski Relay

Luiz Leal at Palm Beach Masters

Competition and Officials Report

First Aid and Life Saving

Four members of Dee Why participated in life saving events this season. In the U15s, Claire Divine and Emily Serisier represented the Club at Branch and won a bronze medal coming equal third. Allen Lakeman and Emily Buckle competed at the Branch and State Championships placing fourth at Branch and fifth at State. Ros Elliot kindly acted as a patient for the first aid teams and she also assisted as an official.

Allen also competed at the State Championships at Blacksmiths Beach in the champion lifesaver event and came fourth in the over 40s Masters event.

We would love to see more members, particularly in the cadet age group competing in first aid next season as it is very rewarding and from the noise that was made when a carnival was held at Dee Why they sound like a lot of fun.

Boats

Our awesome boat crews, the ladies “Double Bleck” and the mens “Gorgonites” had a fantastic season culminating in the mens crew winning the Open event at Aussies and the ladies winning the 160 years Female Surf boat in the Masters Competition and also coming 5th in the Open event at Aussies. The Gorgonites also came first at the prestigious Manly Boat Carnival on the Australia Day weekend. More of these fabulous crews’ achievements will be set out in the Boat Report but my congratulations to Jay Yeomans, Chris Mackinnon, Harrison Selby, Jason Rowe, Robyn Moore, Alex Salier, Nicki Daly, Lyndsay Dowsett and sweep for both crews Shaun Stacey.

Lastly thank you to all who have helped to make this such a successful year including coaches, touring team managers (Simon Moriarty, Shane Bowker and Shaun Stacey) and the parents, spouses, children and friends of our competitors for their support throughout the season.

Season Highlights

Training and Education Report

by Emily Buckle

It's been a busy year for the Training and Assessment Group, with members achieving over 140 new awards and participating in 330 proficiencies for existing awards this season. A huge thank you to all our trainers who spent their Summer running courses, conducting assessments, updating members' skills, maintaining their own accreditations and often completing well above their rostered hours on patrol. Lifesaving education is the gateway to our Club, and it's this dedication from our trainers that keeps us moving forward.

Our exceptional team of trainers, assessors and facilitators are listed below. Special congratulations to those that reached training and assessing milestones this season. We are incredibly grateful for your continued service.

Name	Awards	Milestone reached 2018/19
Darren Armitage	Assessor IRB Training Officer Bronze Medallion Training Officer IRB	5 Year Assessing Service 10 Year Training Service
Emily Buckle	Training Officer Bronze Medallion

Training and Education Report

I'd also like to thank the Content Experts who provided valuable input this season. Your specialised knowledge and support is hugely appreciated and central to the outstanding results achieved by our candidates:

Bruce Richardson	Ayman Haggag	Neva Imbs	Ray Miller
John Collins	Warren Hannam	Craig Katen	Paul Ryan
Jeremy Ferguson	Anne Henshaw	Colin Kjoller	Massimo Vezzola

Proficiencies

Thank you to Sam Serisier (Proficiencies Coordinator), who continues to do a magnificent job coordinating members, trainers and delegates to ensure proficiencies are completed and entered before December 31st. Sam has developed a system for managing proficiencies that is the envy of other clubs. He provides ample communication to ensure each member is aware of upcoming sessions and undertakes all the checks and balances to maintain records in Surf Guard. Thank you to those members who kept an eye on the proficiencies calendar, booked early and turned up on time. We appreciate your cooperation in ensuring a hassle-free start to the season.

Courses

This season we have welcomed 47 new and upgraded Bronzies and 13 new SRC members to our patrols. Each new lifesaver has brought fresh energy and enthusiasm to the Club and made a huge impact on our beach. Many have already gone on to complete additional courses in First Aid, IRB Crew and Silver Medallion Aquatic Rescue, allowing us to provide more support and variation to patrols. Congratulations to all our candidates for a fantastic effort!

We had 6 members complete the Advanced Resuscitation Techniques award this season, with several others' wanting to obtain this award but unable to attend the courses offered. The Training Team is seeking to address this by increasing our internal ART training capabilities as well as collaborating nearby Clubs.

Bronze Groups

It is important that we continue to have new IRB trained members, and this season we were fortunate to train 17 new IRB Crew and 5 IRB Drivers. Thanks to Dave Spink, Matt Molinia, Cam Read, Darren Armitage and Chris Inman for offering flexible training schedules that opened these courses to so many members. We hope that our enthusiastic new Crew members will go on to become IRB Driver's and provide further relief in this area.

Our patrols have also been bolstered by 14 exceptional candidates who completed Silver Medallion awards this season. We have 4 new members with Silver Medallion Aquatic Rescue, 2 with Silver Medallion Advanced First Aid, 3 new Patrol Captains and the 5 IRB Drivers mentioned previously. It is fantastic to see so many members completing higher awards.

IRB Drivers and crew

Training and Education Report

Each course we run involves a huge amount of administration, and I'd like to thank Renee Long (Training Coordinator) for her support this season. Renee helped with the preparation of course information packs, distributed emails, organised uniforms, checked certificates and assisted with catering. Thanks also to Kerryn Osmond, Sue Cheney, Justine Head and Janine Portelli who worked behind the scenes to keep our courses running and candidates well fed!

Bruce Richardson Medal

Each season, the Bruce Richardson Medal is presented to the "Most Outstanding Candidate of the Year". This is someone who has used their new award and skills to benefit the Club. It was pleasing to see 4 very strong nominations this season to reflect the high quality of candidates coming through.

Renee Long completed her Bronze in March 2018 and showed leadership skills throughout the course, assisting other candidates in areas they found challenging and motivating them to achieve their best. She then stepped into the role of Training Coordinator, continuing to nurture new members into the Club.

Left to right: Neva Imbs, Massimo Vezzola, Felix Forbes and Renee Long

Unfortunately, Renee was injured early in the 2018/19 season, however she completed 100% of the Patrols that she was available for and continued to assist at functions and BBQ's. She also completed the Provide Advanced First Aid Course in February.

Felix Forbes acquired his Bronze in December 2019, showing diligence during training and supporting other candidates with their learning. Felix completed 100% of his Patrols and provided substitutions on Public Holidays where patrols were in need. He has also completed the Provide First Aid, Provide Advanced First Aid and IRB Crew Certificates.

Massimo Vezzola upgraded from SRC to Bronze this season. He was a valuable member of the course, sharing his surf experience with other candidates and showing qualities of an exceptional coach throughout. He also joined us during the Summer Bronze as a Content Expert for board sessions. Massimo has been a strong competitor for the Club, provided coaching and water safety for Nippers and completed 74.5 hours on Patrol.

Left to right: Rheana Mathie, Neva Imbs, Claire Devine, Massimo Vezzola

Neva Imbs obtained her Bronze in December 2019 and hasn't slowed down since. She was an enthusiastic and motivating member of the squad, providing swim coaching to others on her course and those in the Summer bronze squad. Neva also joined us for water safety at assessments and assisted with catering and Club functions. She is fantastic on patrols, always keeping busy and encouraging others to do the same. She completed 100% of her patrols and completed additional voluntary hours throughout the season. Since completing the Bronze course, she has obtained the Provide First Aid and Silver Medallion Aquatic Rescue awards, and inspired members by completing a 26km marathon ocean swim from Palm Beach to Manly in April.

Neva is the deserving winner of the Bruce Richardson Medal for 2018/2019. Congratulations Neva and thank you for your remarkable work this season!

Conclusion

Next season, the Training Group and Club Captains Team will continue to work together to develop multi-skilled Patrols with backup award holders in each position. We will promote higher awards such as ART, IRB

Training and Education Report

Drivers, Silver Medallion Beach Management and a Gold Medallion training squad.

Our Training Group is always on the lookout for new members – including trainers, assessors, coaches, subject matter experts and water safety. Please let me know if you'd like to be involved. We have a lot of fun and it's a great chance to refresh your skills along the way!

In closing, I would like to pass on my immense gratitude to Matt Molinia for mentoring me during my first foray into the world of Chief Training Officer. Having been our CTO for the previous 5 seasons, Matt left big shoes to fill whilst also ensuring there were solid procedures in place for a smooth transition. I am very grateful for his support and guidance throughout the season.

Thanks to all for a fantastic season. I look forward to seeing you on the beach again soon!

Club Captain's Report

by Matt Molinia

I took a step sideways this season from CTO to the Club Captain position in order to stabilise our core business of patrolling the beach. My plan was, over a three-year period, to improve patrolling satisfaction of our members. I was intent not to disrupt current patrol groups but to keep them together and build strength, commitment and a sense of obligation.

As we are all volunteers, I want our members to want to attend their patrols and not feel it to be a chore. In order to do this, I engaged the patrol captains at the end of last season along with my club captain's team and CTO in order to understand what was wanted from our patrolling members.

From this, a pre-season information session was made available for all members outlining the plan for the next three seasons. The information discussed and disseminated centred around flexibility, especially with our youth members, in order to retain their commitment to surf lifesaving. It also put forward the objective of improving communication by releasing the patrol roster early and using "Team App" as a focussed patrol communication medium.

There was a big focus on patrolling members communicating with their captains and ensuring that they didn't let their team down and got subs when they were unable to attend. The other big change for patrols this season was the Patrol Ops App. This was met with some resistance, at all levels, especially the need to enter hourly stats, but the captains understood the importance to move forward with the new technology and the reduced workload, once they got the hang of using it, that it resulted in.

One of the highlights of the season was the end of season get together. It was one of the few years that the conditions and weather have been favourable. Several members were able to participate in the annual point swim. It really showed the camaraderie of the members by the sheer numbers that attended. A Brazilian BBQ was put on by Junior with sides by Kerryn and successfully cooked quality traditional Brazilian cuisine for in excess of 100 members. The food and atmosphere of the last day of patrol was talked about for weeks after the event.

Above: Junior and Lucas and below Junior, Matt Molinia and Levi

Looking back on this season, we have had a vast improvement in member commitment, members were actively getting subs as opposed to just not attending patrols. A total of 84 patrolling members achieved 100% patrols, a significant improvement on last season's attendance. In order to achieve 100% patrols, a rostered patrolling member must have zero no show hours and have patrolled equivalent to the number of rostered hours allocated to them.

Club Captain's Report

The general feel and atmosphere on patrol was vastly improved. The patrolling members were diligent in getting their proficiencies done early due to a well organised booking system put together by the CTO team. The fantastic work done by Emily Buckle, as the new CTO, not only gave us a great new group of keen bronxies that were carefully dispersed onto patrols that best suited their personalities and strengths but also ran courses to strengthen our current members and their patrols by upskilling them. We had a much-needed influx of new IRB drivers in order to take up the demand required. Looking at the top 10 Male and Female patrolling members, apart from myself as Club Captain, there was no member that exceeded 100 hours in a season. This is a positive step in the time-poor lifestyle we all live in. What it tells me is there was a well-structured system of communication between the entire patrolling community for getting subs and committing to sub back. When I started patrolling, in order to be in the top 10 patrolling members, you had to do well in excess of 100 hours. We have hopefully broken the 90/10 rule where 10% of the people did 90% of the work and all the members are happily doing their share.

100% patrol members

Top 10 Female Patrolling Members		Top 10 Male Patrolling Members	
Name	Hours	Name	Hours
Justine Head	87.75	Matthew Molinia	148.02
Emily Buckle	83.5	Allen Lakeman	80.5
Amirah Dobby	83.5	Hugh Long	78
Suzumi Partridge	78.5	Wayne Dobby	75
Rosalind Elliot	67	Tim Partridge	75
Taylah Portelli	60.83	Cam Read	74
Luna O'Donoghue	60.5	Massimo Vezzola	74.5
Kerry Morris	59.75	Steve Polley	69.08
Jacqueline McLeod	55.25	Tim Wainwright	69
Emily Pell	50.5	Anthony Ishac	66.08

Choosing the SRC, Junior and Senior patrol members of the year was challenging this season. It was very close for our SRC members with many doing additional water safety hours and several being involved in rescues, both during patrol and outside hours. The outstanding members that received the award were Amirah Dobby and Gor Ozharovsky.

Club Captain's Report

Our junior patrolling members, the most difficult members to retain due to school commitments and other external influences, were also a difficult group to choose from due to their ability to still commit to their patrols even with all the external pressures. Two members stood out from the crowd, Taylah Portelli and Liam Read.

Our two senior patrol persons of the year are diligent and committed patrolling members. Always willing and able to sub and always very pro active on patrol, understanding that visibility and prevention are the key to a successful patrol. The award winners were Justine Head and Adam Stanley.

There were 4 nominations for the patrol of the year. Patrol #2, Patrol #6, Patrol ARE and Patrol ARF. There were several factors to consider when nominating the patrol of the year, from the patrol member's attendance and organisation in pack up and setup to the way the patrol members communicate and work together on the day. All 4 patrols were worthy candidates but the stand out patrol, the most organised patrol with the least no shows and a very diligent group was patrol ARF. One of the outstanding things about this patrol is that half of the members are from rural Orange.

John Collins, Matt Molinia and Ray Martin

John, a patrolling member from Orange mentored by John Benson, was diligent in his communication. Not only did he have his patrol organised a month before patrol, he rechecked a week before and was aware of all subs and ensured that the beach was set up well before opening time. John is always active on patrol and encouraging of all his members, especially his youth members to be active on patrol. He assists his patrol members from Orange ensuring they are ready for their proficiency and even running additional training sessions for them. His patrol members are always very active and organised on patrol, rotating between flag duty and being active in the water. John also encourages other members to take responsibility from managing the patrol ops app to preparing Colin Kjoller to step in in his absence as a captain and run the patrol, on possibly the most difficult day of the season, as efficiently as John himself does. John leads by example and is very deserving of this award.

After a great season I hope to move forward and continue with the plan and build more strength, cohesiveness and a sense of belonging in all patrols, continuing to introduce new members and retain our existing member base of experience and commitment.

The Patrol Captain of the Year nominations were Tim Partridge, Cam Read and John Collins. Once again all very worthy candidates. All 3 Captains have several youth members on their patrol which they all managed very well with an understanding of their external commitments while still instilling a level of pride and dedication to the patrol and its members. Cam Read took this a step further putting together a program of encouraging and rewarding youth members across all patrols for attendance, dedication and commitment.

The patrol captain that was awarded the patrol captain of the year was John Collins.

Board and Ski Report

by Peter Hatfield

Surf Carnivals are some of the best parts of my season for many reasons. Over the years they have brought great friendships, disappointments and lots of rewarding moments shared with my fellow competitors and of course my Dee Why club mates.

Of our Club's 800 members still only a handful of us take up the opportunity to represent our Club at carnivals. You don't have to be a great swimmer or a board paddling prodigy, just the desire to improve your skills. Carnivals are for everyone, First Aiders, Patrol Comps, Champion Lifesaver are events our club has been strong in for many years. Our team has had another season of growth and great results from Board and Ski competitors.

After years of hard work by our coach Marty Quinn, Warren Hannam and myself, plus lots of support from their parents, our cadet competitors Kyan Bowker, Lachlan Trewin, Massimo Vezola and Ben Ferguson were able to come together as a team producing some outstanding individual and team results.

Our team travelled to the Newcastle Permanent Series, the Sydney Water Series and numerous local carnivals with some strong results.

With the next step in their competitive development being the opportunity to paddle surf skis in events Massimo, Lachlan and Kyan have been training hard for the last 12 months to hone their skills. These are without a doubt the hardest craft of all to master and these three have put in approximately 200 hours each and have enjoyed the new skis purchased by the club to assist in their development and allow them to be competitive in the upcoming carnivals.

Our Masters team attended Freshwater and East Coast, as well as State and Branch carnivals. The Australian Masters Surf Life Saving Championships were held at Broad Beach Queensland this year. The carnival was extremely well run with the ocean throwing up challenging surf throughout the carnival. The strong competition you would expect kept us all honest. Making finals isn't easy task and the carnival is run in an identical manner to the Open Carnival.

Above Cam Wyllie, Top Right Massimo Vezzola, Bottom Left Kyan Bowker and Bottom Right Peter Hatfield, Ayman Haggag and Brendan Stevenson

IRB Report

With changes to rules and regulations from SLSA in relation to motors and IRB Hulls we attempted to get ahead of the game in relation to our equipment. As 2 stroke motors are now being phased out, a decision made beyond our control and beyond all common sense, we stocked up and bought another two 2 stroke motors to manage the future needs. With the one boat policy put forward by SLSA we have held on to our favoured rigid hulls for as long as possible but due to age, fatigue and ongoing repairs we have had to bite the bullet and order one of the new "one boat" hulls to replace one of our existing rigid hulls. Unfortunately we are still yet to receive this order due to technical difficulties and approvals.

With our IRB driver numbers diminishing, not a unique situation across all clubs, there was a strong push to ensure we got some new blood in. After last season getting no new drivers we managed 5 new drivers this season. Courtney Campbell, Baha Aburumman, Sean Cassidy, Junior and Brendan Stevenson put in the time and effort to gain the required skill and experience to become qualified and very competent drivers.

On top of the 5 new drivers we managed to put through 17 new IRB crew members. This is all thanks to the IRB training team, Dave Spink, Darren Armitage, Matt Molinia, Cam Read and Chris Inman. A great many hours were put in by this group in order to efficiently and effectively train these members.

As per usual there is a great deal of demand for IRB personnel over and above patrolling requirements. These skilled members step up for setting up nippers and providing water safety support every Sunday to attending branch carnivals as IRB water safety and even assisting other clubs in events such as the 3 points challenge at North Curl Curl providing a boat and Driver and crew, Dave Spink and Matt Molinia, for the duration of the event.

There were some exceptional efforts during the season. Chris Inman, our IRB driver of the year, put in a great many hours. From time in the boat on patrol and nippers water safety to assisting with our IRB driver and Crew courses, Chris never said no, even on the cold early mornings for training. Darren Binskin, our IRB crew person of the year, was diligent at all times in the IRB. The most outstanding effort was on his last patrol of the season where in excess of 15 rescues were done, where Darren as the crew, managed to save the boat and patient from an almost certain roll over when a freak wave came through during the rescue. Darren's quick thinking, something we always try to instil in our candidates in training, received accolades from not only his driver but from the council lifeguards on duty on the day.

Next season we are looking to further increase our strength in IRB drivers and share the load. Hopefully we will have our new hull which will require some additional training and getting used to.

Junior Activities Report

by Mark MacKenzie

Firstly, a big “thank you” to all our volunteers – our Nipper Committee, Age Managers, Parent Helpers, Coaches, Officials, Water Safety, First Aid and IRB crews for their outstanding work throughout the season and without whom we could not run our junior program.

We’d also like to thank our sponsors – Wavescape Orthodontics, Upstate Real Estate, Apex Signage, Active Automotive, Bennett Boards and Icon Homes for their support. Hopefully you’ve seen some of our new tents, age flags and new nipper boards during the season which look great.

The 2018/19 season has been one of our most successful seasons to date. Well done to all our Junior members who have made huge improvements in their development and progression, their commitment to training and their performances both at weekend Nippers and those representing DYSLSC at carnivals.

Our season started with a 9% increase in our Nipper and Parent memberships driven largely by the number of returning members plus having one of the largest group of new Under 6s we’ve seen in a while. Led by Age Managers Darren and Muni the Under 6s held a special “Gala day” early in the season to introduce our new Nippers and their parents to the club, to learn how Nippers work and how they can

get involved – not just with Nippers but also with the broader surf club community. Consequently, the Under 6s has one of the largest group of Parent Helpers and every week it was great to see huge smiles on the kids faces and we look forward to seeing them progress in future seasons.

As the Juniors in our club (and their parents) form a large portion of our overall membership and future patrolling life savers, a lot of focus has been put on attracting and retaining members as they progress through the years. We’ve started to implement a number of strategies to help keep our Nippers and Juniors/ Cadets involved with the club as well as getting input from our parent groups on ways we can continue to improve and further develop the programmes.

To all our age groups - from our Under 6s through to the Under 14s – you’ve all made great progress throughout the season. I hope you continue this through next season and I encourage all parents to help get their Nippers to swim training during the winter months to build up their capabilities and confidence in the water.

Congratulations go to our Under 14s completing their Surf Rescue Certificate (SRC) course. Well done to our Under 14 Age Manager Jeremy Ferguson and thanks to our DYSLSC Education team for supporting them in their Surf Life Saving journey – most of these teenagers started out in our Under 6 age group 9 years ago and it is great to see how they have grown and developed into responsible young adults and junior surf lifesavers. We look forward to seeing them back next season with our Water Safety team.

Also from our Under 14s, we must congratulate both Leon Pearson and Suzumi Partridge who were DYSLSC’s finalists in the Sydney Northern Beaches (SNB) Junior Lifesaver of the Year Awards. Both represented DYSLSC at the workshops at SNB Branch and put forward some excellent presentations to the judging panel with Leon ultimately winning the Male Junior Lifesaver of the Year Award and going on to represent the SNB Branch at the State Awards.

We’ve had many social events during the season. First was our Halloween night where Nippers and their parents got dressed up in their scariest costumes. In December we had our Club Christmas party, the “Over the Hill Challenge” with North Curl Curl and the traditional Christmas Day pudding hunt on the beach. We also held our regular Friday night social BBQ (after training) and a BBQ at the conclusion of a couple of Saturday Twilight nippers. There were also some impromptu BBQs at the Manly Dam training on Monday nights.

Junior Activities Report

During the Australia Day long weekend we held our annual Junior Development Camp (JDC) now in its 11th year. We had 53 Nippers from Dee Why joined by 30 Orange Bush Nippers at the camp – the largest group from Orange in many years. Participants at the camp spent a couple of days learning more about surf safety, building confidence, knowledge in the water and having fun. We were also privileged to have Engine Swim organise a visit from Alistair (Ali) Day who is a Nutri Grain Ironman winner and 6-time winner of the Coolangatta Gold event to attend the camp and spend his time giving talks, tips during activities and

also getting in the water to race our Nippers in the “Ice Cream Challenge”. A big thank you to all who were involved in organising and running the camp including our parents and friends from Orange who help make this weekend/camp such a success.

Our Nipper Parent of the Year was Belinda Bedford. Belinda’s contribution this year has been outstanding as she has taken on the responsibilities of coordinating our BBQ (and not just at Nippers either – Belinda also organised the BBQs for Ocean Thunder and other events). Belinda was also one of our Child Protection Officers and Parent Helpers and regularly helped out at most events/ weekend Nippers. Congratulations and thank you Belinda.

The weather was much better this season particularly during our Club Championship rounds—meaning we finally got to conduct all four rounds for a change! The individual events and iron-person events were hotly contested, and it was great to see the enthusiasm and effort being put in by all our Nippers. In some cases it didn’t matter what place they finished in a race/ event, it was more important that they completed the event! Congratulations all our individual event winners and Age Champions – and also to Lisa Derz from the Under 9s for winning the overall Junior Club Champion Award.

Our training programs have just exploded this season in terms of the number of Nippers attending. Our Monday Manly Dam sessions now attract over 40 Nippers and the number of participants in the 100k Winter programme have also increased. We’re seeing so many kids at training we will need more parents with their Bronze helping out in future. A big thanks to our Coaches Warren, Matt and Cam, as well as the parents & juniors who regularly provide water safety at these sessions – Brendan, Neil, Fiona, Neva, Paul, Jeremy, Kerry, Darren, Bronte, Massimo & Taylah.

A big thanks to Karl and Peter for looking after our Nipper gear and getting our gear shed better organised – for someone who was doing setup most weekends it was much easier and quicker when all the gear is set out properly and easy to access.

I’d like to give a huge thanks to both Jeremy and Justine for managing/coordinating our carnival teams this season and taking it to another level. The number of competitors (across all carnivals) this season doubled – and consequently so did our requirements for officials, water safety and coordination at events. The team has grown now to a point where the planning for our competitive season is going to have to start much earlier with the involvement of parents and coaches in setting up the strategy and roles/requirements for the season ahead.

In last season’s report I said I thought our competitors had one of their best seasons ever...again I was wrong as this season our competitive team has been nothing short of phenomenal! The results (on following pages) simply speak for themselves:

Junior Activities Report

- SNB Branch Championships 26 Medals (up from 9 in 2017/18) & 164 points finishing 6th overall
- State Championships 3 Medals (up from 1 in 2017/18) & 23 finalists (up from 6 in 2017/18)
- All other carnivals – 15 Gold Medals, 21 Silver Medals, 20 Bronze Medals & 62 Top-6 finishes

I don't think the club has seen that number of Junior medals in many years and these results are a testament to the dedicated training efforts of our team, their coaches and the support of parents and managers. Thanks must also go to all our parents and friends who helped out with carnivals as Officials, Water Safety, First Aid, IRBs, tent setups, and general coordination of Nippers to get to their events on-time (and a big thanks to Herve for looking after the Nipper programme for a few Sunday's while I was attending carnivals).

This season our state team also had some extra inspiration as they wore "purple" jammers with a love-heart motif as a special commemoration for Dannealle Hannam who we sadly lost last year and who all our Nipper kids and parents miss terribly.

Congratulations to our Nippers who were selected to the Branch representative teams and Development pathways during the season:

- We had 7 Juniors selected to the SNB High Performance Squad - well done to Keaten, Rishi, Michael, Dylan, Sam, Massimo and Lachlan. This is the biggest representation DYSLSC has seen at this level.
- We had 4 Juniors selected to the SNB Development Squad - well done to Archer, Keaten, Hannah and Dylan. this is the first year this squad has been put together.
- We had 1 Junior selected to SNB Interbranch Team - well done to Keaten who is the first DYSLSC to reach this team in over a decade!

Finally, a massive thank you to our outgoing Nipper Secretary Fiona who this year has done a fantastic job with setting up a lot of our new communication channels, new processes and relevant documentation which will serve the Program for many years to come. Fiona certainly made my role as JAC much easier with her contributions.

We hope everyone enjoyed the 2018/19 season with Dee Why and we look forward to seeing you all back again next season – until then we'll "see you on the beach!"

Group	Age Manager/s
Under 6	Darren Binskin; Muni Duerinckx
Under 7	Cristian Barber; Sanja Taslaman
Under 8	Alex Suhr; Vanessa Hughes
Under 9	Noelle Sadinsky; Andrew Scott

Junior Activities Report

Nipper Carnival Results

Forster Weekend of Surf

Swim: Under 9 – 2nd Lisa Derz; Under 11 – 2nd Archie Ferguson
Board: Under 9 – 5th Lisa Derz, 6th Amber Stevenson; Under 10 – 4th Elio Vezzola
Ironperson: Under 11 – 6th Archie Ferguson
Flags: Under 12 – 4th Mikey Molinia
Mixed Beach Relay: Under 12 – 6th

Bennett Board Carnival, Dee Why 21 October 2018

Board: Under 9 – 2nd Lisa Derz, 4th Amber Stevenson, 6th Chloe Hagon;
Under 10 – 3rd Elio Vezzola; Under 11 - 4th Archie Ferguson; Under 12 – 4th Rishi Shankar
Mixed Relay: Under 11 – 5th

Paul Hammond Beach Carnival Queenscliff, 28th October 2018

1km Run: Under 9 – 1st Lisa Derz; Under 10 – 1st Elio Vezzola; Under 11 – 5th Eryn Ronge-Smith;
Under 12 – 1st Keaten Ronge-Smith, 2nd Hannah Stevenson, 3rd Brooke Derz,
4th Mia Middleton; 6th Rishi Shankar; Under 13 – 1st Dylan MacKenzie, 2nd Brooke Frew,
5th Ruby Alexander, 6th Alexandre Cheminat; Under 14 – 2nd Sam Ferguson
Flags: Under 10 – 5th Elio Vezzola; Under 11 -5th Eden Melham; Under 13 - 4th Dylan MacKenzie;
Under 14 – 2nd Sam Ferguson
Sprint: Under 13 – 1st Dylan MacKenzie; Under 14 -2nd Sam Ferguson
Mixed Beach Relay: Under 13 – 2nd

Newport Water Carnival, 3 November 2018

Swim: Under 9 – 1st Lisa Derz, 2nd Amber Stevenson; Under 11 – 4th Archie Ferguson,
4th Eryn Ronge-Smith; Under 12 – 3rd Keaten Ronge-Smith, 6th Hannah Stevenson
Board: Under 9 – 1st Lisa Derz, 6th Amber Stevenson; Under 11 – 4th Archie Ferguson
Ironperson: Under 11 – 3rd Archie Ferguson; Under 12 – 6th Keaten Ronge-Smith
Board Relay: Under 9 -Girls 1st; Under 11 – Girls 3rd; Under 12 – Boys 3rd
All Age Board Relay: Dee Why 5th

2K and 4K Hydrothon, North Curl Curl, 1 December 2018

2Km: 8 – 10 Years Male – 1st Archie Ferguson, 12th Elio Vezzola;
8 – 10 Years Female – 2nd Eryn Ronge-Smith, 8th Lisa Derz, 10th Amber Stevenson,
16th Chloe Hagon
4km: Long Board Male – 3rd Massimo Vezzola, 5th Lachlan Trewin, 7th Sam Ferguson
Short Board Male – 5th Keaton Ronge-Smith; 17th Rishi Shankar, 20th Mikey Molinia;
Short Board Female - 3rd Hannah Stevenson, 7th Brooke Derz

Narrabeen Beach Carnival, 13th January 2019

1km Run Under 9 - 1st Lisa Derz, 3rd Amber Stevenson, 6th Piero Vezzola; Under 10 – 1st Elio Vezzola;
Under 11 - 1st Eryn Ronge-Smith, 4th Eden Melham, 5th Jayda Rongonui;
Under 12 - 1st Brooke Derz, 3rd Hannah Stevenson, 3rd Rishi Shankar,
6th Mikey Molinia; Under 13 – 3rd Brooke Frew, 4th Dylan MacKenzie
Flags: Under 9 – 6th Lisa Derz, Under 10 - Elio Vezzola; Under 11 – 2nd Eden Melham;
Under 12 - 2nd Hannah Stevenson; Under 13 - 6th Dylan MacKenzie
Sprint Under 13 – 2nd Dylan MacKenzie
Mixed Beach Relay: Under 9 – 6th ; Under 11 – 2nd; Under 12 – 3rd
All Age Beach Relay: Dee Why 6th

Junior Activities Report

Manly Nipper Nats, 20th January 2019

Swim:	Under 9 – 2nd Amber Stevenson, 6th Lisa Derz; Under 12 – 6th Keaten Ronge-Smith
