107th Annual General Meeting of the Dee Why Surf Life Saving Club

Sunday 26th July

2020

Swan Lounge
DYSLSC and via
Zoom

The Committee and Members of the Club extend their condolences to those who have lost family and friends during the past year.

Vale

Robert John Starr - 15/12/1934 - 15/12/2019 - Aged 85 Years

Bob joined DYSLSC as a junior in the 1951/1952 season and remained a member for over 60 years. He gained his Bronze Medallion in the season he joined. During his membership he served on the Committee and was involved in competition, gaining places in Surfboard Competitions. To his wife Valerie and family we extend our deepest sympathy.

Kevin William Hardy - 14/10/2019 - Aged 82 Years

Kevin was a member of DYSLSC over the period 1952 to 1969. He gained his Bronze Medallion in 1953. During his membership he held many Committee positions, including Secretary from 1958 to 1960. Our sympathy is extended to his wife Frances. and children Martin, Clinton and Michelle.

Thank you to Anne Henshaw (via Instagram) for the front page photograph and to Emily Buckle and Paul Melham for their wonderful shots this season

DYSLSC Awards - 2018/2019 Season

Awards Presented at the 2018/2019 Annual General Meeting

Senior Club Person of the Year - **Peter Hatfield**

Junior Club Person of the Year - **Massimo Vezzola**

Prominent Service

Jenny Graves

- Joined as a nipper parent in 2006
- Nipper secretary for 3 years
- Surf official for 5 years, nominated as official of the year from Dee Why this year, attended most nipper carnivals and the majority of open carnivals including branch and state carnivals as a Dee Why representative covering official requirements
- Attended junior state for 2 seasons as first aid as per club requirements
- Patrolling member as a award member for 4 season holding first aid and ARTC awards with in excess of 100 hours on active reserve patrols
- Held position on the Management committee as nipper representative 2014,15,16 and competition manager in 2017,18 season
- Assists on JDC camp 10 years
- Assists with functions and fundraising events especially presentations, junior and senior

Justine Head

- Joined as a nipper parent in 2006
- Age manager since 2012
- Bronze medallion and patrolled since 2017, top 10 patroller for both those 2 years with 148.75 hours in those 2 seasons
- Nominee for the Bruce Richardson award
- Senior female patrol person 18/19 season
- Nipper registrar 2 years
- Assists with all fundraising events including pub to pub (including stepping in as organiser last season) sun run and ocean thunder
- Worked on both junior and senior presentations for the past 6 seasons including helping setting up and menus
- Assists with JDC camp 10 years
- Assists in all capacities where possible

Jan Hockley

- Member since 2007
- No official committee position but since 2007 has assisted consistently with club rego days, clothing shop, BBQ for nippers and events such as ocean thunder, countless hours on the bbq
- Assists with the JDC and club functions over the past 10 years
- Always there to assist with sun run and pub to pub

Outstanding Service

Janine Portelli

- Prominent service in 2015
- Joined as a nipper parent in 2004
- Age manager for 5 years
- 3 years officiating attending all junior carnivals in this time
- 2 years patrolling with in excess of 80 hours as an award member
- Held roles of BBQ coordinator and clothing coordinator together in excess of 10 years
- Assists with fund raising events preparing food such as Halloween and the Italian night
- Has prepared food for the Junior Development Camps for the past 10 seasons including morning tea lunch and the dinner
- Has prepared food for several presentation evenings, most remembered the back to the beach senior presentation 18/19 season
- Assists with BBQ since started for nippers and all events including ocean thunder
- Organised Ali Day for the JDC for the nippers

Herve Vichemont

- Joined as a nipper parent in 2009
- Age Manager for over 5 years, assists with water safety in the IRB and with water safety for nipper training at Manly Dam
- Gained his Bronze in 2009
- Assisted on training courses, Bronze and IRB, initially as a content expert then as a trainer
- Gained IRB Crew Certificate in 2010 and Driver in 2011
- Patrol Captain Award since 2012
- RWC since 2015, when on duty, engages other members encouraging them to become involved in Jet Skis.
- Assists at the JDC maps, managing a group or doing water safety as required
- Stepped up to run nippers when carnivals are on and much of the normal team is absent
- 10 Year Patrol Service Award in 2019

Distinguished Service

Cam Wyllie

- Joined 2001
- Has been coaching since 2006, still coaching regularly and assisting with nipper coaching
- Age manager since joined
- Has had no kids in nippers for 6 years but still attends nearly all nipper sessions and assists with the running of club champs and assisting, using his expertise, with junior water events and skill enhancements
- Competitor and representative for Dee Why at all levels from local to national, won several medals and is a strong team member
- Senior Club person of the year 2013
- Long service, not rostered on any patrols but has done in excess of 80 volunteer/substitute hours and well in excess of 100 water safety hours over the past 8 years. Is invaluable on any patrol especially on an outpost situation
- Assists with the development of cadets and Masters building their surf skills and making them better patrol members

President's Report

- Hugh Long

It is with great pleasure that I present the Annual Report for 2019 / 2020 to the 107th Annual General Meeting of the Dee Why Surf Lifesaving Club.

As Surf Life Saving is now an Emergency Service, we got to experience many new aspects of our role in the community during the 2019 / 2020 season. We were called upon to support other Emergency Service organisations during the bushfire crisis and then local flooding. This was a valuable experience for the members involved and I would like to thank all those members who responded to the call.

Our primary function however is and always will be to keep beaches safe and I am pleased to report there were no lives lost on Dee Why beach during patrol hours during this season. Thank you to all the Patrol Captains and the patrolling members for an outstanding effort during the season in keeping the beach safe.

This year will go down in history as one that changed the way we live due to the COVID-19 pandemic and it will affect how we, as a Surf life Saving Club, will function in the future. What that will look like is still to be determined and depends largely on NSW Health guidelines which will be governed by how COVID-19 can be managed and if, or when, a vaccine is developed.

While the future is uncertain and our season ended early there is much to acknowledge from the 2019 / 2020 season.

In late July 2019 our Secretary needed to step down due to work and family commitments and I would like to thank Rowena Clarke for stepping up at short notice and taking on the role for the rest of the year.

The season started well with an open forum for Patrol Captains and patrolling members. The importance of communication was reiterated to all members. The club utilised technology and applications such as Team App that were effectively used by the Club Captain and Patrol Captains to communicate with patrolling members. This ensured we always had the required numbers and members with the appropriate awards on each patrol. It was important that we were well prepared for a busy season.

Dee Why has become one of the busiest beaches in the Sydney Northern Beaches Branch with many visitors coming from outside the area for day trips, weekends and holidays and many of these visitors have little experience with surf beaches and the associated hazards such as rips.

This was highlighted when there were several incidents on the beach shortly after patrol stand down that required response from the club emergency call out team and club members. These incidents were of a nature that they required an ambulance response. Thankfully the final outcome was positive due to the timely response and actions of the club members. These incidents all involved visitors to the area.

Because of these incidents the Club Captain, Matt Molinia, put forward a proposal to SLSSNB and the Council Lifeguards that over the peak period from the start of December to the end of January that a core group, (Patrol Captain, Driver, Crew, ART holder) stay back for an extra hour after the scheduled patrol end time until 7pm. All

the Patrol Captains and key patrolling members supported this unplanned change to the timetable.

The Northern Beaches council also supported the initiative and extended their hours to work with us. We had no further callouts after the end of patrol during this extension period. Based on the high numbers on the beach in the extended hour, it was a worthwhile exercise.

*New SRC
Graduates*

Recruiting new Bronze members and the ongoing education of our existing Bronze members is always a high priority. Our CTO, Emily Buckle, has reported that it was another fantastic season for Education at Dee Why with 43 new enthusiastic Bronze and SRC members to Patrol prior to December. Our Summer Bronze and SRC candidates missed out on completing their assessments by one week due to COVID-19 and we hope to get them through by the start of the 2020 /2021 season. Emily continues to work with fellow CTOs from neighbouring clubs and as a collaborative group they have added value to our courses through shared personnel, resources and initiatives.

Combined ARTC hosted by DYSLSC

The 2019 / 2020 season end abruptly on Friday 27 March 2020 when SLSNSW issued a notice to all clubs stating, **“Effective immediately, all patrols by volunteer surf lifesavers on NSW beaches will be cancelled for the remainder of the 2019/2020 season”.**

In line with NSW Health and SLSNSW guidelines, our club went into full lock down with no access to members from 27 March 2020 until 26 June 2020.

Our mode of operation changed with the committee meetings being held as virtual meetings using ZOOM, the AGM to be held as combined virtual / in club (with restricted numbers) meeting with the Club presentations immediately following the AGM with the same virtual / in club format. All training and club activities ceased and our annual “end of season extravaganza” was cancelled.

ZOOM - the new way of meeting

Although patrolling had ceased we were called upon from SLSSNB to provide assistance to the Jet Ski team so they could continue to operate until the end of the season. We provided an area in the club to house the Jet Ski and access to amenities for the Jet Ski patrolling members on the weekend.

As COVID-19 restrictions started to be eased in June we were able to start planning for returning to club activities. We were required to develop a COVID-19 management plan and an implementation strategy which needed to be endorsed by SLSSNB and registered with NSW Health.

I would like to acknowledge Justine Head, the Club Administrative Assistant, for developing, registering and implementing the plans and overseeing making the club compliant to allow us to start moving back to club activities. This was an enormous task which Justine managed seamlessly and professionally, thank you Justine.

As we move forward we will need to be adaptable and resilient in an unpredictable and ever changing environment and I am sure by the time you read this report the situation will have changed.

Our members have been understanding, cooperative and supportive during this difficult period and I would like to thank everyone for their support in helping the club remain compliant with SLSNSW and NSW Health COVID-19 requirements.

Whilst we were unable to hold our annual Club Presentation evening due to COVID-19, congratulations go out to everyone who will receive an award. An awards presentation event for major awards is being planned to coincide with the AGM and will take on a similar format to the AGM with limited numbers in the club and a broadcast of the event over Zoom. A more formal event will be held for the presentation of Club and Bronze awards when circumstances allow.

Due to the restrictions this year the Branch Awards of Excellence was held at Branch HQ in Warriewood with limited numbers able to attend. The event was also broadcast via a live Facebook stream.

Congratulations to the DYSLSC winners and nominees.

Matt Molinia was awarded a Branch Outstanding Service Award.

Mark Mackenzie was awarded Official of the Year.

Courtney Campbell was awarded a High Commendation in the Youth Volunteer category.

Our other nominees were:

Emily Buckle - Administrator

Matthew Molinia - Extend Patrol Hours innovation

Tim Partridge - Patrol Captain

Herve Vichemont - Surf Life Saver

Ayman Haggag - Volunteer

Congratulations also to Dylan MacKenzie who was DYSLSC's finalist in the Sydney Northern Beaches (SNB) Junior Lifesaver of the Year Awards

Dylan Mackenzie – Dee Why SLSC

Involvement and Highlights in Surf Life Saving

- Through Dylan's 10 year involvement in surf lifesaving, his greatest highlight was achieving his SRC last season
- From there, Dylan then obtained a 100% attendance record for all his rostered patrols.
- Dylan has also achieved some good results competing in beach events and has improved in water events

Program initiative

- Some beaches have a lot of entry and exit points which may not be near the flags.
- Tourists / visitors to the beach should be aware that they shouldn't be swimming at the entry point they walked onto the beach.
- Dylan would like to have signs at all entrances reminding people to swim between the red and yellow flags.
- The signs could have the same message in different languages
- Tourists / visitors need to know the safest place to swim is between the red and yellow flags

Inspiration for You to Achieve your Goals in Surf Life Saving

- Age Managers, Officials, Trainers and everyone within a Club who give up their time is an inspiration to Dylan
- Dylan's Patrol Captain is also an inspiration showing him how to adopt a more protective role on the beach and within his community and how to keep people safe and prevent injury or incidents.

Dee Why Surf Life Saving Club

The Northern Beaches council has allocated funds for the replacement of the four roller doors on the east side of the club. Funds have also been allocated for painting the club. We expect these projects to be completed before the start of the 2020 / 2021 season.

During the wild storms at the beginning of the year the club sustained damaged to the sails on the Betty Barry balcony, the solar panels on the roof and the newly refurbished Swan Lounge floor. The sails will be replaced and the Swan Lounge floor repaired through insurance due to the damage.

Sponsorship

Due to COVID-19 we were unable to hold our Annual Sponsors Lunch this July. We are planning to hold something later in the year to thank all our sponsors for their support.

We realise that this has been a difficult time for our sponsors and their families and businesses and appreciate what they have contributed to club during their time with us.

Thank you to all our club sponsors for their ongoing support without which we would struggle to be able to provide the equipment and training we need to be so effective on the beach.

Dee Why RSL, Reilly & Sons Food Services, Upstate Real Estate, Apex Signs, Beaches Sea-Doo & Can-am, Bennett Boards, Wavescape Orthodontics, Icon Homes, Network 10, Active Auto, Vivid Cleaning Services, Blue Sky Building Designs, Rod Finlayson Remedial Building, URM

Events / Functions

Junior Craft Carnival and All Age Board Relay Challenge Hosted by Dee Why SLSC on 20 October 2019 and proudly sponsored by Bennett Surfboards

Dee Why Active Fast Fives – U14s and U15s to Opens Hosted by Dee Why SLSC and proudly sponsored by Active Automotive.

We held our Junior Club Championship rounds during the season and the individual events and iron-person events were hotly contested. Congratulations to Lisa Derz from the U10s for winning the overall Junior Club Champion Award, her 2nd in a row.

During the Australia Day long weekend we held our annual Junior Development Camp (JDC) now in its 12th year. We

Clubhouse and facilities

The Betty Barry Room refurbishment is progressing with the project group under the lead of Dave Lang working with a final design with full specifications, layout and fittings. After the initial consultation with a designer it was decided that a more comprehensive approach was required for a full renovation which would require in-depth planning and design. The renovation is scheduled to be completed by the beginning of the 2020/2021 season.

Swan Lounge underwent some maintenance with the floor being sanded and resurfaced and the overhead projector was upgraded.

Allen Lakeman continues to work with the Northern Beaches Council to get approval for the extension of the north end of the club.

had 73 Nippers from Dee Why and Orange Bush Nippers at the camp. For some of the young nippers from Orange this is their first experience with the surf in a Life Saving environment and the feedback from the Orange group is always high praise for the event and the organisers. The camp highlight was our trip to the Sydney Cricket Ground to attend the Sydney Sixers "Beach Party" game.

DYSLSC again hosted the annual visit from the Mid North Coast/Lower North Coast with some 54 youth plus chaperones billeted at the club. This is always a great experience for the young Life Savers to be able to visit SLSNSW Head Office, CareFlight HQ and patrol at several clubs on the Northern Beaches. This year had a bonus, it was a welcome distraction for many of our fellow Life Savers from the north as that region was heavily affected by the bushfires. Thank you to all the clubs that supported the program and a special thank you to Rowena Clarke (Dee Why) and Gary Hawkins (Mid North Coast) for all their hard work organising the visit.

The club provided volunteers for the annual Beach2Beach (was Pub2Pub) and Sun Fun Run which were coordinated by Justine Head which helps raise funds for the club.

Ocean thunder was back at Dee Why Beach again this year. Three rounds of the event were completed but due to the COVID-19 restrictions the final round has been postponed to November 2020.

On the social scene the club held the usual scheduled events which include the Friday evening BBQ in the Betty Barry room, club Christmas Party on 7 December and the annual Christmas Day pudding hunt.

Christmas on the Beach

In addition to these several new events were added, the pre-season kick off and BBQ which is now becoming one of our regular events, Let's Groove Tonight Summer Party with a live band on Saturday 2nd November.

The Trivia Night on Saturday 30th November was organised by Justine Head and was a great event enjoyed by everyone who attended and really bought out the competitive nature of some of our members and lengths they will go to for a win.

In summary this has been a year like no other with COVID-19 having the bigger impact on our daily routine. Our season finished abruptly, Aussies was cancelled, club and branch events affected and member welfare a concern because of isolation and as always when needed our members have been there to support each other.

On behalf of the DYSLSC I would like to express my appreciation to everyone involved with and supporting DYSLSC, the Committee, the members and their families, the sponsors, Branch staff, the Lifeguards and all those who have supported us throughout the year.

I wish the club all the best for the future and can only say it has been a pleasure and a privilege to be able to work with such a dedicated, selfless group of people. Thank you.

Secretary's Report

- Rowena Clarke

In late August I fielded a request from the Executive to assist the club by filling the vacant role of Secretary after the elected Secretary stepped down following the Annual General Meeting. So without any forethought I naturally said yes and began a new journey in September. I'd like to thank the Executive for the opportunity to further my administrative knowledge and for their assistance in what has become a very challenging season.

The secretary role was one that I did not have much familiarity with but was more than happy to step in to assist until a replacement could be found. I know that it is becoming increasingly difficult to attract new members to work on the committee and I'd like to take the opportunity to reach out to our members that have ever considered becoming involved. Our club is an eclectic group of amazing characters with vast experience and skills.

Surf Life Saving provides an amazing opportunity for people of all ages to learn new skills and gain valuable experience in so many different areas. The pathways are many and varied and the opportunity to learn and grow as an individual shouldn't be wasted. I urge our members both young and old to become involved. Learn a new skill and gain new qualifications. For many these qualifications can ultimately assist their career. Put your hand up to take up a role on the committee and gain management experience. Joining your management committee gives you a platform to develop and pursue your ideas. I know it's a cliché but the things you gain from Surf Life Saving are a direct link to how much effort you're willing to put it in.

Not only will you gain experience in skills you never thought possible but you'll meet new people and become a part of a common goal to protect and serve our community in a meaningful way. My first role on the management committee was way back in 1988 as Assistant Chief Instructor. I was 16 years old. Whilst saying yes to a committee position may seem daunting to most, I urge my fellow members to set aside their anxiety and think about the doors that could be opened for them.

I grew up in a very different Surf Life Saving movement than the modern business it is today. There are so many more opportunities available to members in so many areas that you'd be stupid not to capitalise and take them with both hands. Nominate for State programs. Meet people from all over Australia who are as passionate about the beach as you are. Trust me when I say you will make many life-long friends just by getting involved.

The more you get involved in Surf Life Saving the more opportunities will be afforded to you. We have some of the best leadership programs, mentoring programs, training and education programs and sports programs in the country. So get out there and don't be afraid to say yes if you are approached to join your management committee. Say yes to joining the Board of Education at Branch level. Say yes to representing your club at carnivals or as an official. Say yes to joining the Support Operations team at Branch and become a SurfCom Operator, Jetski Driver or Drone operator. The pathways within Surf are many and varied and the skills you learn could ultimately assist you more than you think.

In February this year after years of procrastinating I applied for a role with NSW Ambulance. I can honestly say without the skills I have learnt as a member of Surf Life Saving and without the experience I gained through SurfCom, Club, Branch and State roles I would not have been successful. 2020 has taught us the hard way that nothing in life is a certainty. Get involved, learn new skills, meet new people and find your place in an organisation that can offer you so much.

The 2019/2020 season coincides with the 40th Anniversary of Women in Surf Life Saving and early in the season we were paid an impromptu visit from one of Dee Why's first women surf lifesavers, Wendy O'Sullivan. For those that don't know Wendy and Debbie Lang were the first female members from Dee Why SLSC to receive the award of the Bronze Medallion. Wendy, who resides in New Zealand, popped in briefly to say hi at the half way mark of her Bloody Long Walk.

This season was one that was truly like no other. In November our country was ravaged by Bushfire. The fires continued through December and January and Surf Life Saving was called on to assist those in need. Our friends on the Far South Coast transported stranded locals from the beach to safety. Meanwhile clubs throughout NSW devised plans to assist with donations. In January we were tasked with assisting the Rural Fire Service to provide communications officers at the RFS Headquarters in Homebush manning the 24hr Emergency hotline. Huge thank you to Emily Buckle and Steven Polley who kept me company at Homebush and represented DY and Branch with distinction.

In January we hosted youth from Mid North Coast and Lower North Coast Branch and I had the pleasure of taking some of Dee Why's teenagers out to the Careflight Helicopter base and Wet 'n Wild. We have some amazing young lifesavers at Dee Why and I'm proud to say they represented the club with pride and distinction.

After months of praying for rain the heavens opened in February and all hell broke loose on the Northern Beaches. Large parts of Narrabeen suffered flooding and Surf Life Saving SNB were tasked to assist NSW Police with the evacuation of residents. Dee Why members were quick to volunteer their assistance wading through waste deep water to assist the community. Shout out to Hugh, Matt, Darren, Emily, Tim, Alban and Andrey for their assistance.

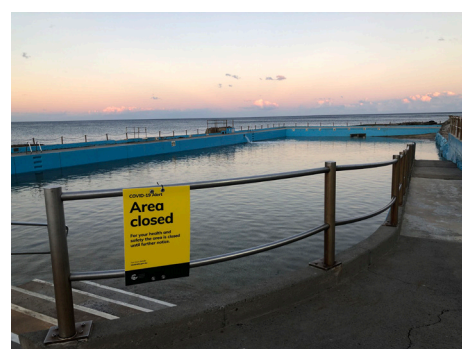

So as the flood waters receded and the season looked like getting back on track the World was thrown into turmoil with the COVID-19 pandemic. Strategies of social distancing were introduced and as the pandemic grew for the first time in more than 100 years volunteer lifesavers were removed from the beach. The club was placed in lockdown and staples like the State and Australian Championships were cancelled. Huge shout out to the committee that worked tirelessly to implement and communicate with members (especially in the beginning) during this difficult time when policies were changing on a daily basis.

Whilst COVID-19 bought our lifesaving and sporting season to an abrupt end it gave our hard working committee members some additional tasks. It is very likely the season we return to in 2020 will be a vastly different from what we are used to. No doubt our club will bend and flex with whatever is thrown at us and our members will continue their efforts to lead with vigilance and service.

Over the past two months I've been working with SLSNSW and representatives from other Branches to finalise the Junior Chairpersons Course and look forward to seeing this rolled out over the coming season. Nippers and parent education plays a vital role in the future success of our movement. Member retention programs are crucial to our longevity and programs that provide opportunities for parental involvement vital for our membership. I look forward to the positive influences this program will have across NSW.

Huge thank you to our President Hugh Long who has supported me throughout the season and granted me a leave of absence whilst I undertook training with NSW Ambulance. Dee Why SLSC is extremely lucky to have someone with Hugh's leadership skills to guide us through what has become one of the most difficult seasons on record. Thanks to the hard working executive Matt, Allen, Mark and Dave for their assistance throughout the season in so many ways. Huge shout out to Emily Buckle, Sue Cheney, Peter Hatfield, Steven Polley and Jenny Graves for all the work they do behind the scenes that plays such a vital role in our club operations running smoothly. And lastly thank you to our amazing members, young and old, who represent Dee Why with distinction and work tirelessly to protect and serve our community. You are all AMAZING!

Here's to an exciting 2020/21 whatever that may look like!

Club Captain's Report

- Matt Molinia

My second season as Club Captain definitely brought up a new set of challenges from fire and flood to plague. This all required additional commitment on our behalf as an organisation that is now part of the emergency services group.

The season started well with the roster going out early and the pre season forum for the Patrol Captains started us off on a positive note. Team App was well used by a large majority of members and it was great to see an increased volume Sub requests and general interaction via the App. More so the fact that I did not receive even one callout during the season for a patrol that was short or in need of an essential award shows the effectiveness of this form of interactive communication.

Becoming a new member of the emergency services group meant that our level of commitment and responsibility needed to increase. With a full season trialling the App, the Captains became much more proficient and compliant in entering stats and information, a necessary requirement with our new responsibilities. It wasn't long into the season that, as an organisation, we were asked to assist with the emergency services in relation to assisting with the fires and with the floods. Several of our members put in additional time to help where requested, whether it was by door knocking and checking on people or assisting with the emergency evacuation on the Northern Beaches. It is really great to see the level of commitment of our members, not only to patrolling but to generally want to assist and help out the community.

In late November and early December at Dee Why we had 2 after hours call outs where there were near drownings of several members of the public, within ½ hour of the patrol being finished. It was decided to look at a solution. Due to the fact that at this time of the year it was still quite warm and light it was deemed that 6pm was too early to finish patrols. After some discussion with the council lifeguards that regularly patrol at Dee Why and discussions with Adrian Hill, Director Of Lifesaving (DOL) a proposal was sent to extend hours during the Christmas to Australia Day peak period. There was full support of the concept from both the DOL and the council with council extending the Lifeguard hours to match, showing the 2 organisations working together harmoniously. An extended hours roster was sent to all Patrol Captains, with minimal notice, outlining the requirements and this was embraced as a good and necessary requirement and all were on board without hesitation. Once again it was great to see our patrolling members, being community minded, not hesitating to take on the additional commitment and responsibility due to a need and for the good of the community.

The Christmas holiday period is an exceptionally busy period on the beach. It was great to see that from a simple request to come down and help out when you can, we received so much support from a large number of the members, especially the recent Bronze groups. One Long Service member in particular, Ron Tyson, newly returned from injury managed to do an entire season of patrols just over that Christmas/New Years break, a mammoth effort and as an IRB Driver, a much appreciated resource on the beach.

Our season was unfortunately cut short due to the COVID 19 outbreak. As the pandemic became more serious and real, measures were taken to manage our members' exposure during this uncertain time, up until the point that SLS ceased all volunteer patrols. For some this did not mean an end to our season. Our afterhours call out teams were on standby and it needs to be noted that on one occasion when an emergency callout message went out 10 of the 12 members of that team were on the beach getting gear and equipment ready within 5 minutes. It was a fantastic response time and effort. During the lockdown the Branch requested to house one of the Jet Skis at Dee Why, being a central and suitable location for support operations. Hopefully we can look to this being a permanent arrangement and encourage more of our members to become Jet Ski operators and demonstrate to the council the need for more space. Unfortunately we have been unable to hold our major club social events, the end of season patrol BBQ and the Presentation Evening but hopefully, once restrictions have been lifted, we can all come back together and celebrate and support each other.

This season, after discussions with the CTO and other key members, it was decided to stop following old requirements for the sake of it. As a forward thinking organisation that does not in any way discriminate against age, race, gender, etc, it was seen as a need to remove this from our awards. As a volunteer, the number of hours a member can do, the awards that they attain or the position they hold is gender unbiased. For that reason, and for the need to propagate equal opportunity, the awards that were previously given out for both male and female - Top 10 Patrollers, SRC Patrol Person, Junior Patrol Person and Senior Patrol Person of the Year will no longer be split into genders.

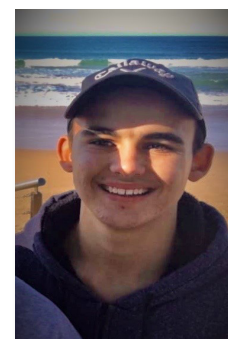

Our top 10 patrolling members were committed, not only to their own patrols but to patrolling when needed and called upon, especially over the Christmas period.

Top 10 Patrolling Members

Position	Name	No of Hours patrolled at Dee Why
1	Steven Polley	129.5
2	Massimo Vezzola	117.5
3	Matthew Molinia	105
4	Allen Lakeman	100.5
5	Neva Imbs	81.25
6	Justine Head	77.5
7	Emily Buckle	76.83
8	Chris Inman	70.5
9	Felix Forbes	66.75
10	Dylan MacKenzie	66.5

Our SRC Patrol Person of the Year: **Dylan MacKenzie**

He is a diligent patrolling member, happy to do what is asked, but over and above this, being very active, willing to take the initiative and volunteer whenever there was a need

Our Youth Patrol Person of the Year: **Massimo Vezzola**

He has once again proven himself as a committed and diligent patrol member who will help out whenever he can. As a role model he has a positive influence on the young SRC members coming through and shows not just a level of maturity and commitment but also shows that it can be fun and rewarding on patrol.

Our Senior Patrol Person of the Year: **Felix Forbes**

Felix has been a committed patrolling member, always looking to help out and jump in as a sub when required, stepped up this season and did his beach management award and also looking forward at the future of the club and patrols assisted with Bronze training.

Our IRB driver and crew of the year showed a great amount of promise. Not necessarily being in the boat the most but putting their hands up when needed and being reliable and putting in the extra time.

The IRB Driver of the Year is: **Sean Cassidy**

The IRB Crewperson of the Year is: **Massimo Vezzola**

The patrol of the year this season was a very difficult decision to make. Due to the support from all patrols when the hours were extended it was very difficult to pick a standout. Looking at each individual patrol's statistics and the number of no shows, taking into account that the season was shortened, the nominees for patrol of the year were Patrol ARF, Patrol ARC and Patrol #2. The winner being this season due to organisation, communication and feedback looking to improve the mechanisms around patrolling was:

Patrol of the Year: **Patrol 2** - Tim Partridge, Chris Inman, Megumi Partridge, Emily Buckle, Wayne Dobby, Ethan Griffin, Emma Katen, Zoltan Klinger, Hayden Link, Sam Serisier, Amirah Dobby, Talia Martyn, Luna O'Donoghue, Suzumi Partridge

The Ray Martin Patrol Captain of the year is: **Tim Partridge**

Tim is a diligent and well organised Patrol Captain. While being efficient and ensuring that they have a full patrol at all times and that the App, whether it is functioning or if there is an issue, maliciously reports everything and requests solutions to rectify or work around the issue. He and his team also ensure that all of their members are proficient and financial early in the season.

The season as a whole I believe to be a success. The members that were there were committed and showed a real positive spirit to volunteering. It was really great to hear comments to the effect that patrolling members were upset that the season was cut short, they were looking forward to their next patrol. I am confident that with the current culture and commitment in the club, the tumultuous year that has just passed will not affect the majority of the members enthusiasm and commitment and we will see them all next season.

After a great season I hope to move forward and continue with the plan and build more strength, cohesiveness and a sense of belonging in all patrols, continuing to introduce new members and retain our existing member base of experience and commitment.

Training and Education Report

By Emily Buckle (CTO)

Congratulations to our hard-working Education Team on another successful season at Dee Why SLSC – and what a season it has been! Despite the threat of fires, floods, and a shortened season due to the global pandemic, our members achieved over 100 new awards and participated in 320 proficiencies. In addition to awards completed, we have 12 new Bronze members, 4 SRC's and 15 IRB Crew candidates patiently waiting in the wings after their courses were paused due to COVID-19. We look forward to getting back on the beach and wrapping up those awards as soon as possible.

A huge thank you to all our Trainers and Content Experts who faced this extremely unsettled season with calmness and positivity. They dedicated extraordinary hours of volunteer time across early mornings and late nights to support the training and development of our members, whilst also finding time to maintain their own accreditations. Thank you also to the families of our Education Team for their ongoing patience and support of our team's endeavours. Lifesaving education is the gateway to our Club, and it is this dedication that keeps us moving forward.

My sincerest gratitude goes to Sam Serisier and Fiona Ronge for taking on the Proficiency Coordinator and Training Coordinator positions this season. Their continual support with administration, coordination and guidance makes my job as CTO a significantly lighter and much more enjoyable.

Trainers, Assessors and Facilitators

Our exceptional team of accredited and probationary Trainers, Assessors and Facilitators are listed below. Welcome to the newest additions to our team; Felix Forbes, Neva Imbs and Paul Ryan. They have officially joined the Probationary Trainer Pathway this season. Please take the time to read through this list and offer them a virtual high-five for their efforts!

Name	Awards / Position
Darren Armitage	Assessor IRB Training Officer Bronze Medallion
Emily Buckle	Training Officer Bronze Medallion
Courtney Campbell	Probationary TAF (Bronze Medallion)
Rowena Clarke	Training Officer Bronze Medallion Training Officer ART [AID] (in progress)
Vivienne Cresswell	Assessor Bronze Medallion
Felix Forbes	Probationary TAF (Bronze Medallion)
Steve Haggett	Assessor ART [AID] Assessor Bronze Medallion Facilitator Silver Medallion Beach Management Facilitator Spinal Management
Neva Imbs	Probationary TAF (Bronze Medallion)
Chris Inman	Probationary TAF (IRB)
Allen Lakeman	Assessor Bronze Medallion Assessor Spinal Management
Hugh Long	Training Officer Bronze Medallion
Adrienne Lowe	Assessor Gold Medallion Facilitator Silver Medallion Beach Management Facilitator Spinal Management Assessor ART [AID] Assessor Bronze Medallion
Matt Molinia	Assessor Bronze Medallion Assessor IRB
Steven Polley	Probationary TAF (IRB)
Greg Punch	Assessor Bronze Medallion
Cameron Read	Probationary TAF (Bronze Medallion) Probationary TAF (IRB)
Paul Ryan	Probationary TAF (Bronze Medallion)
John Silva	Assessor IRB
David Spink	Assessor IRB Training Officer Bronze Medallion Training Officer ART [AID] (in progress)
Karen Thompson	Training Officer Bronze Medallion
Herve Vichemont	Training Officer Bronze Medallion

Content Experts

I would also like to extend a massive thank you to the Content Experts who provided valuable input this season. Your specialised knowledge and support are hugely appreciated and central to the outstanding results achieved by our candidates.

Content Expert Name	Award(s) Assisted With
Bruce Richardson	Lead Trainer for Bronze Medallion (Spring and Summer Course)
Ayman Haggag	Bronze Medallion (Spring and Summer Course)
Ahmed Elkady	Bronze Medallion (Summer Course)
Breno Reis Almeida Pinto	Bronze Medallion (Summer Course)
John Collins	Bronze Medallion & SRC (October Long Weekend / Orange)
Colin Kjoller	Bronze Medallion & SRC (October Long Weekend / Orange)
Ray Millar	Bronze Medallion & SRC (October Long Weekend / Orange)
Sean Cassidy	IRB Crew (Summer Course)
Alban Coville	IRB Crew (Summer Course)
Alex Suhr	IRB Crew (Summer Course)
Ron Tyson	IRB Crew (Summer Course)

Skills Maintenance (Proficiencies)

Annual Skills Maintenance ensures our Patrol members learn about changes to statutory requirements and refresh their skills at the beginning of each season. Sam Serisier (Proficiencies Coordinator) continues to do a magnificent job on this front - coordinating members, trainers, and delegates to ensure proficiencies are completed and entered before December 31st. He sets up the booking forms, provides ample communication to ensure each member is aware of upcoming sessions and undertakes all the checks and balances to maintain records in Surf Guard. It is a huge task to undertake, and we thank those members who work with the education team by keeping an eye on the calendar, booking early, and turning up on time.

Our utmost appreciation goes to the assessors and delegates that ran proficiencies this season, particularly Matt Molina, Rowena Clarke, Adrienne Lowe, Steve Haggett, Allen Lakeman, Greg Punch, Hugh Long, Herve Vichemont, Cameron Read, Bruce Richardson and Courtney Campbell. We appreciate the effort you put in to ensuring our members' skills are sustained to the highest standards.

Courses

It was full steam ahead with courses this season and I was incredibly proud to see so many new and existing members enrolling in awards. Well done to all who achieved a new award this season!

SRC and Bronze Medallion October Long Weekend Intensive Course

Our Surf Rescue Certificate (SRC) and Bronze Medallion Awards kicked off with the Intensive format on the October Long Weekend with excellent feedback from candidates and parents. It is fantastic to see the Club come alive at this time of year as the season gets underway and our members from Orange come to stay. Training was boosted by 4 new QCPR manikins that we received from SLSNSW just prior to this course, which connect to a tablet to provide feedback about the effectiveness of candidates' CPR technique. They proved to be a lot of fun and increased our candidates' engagement with CPR training.

Thanks to our lead trainers Matt Molina (SRC) and Cameron Read (Bronze) for your tireless efforts coordinating the courses, and to our supporting trainers Darren Armitage, Paul Ryan, Herve Vichemont, John Silva and Steve Haggett. We are also very appreciative of those that fed us across the weekend - Matt Molina, Lisa Trewin, Jen Crichton-Browne, Noelle Sadinsky, Mark Mackenzie and Kerry Frew. It is always a big weekend and we are grateful to all involved.

Bronze Medallion Block Squad and Spring Squad

Following on from the intensive course, we ran an additional two Bronze Squads through October and November – the Block Squad lead by Matt Molinia and Spring Squad lead by Bruce Richardson. We had loads of fun during training and were heartened by the extent to which the candidates connected and supported each other throughout the course. Thanks to all trainers and content experts working with Matt and Bruce to ensure our candidates are confident and competent to apply their skills on Patrol - Hugh Long, Courtney Campbell, Herve Vichemont, Greg Punch, Allen Lakeman, John Silva, Steve Haggett, Ayman Haggag and Neva Imbs. Your time and effort are greatly appreciated.

As a result of these courses, we were extremely pleased to welcome 43 enthusiastic Bronze and SRC members to Patrol prior to December. They have continued to display the motivation we saw during training - showing reliability on patrol, covering Public holiday shifts voluntarily, signing up for additional awards, undertaking water safety and extending their hand across training, coaching and administration. It has been an absolute pleasure to have them on-board.

Congratulations to all our candidates for a fantastic effort!

Bronze Medallion Summer Squad

Bronze training this season has not quite come to an end! Our Summer Bronze Squad began on 13th January, with candidates just one-week away from assessment when their course was put on hold due to COVID-19. It's certainly been an eventful series of events for these candidates with their training schedules adjusted first due to bush fires and the consequential air pollution, then due to multiple beach closures following storms and floods, and lastly for a global pandemic. They are another fantastic group and we appreciate their patience during this uncertainty. Huge thanks to their trainers and content experts for taking all these challenges in their stride - Bruce Richardson, Hugh Long, Herve Vichemont, Adrienne Lowe, Steve Haggett, Ayman Haggag, Felix Forbes, Ahmed Elkady, Neva Imbs and Liam French. We look forward to getting them across the line as soon as restrictions are lifted.

Advanced Resuscitation Techniques (ART)

It was great to see 12 members completing the Advanced Resuscitation Techniques certificate this season. We doubled the figure from 2018/19 due to the award being made more accessible through collaboration with neighbouring Clubs.

Thank you to Adrienne Lowe for scheduling an ART course at Dee Why and taking the role as lead trainer. We invited other Clubs along to this course and were pleased to welcome members from Queenscliff SLSC and North Curl Curl SLSC to the training squad. It was great to share ideas and resources and we hope to continue this trend into the future.

Massive thanks to the trainers for your time and flexibility with ART training amongst your already busy schedules – Adrienne Lowe, Steve Haggett, Kerry Seipelt (Queenscliff SLSC), Rowena Clarke and Dave Spink. Thanks also to the Clubs that offered places to Dee Why members on their courses; North Narrabeen (Steve Haggett) and South Curl Curl (Mike LeGeyt).

In addition to those obtaining a new ART award, we had 14 members upgrade their outdated Advanced Resuscitation Techniques Certificate to the current units of competency. This was run by Adrienne Lowe and Steve Haggett as an extension to skills maintenance. Thank you to the members who took the time to complete the upgrade.

IRB Crew and Silver Medallion IRB Driver

Congratulations to all members who committed to IRB training this season. We have loved seeing the huge amounts of enthusiasm and excitement you bring to the beach at 6.30am on Sunday mornings! At this stage we have added 8 IRB Crew and 3 IRB Drivers to Patrol, however there are another 15 IRB Crew candidates ready to be assessed once the COVID-19 restrictions are lifted.

We were pleased to add two new rescue training manikins to the IRB kit this season. The manikins simulate a conscious and unconscious casualty, enabling candidates to practise rescue scenarios without a live patient. This reduces risk of injury and allows faster turnover as members hone their skills. I'm certain they will be an asset to training for many years to come.

Thanks to our awesome IRB trainers and content experts for all their dedication to early morning training sessions throughout the season - Dave Spink, John Silva, Matt Molinia, Cam Read, Chris Inman, Darren Armitage, Sean Cassidy, Alban Coville and Alex Suhr. We greatly appreciate your efforts.

Provide First Aid

Congratulations to all members who obtained a First Aid award, either through SLSNSW or an alternative external provider. A special shout-out to Grahame McVay and Lisa Trewin who completed this certificate to join us on Patrol as award members.

There wasn't an opportunity to host a First Aid award at Dee Why this season, however we will look to schedule a course once COVID-19 restrictions are lifted. Thank you to Freshwater SLSC for inviting our members to attend this award at their Clubhouse, and to Adrienne Lowe for training.

For members who have completed Provide First Aid through SLSNSW, please check the awards record in your Members Area to make sure it is listed. If it isn't, please email the training team to let us know and we'll follow it up for you.

Silver Medallion Awards

Our patrols have been bolstered by 6 candidates who completed Silver Medallion awards this season. We have 2 members that obtained Silver Medallion Advanced First Aid, 4 members obtaining Silver Medallion Beach Management and the 3 IRB Drivers mentioned previously. It is fantastic to see members completing higher awards and we look forward to seeing more members undertake these challenges into next season.

Courses for Branch Support Operations

Congratulations to Cameron Read, Omar El Gazzar, Rowena Clarke and Sean Cassidy who became UAV Operators this season and completed UAV Patrols for Branch. Also, to Courtney Campbell who has recently begun RWC Operators course and will join the Branch Support Operations team next season.

Bruce Richardson Medal

Each year the Bruce Richardson Medal is presented to the "Most Outstanding Candidate of the Year". This is presented to the candidate who attempted, achieved, and used their awards and new skills to the benefit of the Club. The medal is based on a Calendar year, with nominees from Bronze courses completed between January and December 2019. It was both pleasing to have such a high calibre of candidates to select from this season, and after much deliberation we managed to whittle the list down to 4 very strong finalists – Jimmy Duguid (Summer Squad), Steve Clark (Intensive Squad), Gregory (Peter) Applewhite (Block Squad) and Ahmed Elkady (Spring Squad).

Huge congratulations to Jimmy Duguid who was the winning recipient of the Bruce Richardson Medal for 2019/2020! Jimmy completed the Bronze Medallion alongside his son Brayden and showed exceptional motivational and leadership skills throughout the course. His wife, Michelle, took fantastic professional photographs of this squad during their assessment which provided a wonderful keepsake for the candidates. Jimmy has gone on to become a dedicated Patrol member and completed several higher awards to build his capabilities. These include Advanced Resuscitation Techniques, IRB Crew, Silver Medallion Aquatic Rescue and Silver Medallion Beach Management. His new skills were put to the test on Christmas Day when he successfully rescued three beachgoers at once who had been caught in a flash rip. I am sure they will be forever grateful for his swift, skilled, and calm response. In addition to his fantastic achievements on the beach, Jimmy took the initiative to deliver surf safety sessions to preschool children in Bankstown. The kids had a marvellous time and the school requested further sessions in future. Jimmy is an extremely deserving winner and we thank him for his remarkable work this season.

Jimmy Duguid and son Brayden

Congratulations also to Steve, Peter and Ahmed who were all enthusiastic and encouraging members of their respective squads. They have each gone on to enrol in further awards and completed Patrol hours above what was rostered. Ahmed is particularly notable on this front, completing almost 40 hours between December 2019 and March 2020, when the season ended abruptly due to COVID-19. Steve, Peter, and Ahmed have all enrolled in the IRB Crew award, while Steve also completed the ART Certificate and Peter obtained a Provide First Aid award. Steve and Peter have also contributed significantly to the Nipper program as Parent Helpers and water safety. Ahmed continued to demonstrate excellence on the training front, joining us as a Content Expert during Summer Bronze training and quickly becoming a treasured member of the education team. We appreciate all the work you have done for the Club and look forward to your continued involvement.

Next Season

2020/21 looks to be another busy season! The updated Public Safety and Aquatic Rescue manual will be rolled out, along with a new curriculum, resources, and assessment procedure for the Bronze and SRC courses. Key changes include the removal of oxygen from the Bronze Medallion curriculum and addition of new spinal management procedures. This means that the Advanced Resuscitation Techniques award will become increasingly important as Bronze Medallion holders will no longer be able to deliver Oxygen without that additional certificate.

The Training Group and Club Captains Team will continue to work together to develop multi-skilled Patrols with backup award holders in each position. We will promote higher awards such as ART, Silver Medallion IRB Drivers and Silver Medallion Beach Management and work collaboratively with neighbouring Clubs to ensure ample opportunity for completion. No doubt we will also be adjusting training processes and precautions to accommodate COVID-19 guidelines.

We look forward to growing the training team, mentoring Probationary Trainers in their elected awards and welcoming new Content Experts to enrich the training experience for our members.

Our Training Group is always on the lookout for new members – including trainers, assessors, coaches, content experts and water safety. Please let me know if you would like to be involved. We have a lot of fun and it is a great chance to refresh your skills along the way.

In closing, I would like to offer our thanks to the Sydney Northern Beaches Branch for their support and assistance, plus all the Assessors who have given their time to Dee Why SLSC. It is sincerely appreciated.

Congratulations to all on a fantastic season and I look forward to seeing you on the beach again soon!

Firstly, a big “Thank you” to all our volunteers – our Nipper Committee, Age Managers, Parent Helpers, Coaches, Officials, Water Safety, First Aid and IRB crews for their outstanding work throughout the season and without whom we could not run our junior programme.

We’d also like to sincerely thank our sponsors – Network 10, Icon Homes, Wavescape Orthodontics, Upstate Real Estate, Apex Signage, Active Automotive and Bennett Boards for their support. Hopefully you’ve seen all our Parent helpers and competitor parents in their Icon Homes shirts and also all our Nippers running around with their new pink ‘10’ rashies.

The 2019/20 season was a mixed bag – particularly with some storms causing havoc and disrupting our programme late into the season. However, congratulations to our Junior members who have made huge improvements in their development and progression, their commitment to training and their performances both at weekend Nippers and those representing DYSLSC at carnivals.

Our season started off well with a very small increase in our Nipper and Parent memberships driven largely by the number of returning members in our U8s, U9s and U10 age groups. Our U10 age group is by far the largest number we’ve seen in that group for a number of seasons (over 50 nippers) and this could be attributed to both Andrew and Noelle’s guidance as Age Managers and how well the kids responded to them.

To all our age groups - from our Under 6s through to the Under 14s – you have all made great progress throughout the season. I hope you continue this through next season, and I encourage all parents to help get their Nippers to swim training where possible during the winter months to build up their capabilities and confidence in the water.

Congratulations go to our Under 14s completing their Surf Rescue Certificate (SRC) course. Well done to our Under 14 Age Manager Kerry Frew and thanks to our DYSLSC Education team for supporting them in their Surf Life Saving journey – most of these teenagers started out in our Under 6 age group 9 years ago and it is great to see how they have grown and developed into responsible young adults and junior surf lifesavers. We look forward to seeing them all back next season with our Water Safety team.

Junior Activities Report

- Mark MacKenzie

Also from our Under 14s, we must congratulate Dylan MacKenzie who was DYSLSC’s finalist in the Sydney Northern Beaches (SNB) Junior Lifesaver of the Year Awards. He represented DYSLSC at the workshops at SNB Branch and put forward an excellent presentation to the judging panel. Whilst Dylan did not win the major award his proposed initiative was so well received that the Northern Beaches Council Mayor who attended the awards ceremony offered to help Dylan implement it with council support.

We’ve had many social events during the season. First was our “Lets Groove Tonight Summer Party” in November which had a live band, followed by our very successful Trivia Night and our club Christmas Party. We hosted the “Over the Hill Challenge” with North Curl Curl SLSC and the traditional Christmas Day pudding hunt on the beach was also a success. These events were in addition to our regular Friday night social BBQ (after training) and a BBQ at the conclusion of a couple of Saturday Twilight nippers. There were also some impromptu BBQs at the Manly Dam training on Monday nights.

During the Australia Day long weekend we held our annual Junior Development Camp (JDC) now in its 12th year. We had 73 Nippers from Dee Why and Orange Bush Nippers at the camp. Participants at the camp spent a couple of days learning more about surf safety, building confidence, knowledge in the water and having fun. The camp highlight was our trip to the Sydney Cricket Ground to attend the Sydney Sixers “Beach Party” game and the group photo on the ground at the end of the game was very special. A big thank you to all who were involved in organising and running the camp including our parents and friends from Orange who help make this weekend/camp such a success.

Our Nipper Parent of the Year was Justine Head. Justine’s contribution this year has been outstanding as she has taken on the responsibilities of coordinating our competitors, being a membership registrar, organising our social events, training at the beach and Manly Dam,

our JDC and even managing an Age Group! Justine is always there to fill in all gaps and ensure all things run smoothly, she steps in wherever she can and has a positive influence and interaction with all of our Nippers and the parents she comes into contact with. She is focused on the development of the nippers, not just as competitors but as children growing into young adults and how Surf lifesaving has boundless opportunities to involve them in the many facets of their development. Congratulations and thank you Justine.

Special mentions need to go to Andrew and Anna Vezzola for their support and efforts helping out in so many areas whether it is for training, carnivals or just normal nippers – they are always ready to help. Similarly, Toby Hagon, Evette Wenlock (our Nipper secretary) and our resident photographer Paul Melham. Your efforts this season have been amazing and so appreciated.

We held our Club Championship rounds during the season and the individual events and iron-person events were hotly contested. It was great to see the enthusiasm and effort

being put in by all our Nippers and some great sportsmanship at the end of races with those who had finished races supporting and encouraging those who hadn't yet finished. Congratulations to all our individual event winners and Age Champions – and also to Lisa Derz from the U10s for winning the overall Junior Club Champion Award, her 2nd in a row.

Our training programs continue to attract good numbers. Our Monday Manly Dam sessions now attract over 40+ Nippers. We're seeing so many kids at training we will need more parents with their Bronze helping out in future. A big thanks to our Coaches Bronte, Warren, Matt and Cam, as well as the parents and juniors who regularly provide water safety at these sessions – Paul, Jeremy, Alex, Kerry, Darren, Toby, Ayman, Massimo and Lachlan.

We must give special thanks to Janine Portelli who after 15 years is stepping down as our Uniform Shop Coordinator. Janine's contribution to Nippers with our Uniform Shop, BBQs, events and camps has been extraordinary to say the least and she will be sadly missed. Please be sure to have all our Nippers thank her and wish her well next time you see her around the Club.

I'd like to give a huge thanks to both Jeremy and Justine for managing/coordinating our carnival teams this season. We've had a challenging year with a large group of our competitors from last season being 'poached' by other clubs – a consequence of our success unfortunately – but the focus and effort from our coordinators, coaches and parents on our smaller competitive team was nonetheless fantastic and the results were still impressive. We've also had a few meetings discussing how we can mitigate these challenges and next season we'll be implementing a number of strategies to help keep our Nippers and Juniors/Cadets involved with DY SLSC as well as getting input from our parent groups on ways we can continue to improve and further develop the programmes. We'll be encouraging our younger groups (U9s and U10s) to get more involved in carnivals next season.

Thanks must also go to all our parents and friends who helped out with carnivals as Officials, Water Safety, First Aid, IRBs, tent setups, and general coordination of Nippers to get to their events on-time (and a big thanks to Herve for looking after the Nipper programme for a few Sunday's while I was attending carnivals).

Congratulations to our Nippers who were selected to the Branch representative teams and Development pathways during the season – Dylan MacKenzie and Archer Ferguson who made the SNB Development Squad and attended a number of sessions/camps during the season.

Our competition results (on following pages) this season were remarkable for such a small team (less than 20):

- SNB Branch Championships 12 Medals – 3 Gold, 5 Silver, 4 Bronze and 11 Finalists
- State Championships 2 Medals - 1 Gold and 1 Silver and 5 Finalists
- All other carnivals – 5 Gold Medals, 15 Silver Medals and 8 Bronze Medals

We hope everyone enjoyed the 2019/20 season with Dee Why and we look forward to seeing you all back again next season – until then we will "see you on the beach!"

Nipper Carnival Results 2019/2020

Overall SNB Carnivals – 5 1st placings, 15 2nd placings and 8 3rd placings.

Branch Carnival – 12 Medals and 20 top - 6 finishes

1km/2km Run - Gold: Elio Vezzola, Lisa Derz; **Silver:** Lucas MacKenzie, Brooke Derz, Dylan MacKenzie; **Bronze:** Brooke Frew; **6th:** Mikey Molinia

Flags - Silver: Lucas MacKenzie; **4th:** Dylan MacKenzie; **6th:** Mikey Molinia

Sprints - Gold: Dylan MacKenzie; **5th:** Ruby Alexander; **6th:** Lucas MacKenzie

Board - Bronze: Lisa Derz

Swim - Silver: Lisa Derz; **4th:** Archie Ferguson

Ironperson - 4th: Archie Ferguson

Mixed Beach Relay - Bronze: U14 Brooke Derz, Brooke Frew, Mikey Molinia, Dylan MacKenzie; **Bronze:** U12 Georgina Godfrey, Paris Hudson, Archie Ferguson, Lucas MacKenzie

Board Relay - 4th: U13 Brooke Derz, Lucy Woodfield, Paris Hudson; **5th:** U10 Pippa Melham, Chloe Hagon, Lisa Derz

Beach Relay - 6th: U12 Elio Vezzola, Hassan Haggag, Archie Ferguson, Lucas MacKenzie

State Carnival – 2 medals and 5 top 10 finalist results

Lisa Derz – **Gold** in swim and **Bronze** in board

Finalists: Elio Vezzola; Archie Ferguson; Brooke Derz; Brooke Frew; Dylan MacKenzie

Officials Report - Allen Lakeman

Dee Why Surf Club has had a long and proud history of members of the Club officiating at all levels of competition. We had many officials who again officiated at Branch and State this year.

According to branch records, the officials from Dee Why who assisted this season were Darren Armitage, Lisa Armitage, Karl Derz, Rosalind Elliott, Jenny Graves, Steve Haggett, Warren Hannam, Allen Lakeman, Adrienne Lowe, Mark MacKenzie, Matthew Molinia, Peter Woodfield, and Matthew Godfrey helped out as a probationary official

Steve Haggett, Adrienne Lowe, Roz Elliott and Allen Lakeman directed their efforts towards the Lifesaving

Events officiating with Champion Lifesaving, Patrol Competitions and First Aid Events at local, branch and state levels. Steve and Adrienne in particular have served as Chief Judges and Sectional Referees. Roz Elliott attended Newport SLC on 27th October for a simulated beach competition event where she acted in the role of patient and official judge for the first aid and at Narrabeen SLC for a Branch First Aid Competition where she competed and acted in role of Official First Aid Judge.

Jenny Graves officiated at Palm Beach Fast Fives (Chief Judge), Branch Nipper Championships (Sectional Water Referee U9), Nipper Nationals (Sectional Water Referee - U9), Manly Open Carnival (Chief Judge), Freshwater Open Carnival (Chief Judge) and State Age Championships (Recorder).

Mark Mackenzie officiated at the Bennett Board Carnival at Dee Why as a Sectional Referee, Newport Junior Interbranch Selection -Sectional Referee, Queenscliff Junior – Sectional Referee, North Steyne Junior – Sectional Referee, Interbranch Championships at Bulli – Area/Sectional Referee, North Narrabeen Junior – Carnival Referee, Narrabeen Junior – Sectional Referee, Nipper Nationals at Manly – Sectional Referee, Manly Open – Sectional Referee, Freshwater Open – Sectional Referee, Branch Championships Junior – Sectional Referee, State Age Championships – Sectional Referee.

Greg Punch officiated as the Carnival Announcer at the Manly Open Carnival, Freshwater Masters and Freshwater Australia Day Carnival and for 3 days at NSW Age Championships for 2020 held at Swansea Belmont.

Competition Report

- Jenny Graves

The 2019 - 2020 season has been one that I'm sure won't be forgotten, more for what didn't happen than what did. After damaging storms in February led to the cancellation of Branch Opens, Boats and Masters carnivals, the COVID-19 virus ended the season abruptly at the end of March. Disappointingly this also meant the cancellation of Aussies on the Gold Coast.

Board Riding

Although strictly part of the 2018 - 2019 season, the State Board Riding Championships took place in August last year at North Narrabeen. Dee Why's competitors were Warren Hannam and Cam Wyllie in the Masters. Warren was awarded a Bronze Medal in the 50-59 yrs Long Board and Cam was placed 7th. Warren also came 6th in the Short Board contest.

Opens

Massimo Vezzola, Lachlan Trewin and Kyan Bowker competed in many carnivals this year as U17s with some excellent results. Dylan McKenzie also competed in some of these carnivals as an U14. Massimo, Lachlan and Kyan competed for the first time this year on skis and performed really well. As well as competing in some Iron Man carnivals on the Central Coast, in Forster and in the Hunter, the boys competed in the following:

26 th October 2019	Newport Open Carnival
23 rd November 2019	Mona Vale Fast Fives
21 st December 2019	Palm Beach Fast Fives.
25 th January 2020	Manly Open Carnival – Dylan came 1 st in the Beach Sprint and 1 st in the Flags, Kyan 12 th in the Board Final and Massimo, Lachlan and Kyan 5 th in the Ski Relay. Lachlan and Massimo also made the semis of the U17 Ski Race.
26 th January 2020	Freshwater Open Carnival - Dylan came 1 st in the Beach Sprint and 1 st in the Flags, Kyan 8 th in the Ski Final and Massimo, Lachlan and Kyan 6 th in the Ski Relay and they also all made it to the Board Semis.
March 2020	State Championships

A very successful season for the boys who are also training on the skis under the guidance of Peter Hatfield. I look forward to seeing them hone their skills in the ski races next season.

Masters

Unfortunately the Masters competitors did not have much opportunity to compete this season due to the weather and COVID, however we did have competitors in the Freshwater Masters in November, the more social Palm Beach Twilight Masters in January, and the State championships. It was good to see a female competitor Kerry Derz compete at Freshwater and Palm Beach (and winning the lucky door prize at Palm Beach).

Our Masters competitors train regularly, still seem to have a lot of fun and are responsible for most of the entertaining content on the Board and Ski Facebook page. Congratulations to all our Masters competitors - Peter Hatfield, Peter Sharkey, Cam Wyllie, Marty Quinn, Wayne Weisse, Geoff Crittle, Ayman Haggag and Kerry Derz.

Congratulations to Cam Wyllie for his Bronze medals at State in the Tube Race and the Surf Race. Special congratulations to Cam for his big swim from Palm Beach to Manly.

First Aid and Life Saving (by Allen Lakeman)

This season the Club entered one team in the lifesaving events competitions. Rosalind Elliot and Allen Lakeman participated as a first aid team at the local carnival at Narrabeen SLC on 16th November 2019 and in the Branch carnival at North Narrabeen on 9th February 2020 where they were placed fourth. Claire Devine kindly offered to act as a patient for the team.

Roz Elliott attended Newport SLC on 27th October for a simulated beach competition event and acted in the role of patient and official judge for the First Aid.

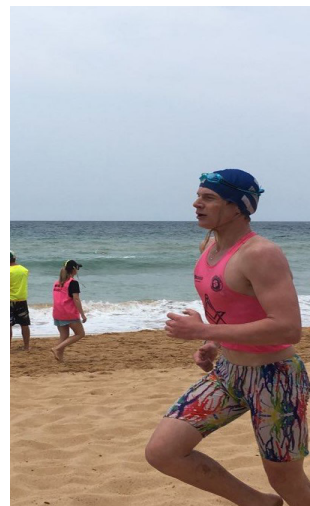

Dee Why has traditionally entered several teams in the First Aid competitions. We would like to see more participants, particularly under 19s and under 17s entering as First Aid Competitors as well as the Patrol Competition (6 members) and the individual Champion Life Saver events.

Boats

The mens and ladies boat crews competed at Bilgola Boat Carnival on 2nd November 2019, Queenscliff Boat Carnival on 18 January 2020 and Manly Boat Carnival on 25th January 2020. The men's crew competed at State and just missed out on the final after coming 5th. Good effort by Chris McKinnon, Jason Rowe, Harrison Selby and Jay Yeomans and sweep Shaun Stacey. The ladies crew comprised Lyndsay Dowsett, Peta Fairlie, Nicole Marshman and Robyn Moore, sweep Shaun Stacey.

When the Ocean Thunder series was cut short after three rounds, the mens crew were sitting in second position and the ladies crew in 10th.

Lastly thank you to all who have helped during the year including coaches, managers, parents, spouses, children and friends of our competitors and the members of Dee Why SLSC for their support throughout the season.

Board and Ski Report

- Peter Hatfield

The 2019 2020 season has been one of the most challenging for all competitors both on and off the water.

We had some incredible highlights and some very disappointing lows with the cancellation of the Australian Titles to be held on the Gold Coast topping off a very patchy season for competitors.

Firstly I think we should focus on the positive aspects of our competitive season. This season we were very proud to see our first cadet Taplin and Ski Relay teams hit the start line. Kyan Bowker, Lachlan Trewin and Massimo Vezzola had some standout moments in their rookie year.

This has been the result of many hours of learning to paddle then many more just getting better at it. Three sessions a week on the ski plus three on the board, then mix in a few runs and swims with the odd skate board and bike crash and you have three very dedicated and fit young men.

Our seasons of late begin with a series of Fast Five carnivals. This season Mona Vale, then Dee Why and Newport all held rounds, which were well attended by competitors of all ages.

At Dee Why we were well represented both on and off the water, with most of the officials coming from our club. Our starter on the day was Warren Hannam. Never an easy job, Warren excelled and managed to put me under a wave at every opportunity. Having recently had both knees replaced we are looking forward to seeing him back on the beach, gun in hand soon.

Another favourite Carnival attended by our Masters is the Palm Beach twilight, a hotly contested teams event that has grown every year since its inception. A points based carnival that favors teams with high aggregate age and/or female competitors, Dee Why put in a strong show thanks to the efforts of Kerry Derz on the board and swim.

State Open and Masters were held again at Swansea Belmont. This carnival is split up over a week with Masters on mid week and Opens on the following weekend.

Cam Wyllie stood out in the Masters by taking out Bronze medals in both the Surf Race and Tube Rescue.

Tricky conditions played havoc in most craft races, and luck deserted Wayne Weisse and Peter Sharkey who had a certain medal stolen from them by a loose craft from another club.

The following weekend our Cadets team of Lachlan, Kyan and Massimo competed strongly in all individual and team events.

Memorable achievements were our team making the final in the Ski Relay, Lachlan and Massimo making their first Double Ski Final in the Under 19s, and the team narrowly missing the Taplin Final by one place.

Our team can be proud of their achievements at State and have another year in the age group which will no doubt see stronger results.

The season had an unexpected and early end when our Branch Championships were cancelled due to big seas. Officials tried everything to reschedule the event, however there was little room in a very busy carnival schedule.

We are very fortunate to have a strong and supportive club behind us. I would like to thank our officials who turn up to carnivals, our board and Iron man coach, Marty Quinn, for giving his time and expertise to help develop the required skills, and our committee who supply us with much needed equipment for training and carnivals.

You are never too old to start representing your club in surf sports, so if your interested please contact me to learn more about training times and becoming part of our team.

Building and Development Report

- Allen Lakeman

David Spink and Allen Lakeman took an active part in the Committee chaired by Susan Sky.

Following a favourable meeting with the Northern Beaches CEO, Mr Ray Brownlee, on 4 July 2019 to discuss the concept plans prepared by Kinga Monaghan's Sky Blue Building Designs, an application for the Development Application Pre-Lodgement Meeting was made.

The meeting took place on 28 November 2019 with Kinga Monaghan and Allen and six members of staff of Northern Beaches Council including two Planners, a Coastal Engineer, a Stormwater expert, a Development Engineer and a Property Consultant.

In February 2020 the Council provided a nine-page Prelodgement Advice. The major difference of opinion between Council and Kinga Monaghan and Allen was the interpretation that Council has placed on certain parts of the Dee Why Lagoon Wild Life Plan of Management. The Council staff have expressed the opinion that any future Development Application would need to demonstrate not only compliance with the Plan of Management but provide confirmation as to how the increase in floor space approved from the previous development application in conjunction with this proposal collectively was not greater than 30 percent in the floor space from the 2002 baseline.

The view put forward by the Club was that the provisions in the Plan should be read disjunctively and not conjunctively in respect of the earlier expressed authorisation which was said by the Club to be permissive in nature and not restrictive.

On 21 February 2020 Allen wrote to Ray Brownlee seeking a second opinion and further discussions have taken place by telephone.

In October and November 2019, Council officers Owen Mancell and Scot Hedge returfed the area in front of the clubhouse and installed planter boxes along the front fence.

Hugh Long is liaising with Council to replace the roller doors on the ground floor.

Council has also approved the repainting of the clubhouse. An appropriate colour from Dulux Paints has been chosen and the painting was expected to commence later in the year.

Sponsorship Report

- Allen Lakeman

Dee Why SLSC would like to acknowledge the valuable contribution our sponsors make to the running of our Club. Much of the life saving and competition equipment we use can be directly attributed to their generosity.

Our Club's major sponsors proudly display their signage on our southern facing wall and balcony. They are Dee Why RSL, Upstate, Strata One, Rod Finlayson Remedial Building, Reilly and Sons Food Services, Apex Signage, Beaches Sea-Doo Can Am and Blue Sky designs.

We also thank Wavescape Orthodontics, supporting the nipper BBQ, Active Automotive, Icon Homes, URM (United Resource Management), Bennett Surf Co, Molly's Cradle Wines and Vivid Cleaning for their support.

Benefactors and Donations

In 2019/2020 donations were received from Club members as well as Brookvale Rotary (Pub2Pub fun run), DY Icepicks (for their annual donation) and DYRSL (cash housie).

Grants

The Club wishes to thank Mr Graeme Liddell the President and the directors of DYRSL for their continuing support through the ClubGrants program, the Northern Beaches Council for its annual lifesaving grant and SLSNSW annual gear grant.

The Club also wishes to thank the Hon Brad Hazzard, the Hon Rob Stokes, Mr James Griffin MP and our Federal member Mr Jason Falinski for their support of surf life saving on the northern beaches. The Federal Government has continued its support via the Beach Safety Equipment Fund administered by SLISA.

We also thank Northern Beaches Council CEO Ray Brownlee and councillors David Walton and Stuart Sprott for their support of the Club's application for on-site safety equipment storage space.

Association Sponsors

In respect of Surf Life Saving Australia we would like to acknowledge Major National Partners - DHL, Holden, Westpac; Partners - BRP; Sponsors - Dulux, Finz, Nutri-Grain; Major Government partners – Australian Government's Department of Health; Gold Coast City Council; the National Coronial Information System and Tourism and Events Queensland.

In respect of Surf Life Saving New South Wales we would like to acknowledge Partners Envirobank, Midford, Sharkskin, Dolphin Surfcraft, EnergyLocals, DHL, Westpac, Holden and Dulux.

Our branch sponsors are Brookvale Nissan, BRP, Dee Why RSL, DHL, Holden, ICMS, Northern Beaches Council, Northern Beaches Hospital, NSW Government, Speedo, Streets, URM, Westfield Warringah Mall, Westpac, SLISA and SLNSW.

The Club thanks the members of Branch and staff for their support throughout the season.

The Sponsorship sub-committee consisted of Peter Hatfield, Allen Lakeman, Dave Lang and Matt Molinia. A full list of funds received in respect of donations, grants and sponsorships is included in the financial section of the Annual Report.

Notes of the Financial Statements

Dee Why Surf Life Saving Club Inc
For the year ended 30 April 2020

Summary of Significant Account Policies

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2009 (NSW), the Charitable Fundraising Act 1991 (NSW) and the Australian Charities and Not-for-Profits Commission Act 2012 (Cth) and the club's constitution. The committee has determined that the association is not a reporting entity.

The financial statements have been prepared in accordance with the requirements of the above acts and regulations, the club's constitution and the following Australian Accounting Standards:

AASB 101 Presentation of Financial Statements

AASB 107 Statements of Cash Flows

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1031 Materiality

AASB 1048 Interpretation of Accounting Standards

No other Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets. The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Income Tax

No provision for income tax has been raised as the Association is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

In the event the carrying value of plant and equipment is greater than the estimated recoverable amount, the carrying value is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

Depreciation

The depreciation method and useful life used for items of property, plant and equipment (excluding freehold land) reflects the pattern in which their future economic benefits are expected to be consumed by the association. Depreciation commences from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The depreciation method and useful life of assets is reviewed annually to ensure they are still appropriate.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Bank overdrafts are presented within current liabilities on the statement of financial position.

Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

Financial Instruments

Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions of the financial instrument, and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss, which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. Financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets.

Except for those trade receivables that do not contain a significant financing component and are measured at the transaction price, all financial assets are initially measured at fair value adjusted for transaction costs (where applicable).

For the purpose of subsequent measurement, financial assets other than those designated and effective as hedging instruments are classified into the following categories upon initial recognition:

- amortised cost
- fair value through profit or loss (FVPL)
- equity instruments at fair value through other comprehensive income (FVOCI)

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs, finance income or other financial items, except for impairment of trade receivables which is presented within other expenses.

Classifications are determined by both:

- The entities business model for managing the financial asset
- The contractual cash flow characteristics of the financial assets

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs, finance income or other financial items, except for impairment of trade receivables, which is presented within other expenses.

Subsequent measurement financial assets

Financial assets at amortised cost

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVPL):

- they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows
- the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The Association's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments as well as long-term deposits that were previously classified as held-to-maturity under AASB 139.

Financial assets at fair value through profit or loss (FVPL)

Financial assets that are held within a different business model other than 'hold to collect' or 'hold to collect and sell' are categorised at fair value through profit and loss. Further, irrespective of business model financial assets whose contractual cash flows are not solely payments of principal and interest are accounted for at FVPL. All derivative financial instruments fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements apply (see below).

Equity instruments at fair value through other comprehensive income (Equity FVOCI)

Investments in equity instruments that are not held for trading are eligible for an irrevocable election at inception to be measured at FVOCI. Under Equity FVOCI, subsequent movements in fair value are recognised

in other comprehensive income and are never reclassified to profit or loss. Dividend from these investments continue to be recorded as other income within the profit or loss unless the dividend clearly represents return of capital.

Impairment of Financial assets

AASB 9's impairment requirements use more forward looking information to recognize expected credit losses - the 'expected credit losses (ECL) model'. Instruments within the scope of the new requirements included loans and other debt-type financial assets measured at amortised cost and FVOCI, trade receivables and loan commitments and some financial guarantee contracts (for the issuer) that are not measured at fair value through profit or loss.

The Association considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

In applying this forward-looking approach, a distinction is made between:

- financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ('Stage 1') and
- financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ('Stage 2').

'Stage 3' would cover financial assets that have objective evidence of impairment at the reporting date. '12-month expected credit losses' are recognised for the first category while 'lifetime expected credit losses' are recognised for the second category.

Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

Trade and other receivables

The Association makes use of a simplified approach in accounting for trade and other receivables and records the loss allowance at the amount equal to the expected lifetime credit losses. In using this practical expedient, the Association uses its historical experience, external indicators and forward-looking information to calculate the expected credit losses using a provision matrix.

Classification and measurement of financial liabilities

As the accounting for financial liabilities remains largely unchanged from AASB 139, the Association's financial liabilities were not impacted by the adoption of AASB 9. However, for completeness, the accounting policy is disclosed below.

The Association's financial liabilities include borrowings and trade and other payables.

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Association designated a financial liability at fair value through profit or loss.

Subsequently, financial liabilities remeasured at amortised cost using the effective interest method except for derivatives and financial liabilities designated at FVPL, which are carried subsequently at fair value with gains or losses recognised in profit or loss (other than derivative financial instruments that are designated and effective as hedging instruments).

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs or finance income.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

Inventories

Inventories are valued at the lower of cost and net realisable value. No value is ascribed to goods for resale that have been donated to the Association where fair value cannot be reliably determined. Net realisable value is the estimated selling price in the ordinary course of business, less any applicable selling expenses.

Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

	Depreciation	66,518	67,590
	Interest received	5,337	6,780
	- (increase)/decrease in trade and other receivables	22,453	(27,320)
	- (increase)/decrease in inventories	(9,416)	(2,539)
	- increase/(decrease) in trade and other payables	(29,529)	23,648
	- other	(3,721)	(11,552)
	Total Cash flows from operations	32,539	43,932

6. Subsequent Events

The World Health Organisation (WHO) declared the COVID-19 virus a global Health emergency on 30 January 2020. Global trade and markets have been significantly disrupted, and many businesses have had to, or will have to, limit or suspend their operations.

All global share markets have suffered significant falls since 30 January 2020. The committee have assessed the impact of the pandemic on the Financial Statements of the Association. There is no effect of the pandemic on the asset values as at 30 April 2020.

Declaration by Members of the Committee

Dee Why Surf Life Saving Club Inc (ABN 39 393 896 380)
For the year ended 30 April 2020

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee:

1. The financial report which comprises of the statement of financial position as at 30 April 2020, and the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, a summary of significant accounting policies and other explanatory notes is in accordance with the Australian Charities and Not-for-profits Commission Act 2012 (Cth) and
 - a) complies with Australian Accounting Standards as set out in Note 1; and
 - b) gives a true and fair view of the financial position of Dee Why Surf Life Saving Club Inc as at 30 April 2020 and its performance for the year ended on that date
2. The accompanying statement of comprehensive income is drawn up so as to give a true and fair view of the profit (or loss) of the association including fundraising appeals for the last financial year;
3. The statement of financial position is drawn up so as to give a true and fair view of the state of affairs of the association including fundraising appeals as at the end of the financial year;
4. The provisions of the Charitable Fundraising Act 1991 (NSW), the regulations under the act, and the conditions attached to the fundraising authority have been complied with by the association;
5. The internal controls exercised by the association are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeal;
6. At the date of this statement, there are reasonable grounds to believe that Dee Why Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due;
7. The accounts and associated records have been properly kept during the year;
8. Money received as a result of fundraising appeals conducted during the year has been properly accounted for, and;
9. The principal activities of the association during the financial year were the provision of lifesaving services and no significant change to these activities has occurred.

The accounts of the Association have been made out in accordance with applicable Accounting Standards, other mandatory professional reporting requirements, the provisions of the Associations Incorporation Act 2009 (NSW), Australian Charities and Not-for-Profits Commission Act 2012 (Cth) and the Charitable Fundraising Act 1991 (NSW).

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President:

H. Long

Treasurer:

D. Lang

Date: 21 July, 2020

Compilation Report

Dee Why Surf Life Saving Club Inc
For the year ended 30 April 2020

Compilation report to Dee Why Surf Life Saving Club Inc.

We have compiled the accompanying special purpose financial statements of Dee Why Surf Life Saving Club Inc., which comprise the statement of financial position as at 30 April 2020, statement of profit and loss and other comprehensive income, the statement of changes in equity, the statement of cash flows, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1.

The responsibility of the Committee Members

The committee of Dee Why Surf Life Saving Club Inc is solely responsible for the information contained in the special purpose financial statements, the reliability, accuracy and completeness of the information and for the determination that the basis of accounting used is appropriate to meet its needs and for the purpose that financial statements were prepared.

Our Responsibility

On the basis of information provided by the Committee we have compiled the accompanying special purpose financial statements in accordance with the basis of accounting as described in Note 1 to the financial statements and EPES 315 Compilation of Financial Information.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of APES 110 Code of Ethics for Professional Accountants.

Independent Auditor's Report

Dee Why Surf Life Saving Club Inc
For the year ended 30 april 2020

Qualified Opinion

I have audited the accompanying financial report, being a special purpose financial report, of Dee Why Surf Life Saving Club Inc. (the Association), which comprises the statement of financial position as at 30 April 2019, the statement of profit and loss and other comprehensive income, statement of changes in equity, statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the responsible entities' declaration.

In my opinion, except for the effects of the matter described in the Basis of Qualified Opinion section of my report, the financial report of the Dee Why Surf Life Saving Club Inc. as at 30 April 2019 presents fairly in all material aspects the financial position of the Dee Why Surf Life Saving Club Inc. and its financial performance for the year then ended in accordance with the basis of accounting described in Note 1 to the financial report and satisfies the requirements of the Charitable Fundraising Act 1991 (NSW), the Associations Incorporation Act 2009 (NSW), the Australian Charities and Not-for-Profits Act 2012 (Cth) and the Club's constitution including:

a) giving a fair and true view of the registered entity's financial position as at 30 April 2019 and of its financial performance for the year ended; and

b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013

Basis of Qualified Opinion

It is not practical for the Dee Why Surf Life Saving Club Inc. to maintain an effective system of internal control over donations and fundraising activities until their entry in the accounting records. Accordingly, my audit in relation to donations and fundraising activities was limited to amounts recorded.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of Accounting

I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Association's financial reporting responsibilities under the Charitable Fundraising Act 1991 (NSW), the Associations Incorporation Act 2009 (NSW), the Australian Charities and Not-for-Profits Act 2012 (Cth) and the Club's constitution. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

Responsibility of the Committee for the Financial Report

The Committee of the Association is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Associations Incorporation Act 2009 (NSW), Charitable Fundraising Act 1991 (NSW) and the Australian Charities and Not-for-Profits Act 2012 (Cth) and the needs of the members. The Committee's responsibility also includes such internal control as the Committee determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
